Why do these trails appear on some days, and not others?

Embsay, Yorkshire 29th Aug 2005

Why won't Environmental Groups (such as Greenpeace WWF) talk about the real nature of these trails?

LOOK UP!
You'll soon notice them!
Ask questions about the trails! What is **really** happening in our skies?

Why won't the Civil Aviation Authority and Department for Transport answer questions about these persistent trails?

Paris, 24th August 2005, 11am

Why do they seem to appear everywhere in the UK (and globally), not just near airports?
