# THE VOICE

BACK.....WITH A VENGEANCE!

THE CLIP IS FULL.....AND THE SAFETY IS OFF!

TIM BECKLEY OF NEW YORK RECENTLY ASKED ME TO SUBMIT A 3000 WORD ARTICLE FOR "UFO UNIVERSE" MAGAZINE, FOR A SPECIAL CONSPIRACY ISSUE, HE ALSO WANTED ME TO SEND OVER TO THE STATES A FULL SET OF THE VOICE FILES TO ENABLE HIM TO PASS THESE OVER TO COMMANDER X, FOR POSSIBLE USE IN ONE OF HIS NEXT BOOKS!!!.

WELL I NEVER!

CALM DOWN, CALM DOWN, NO, THE VOICE IS NOT AND NEVER HAS, MADE ANY MONEY OUT OF THE CLAIMS MADE SINCE FEBRUARY 1994, IN FACT I'M STILL RUNNING AT A LOSS OF OVER £2,000!

NO IT SEEMS EVERYONE ELSE IS SOMEHOW MAKING MONEY FROM MY DISCLOSURES.....  
LIFE REALLY SUCKS!

DID YOU SEE?

"THE WAREHOUSE" ANGLIA TV FRIDAY 8TH AUGUST 11PM-12.30AM HOSTED BY AMONG OTHERS JAMES WHALE.

(STRANGE, CARLTON, LONDON TV HAVE THIS PROG BUT FOR ONLY 30 MINUTES, AND ITS FULL OF CRAP SINGING AND SUPPOSED COMEDY!)

I WAS ALERTED BY THAT STALWART OF UFOLOGY MATHEW WILLIAMS DURING THE EARLY EVENING OF THIS PROG, AS HE, AMONG OTHERS, WERE ACTUALLY ON IT!.

IT PROVED TO BE THE TYPICAL SERIOUS UFOLOGISTS NIGHTMARE INTERVIEW SCENARIO, THE TYPE I PERSONNALLY (OR IS THAT PERSONALLY?) WOULD HAVE AVOIDED LIKE THE PLAGUE. POOR OLD ELSIE OAKENSON WAS MADE TO ENDURE AN INTERVIEW BY SOME PLONKER WITH AN I.Q. OF A RASHER OF BACON, MAKING FUN OF THE WHOLE THING, MATT WILLIAMS FAIRED LITTLE BETTER, TO BE SEEN WAS THAT EVER SMILING 'THE PUBLICS UFO MAN' ROY LAKE, CORRECTING JAMES WHALE THAT HE WAS NOT THE PRESIDENT, BUT CHAIRMAN NO LESS, OF THE LONDON UFO STUDIES, NICE LITTLE PLUG ROY, AND OH DEAR, SHERIDAN LANE GOING ON, AND ON, AND ON, AND ON, ABOUT HER OWN ENCYCLOPEDIA OF SIGHTINGS, THE PROG PRESENTERS HAD A FUN TIME WITH ERIC MORRIS TOO, THE ONLY POOR SOD WHOM GOT AWAY WITHOUT BEING RIDICULED WAS THAT E.M. DEMON HIMSELF, ALBERT BUDDEN, BUT EVEN HE WAS SUBJECTED TO A CERTAIN AMOUNT OF EMBARRASSMENT, WHILST A YOUNG LADY WORKED HERSELF INTO A PSUEDO CLIMAX TO SEE IF HER STRANGE BODY ELECTRICITY COULD BLOW THE STUDIOS CIRCUITS!!

WOW, WHAT A PROG!  
LUCKY I COULD NOT TAPE IT  
THANKFULLY WE ARE TUNED TO LONDON  
AND COULD ONLY WATCH ON A PORTABLE TV WITH LOOP AERIAL!

THE BOOK BY COL.CORSO (RET.) RE THE ROSWELL INCIDENT, DO I READ CORRECTLY?  
ROSWELL HAPPENED AFTER ALL, ITS OFFICIAL!

THE D-NOTICE AND 'THE VOICE'.....ARE BUFORA (AMONG OTHERS) BOYCOTTING ME ?

ANDY ROBERTS OF BUFORA IS A DIFFICULT BLOKE TO CONTACT, HE DOES NOT REPLY TO LETTERS OR RESPOND TO MESSAGES LEFT ON HIS ANSWERPHONE. YOU MAY RECALL IN AN EARLIER DOCUMENT I PRESENTED THE FINISHED REVIEW ANDY PUT TOGETHER ABOUT MYSELF AND MY DOCUMENTS FOR A 'FUTURE ISSUE OF UFO TIMES BUFORA MAGAZINE'.

THAT REVIEW WAS WRITTEN IN NOVEMBER/DECEMBER OF '96, IT STILL HAS NOT SEEN THE LIGHT OF DAY, OTHER BUFORA PERSONNEL EITHER KNOW NOTHING OF THE REVIEW OR SIMPLY PLAY DUMB WHEN ASKED IF IT IS NORMAL PRACTISE TO CARRY A REVIEW OF SOMETHING MANY MONTHS AFTERWARDS, MIKE WOOTON, JOHN SPENCER, PHILIP MANTLE, NO-ONE IT SEEMS, LEAST OF ALL ANDY HIMSELF, KNOWS IF THIS DERISIVE LITTLE REVIEW WILL EVER GRACE THE PAGES OF THEIR MAG.

FURTHER TO THAT, IN A LETTER FROM ANDY IN MID MAY, HE MENTIONED THAT HE WAS GOING TO PROFILE THE VOICE IN HIS COLUMN IN FORTEAN TIMES MAGAZINE, IN A SORT OF 'BRITISH BOB LAZAR' STYLE.

WE ALL KNOW ABOUT PRINTING SCHEDULES, AND THAT IT MAY BE SOME TIME BEFORE THIS SUPPOSED ARTICLE APPEARS, BUT YOU KNOW, I'M KIND OF WONDERING IF THIS TOO WILL END UP LIKE THE REVIEW.....DISAPPEARED INTO THE VOID AND LOST FOR GOOD!!!

QUESTS 'UFO MAGAZINE' HAVE LIKEWISE CONTINUOUSLY IGNORED THE DATA, THE FILES, SENT TO THEM DURING THE PAST 3½ YEARS, AS HAVE 'ALIEN ENCOUNTERS', 'SIGHTINGS', 'FORTEAN TIMES', 'NEXUS', AND EVEN 'UFO REALITY' WHOM SEEMED DEAD KEEN IN JUNE OF '96 TO COVER THE WHOLE THING HAVE SHIED AWAY.....BOY ARE YOU LOT CHICKENSHIT!

BEFORE EARLY 1994 THERE WERE HARDLY ANY GLOSSY MAGAZINE ARTICLES ON MILITARY BASES, MILITARY UFO ABDUCTIONS, MILITARY PSYCHOTRONIC WEAPONS TESTING, DEEP UNDERGROUND SECRET BASES, ETC, ETC, ETC, I THINK ITS FAIR TO SAY THAT THANKS TO THE VOICE DISCLOSURES THERE ARE NOW VERY MANY SUCH ARTICLES, ALL SAYING WHAT THE VOICE HAS STATED OVER AND OVER IN MY FILES, I DO NOT GET THE CREDIT BUT ITS BLOODY OBVIOUS WHERE THE VARIOUS ARTICLE AUTHORS GOT THEIR MATERIAL AND THEIR INSPIRATION FROM.....THE VOICE!!!

I DO NOT THINK THAT FACT CAN BE DENIED

# FROM ARTICLE "THE HATLERS" COURTESY QUEST "UFO MAGAZINE"

NASA science writer and consultant James Oberg said:

"The only 'pressure' I've ever sensed was the opinion of my professional peers in the aerospace industry that my interest in the UFO phenomenon as 'unorthodox'. In my attempt to deal rationally with crazy stories about 'space UFOs' and other allegedly unsolved cases (which I have solved), was a waste of time. Since the consensus was that such rational disinterested research was outside the realm of serious science, I 'UFO'ed out. I've never encountered any hint that either the phenomenon or my interests in it were relevant to any genuine US government interests or activities."

"Probably the closest thing to real government-related 'pressure' occurred a few years ago when several IRS men called the Internal Revenue Service office in Dallas to 'turn me in' for hiding secret income from government pay-offs for my role as a 'public debunker' (they even described this 'snitch's cut' of the evaded taxes).

"Fortunately the IRS man had a sense of the ridiculous and a sense of proportion, and I evaded the case with no consequences."

Nuclear physicist and UFO researcher Stanton T. Friedman said:

"To the best of my knowledge, I have never been harassed or coerced or tried to reduce my involvement in ufology."

Famed American abductee Linda Cortile said:

"In retrospect, when Budd Hopkins and others (law enforcement, doctors, etc), helped to investigate my case, (which is featured in Budd Hopkins new book entitled, 'Witnessed - The True Story of the UFO Brooklyn Bridge Abductions'), a few debunkers tried to curtail the research."

"The case was brought forward publicly, in which, a few debunkers tried to curtail our research before the case had been completely investigated. The cause of the curtailment was due to having to write letters, articles, meetings, phone conversations, etc., to undo the little damage that was done."

"I appointed Budd Hopkins as my researcher, and with my permission Mr. Hopkins, in turn, received help from several law enforcement people and others. Altogether, we lost about one year's time before we could complete the investigations, but we won the battle!"

Fortunately though, I've learned how to use the debunkers for my benefit.

I'm sorry for those who aren't lucky enough to be in a position to do what I have done. So I try to do it for them.

"When debunkers try to curtail your investigations, it's always nice to enjoy the fight while it's happening."

"These people will always be afraid because disinformants are afraid of the truth coming out."

"Some disinformants are employed by the U.S. Air Force, etc. So, if you get off of such controversy on a particular case, you can be sure that the debunkers believe the case to be a worthwhile project."

"No disinformant will invest that much time on

"I have never been harassed or pressured in any way about my UFO research. In fact, while serving as an intelligence officer in the Air Force, everyone knew of my interest in the topic and it didn't stop promotions or other rewards."

Kevin Randle, former USAF officer

I was granted a 'Top Secret' clearance, so there was no problem.

"I do find it interesting that with all the access that I have to national media that no one has ever attempted to stop publication of my work. In fact, the only trouble I have had is when I have written a piece that would be considered 'debunking' by everyone."

"The magazines have routinely rejected those, preferring to publish other articles that deepen the mystery."

"Do I see some conspiracy here? No, I see editors who understand their audience buying the article that is going to keep that audience happy."

"I see a monetary motivation to some of the editorial decisions and understand that. Hope this helps."

• An invitation for Kevin to send an article to this editor has been sent...

Recently, a prominent UFO investigator based in the south of England claimed on local radio that he had been harassed and physically attacked by members of the security service, but unless a formal complaint is lodged with the police, what are we to make of this, and similar allegations?

Tony and I once lectured in Frankfurt, (West) Germany, back in 1989 and were accompanied by our wives and two of my three daughters.

Over 1,500 people had packed into the conference venue and it was an amazing experience to rub shoulders with CIA and KGB operatives who took in the entire proceedings.

Were they there to listen and see what we had to share with the audience, or simply keeping tabs on one another?

I suspect that if official "external pressure" is ever applied to prevent the truth about UFOs surfacing, neither this individual nor any of those who have contributed to this article will have the opportunity to tell the tale...

Stanton T. Friedman

a case unless it's a truthful one. Roswell is also a very good example.

"In the meanwhile, everything is fine here. The battle is finished and my fun has ended."

Leading American UFO researcher Kevin Randle, of the J. Allen Hynek Center for UFO Studies said:

"I have never been harassed or pressured in any way about my UFO research. In fact, while serving as an intelligence officer in the Air Force, everyone knew of my interest in the topic and it didn't stop promotions or other rewards."

"In fact, when the background investigation was being conducted for my security clearance, one of the things they did was buy the magazines that had articles about UFOs that I had written."

RAF BENTWATERS/WOODBRIDGE INVESTIGATION  
( A PERSONAL LOOK AT THE RENDLESHAM CASE )

IF I HAD NOT HAVE MOVED AWAY FROM DAGENHAM TO THE COTSWOLDS IN 1979 I WOULD HAVE BEEN ONE OF THE FIRST OFFICIAL INVESTIGATORS TO HAVE BEEN CALLED IN RE THIS FAMOUS CASE, I WAS THE NEAREST UFOIN INVESTIGATOR AND, MORE IMPORTANTLY, I HAD MY CONTACTS AND SOURCES EVEN BACK THEN, SO I WOULD HAVE BEEN ALERTED TO THE CASE ALMOST IMMEDIATELY.

AH WELL, CANNOT CHANGE HISTORY, MY LOSS!.

SO, WITH THAT SAID, THE NEXT BEST THING WAS TO TAKE PART IN A RE-INVESTIGATION, AND THAT IS NOW UNDERWAY.

TUESDAY 24TH JUNE 1997

50 YEARS AGO TO THE VERY DAY WHEN PRIVATE PILOT KENNETH ARNOLD BROUGHT THE FLYING DISKS TO THE EAGER ATTENTION OF THE PUBLIC, THANKS A LOT KEN!

MYSELF AND MILES JOHNSTON SET OFF TO DO SOME PHOTOGRAPHIC/FILM WORK AT THE TWIN BASES AND CHECK OUT THE AREA, CAPEL GREEN, FENNS ROW, ETC, ETC. IN ALL MILES SHOT ABOUT AN HOUR OF VIDEO AND I TOOK FOUR 35MM FILMS, BUT DUE TO BAD LIGHTING CONDITIONS, IT WAS GETTING LATE AS WE LEFT WOODBRIDGE AND SAUNTERED OVER TO BENTWATERS, ONLY THE 3 FILMS TAKEN AT WOODBRIDGE CAME OUT OK, SO ITS COVER THE OTHER BASE NEXT TIME IN DETAIL.

ALSO NEXT TIME WE PLAN TO THOROUGHLY INVESTIGATE THE FENNS ROW AREA, THE ALLEGED UNDERGROUND COMPLEX SITE, THE HUB OF THE COMPLEX WHICH JOINS THE TWO BASES (AND OTHERS).

I ALSO NEED TO NOSE AROUND ORFORD NESS, SHINGLE STREET AND RAF BAWDSEY IF TIME ALLOWS.

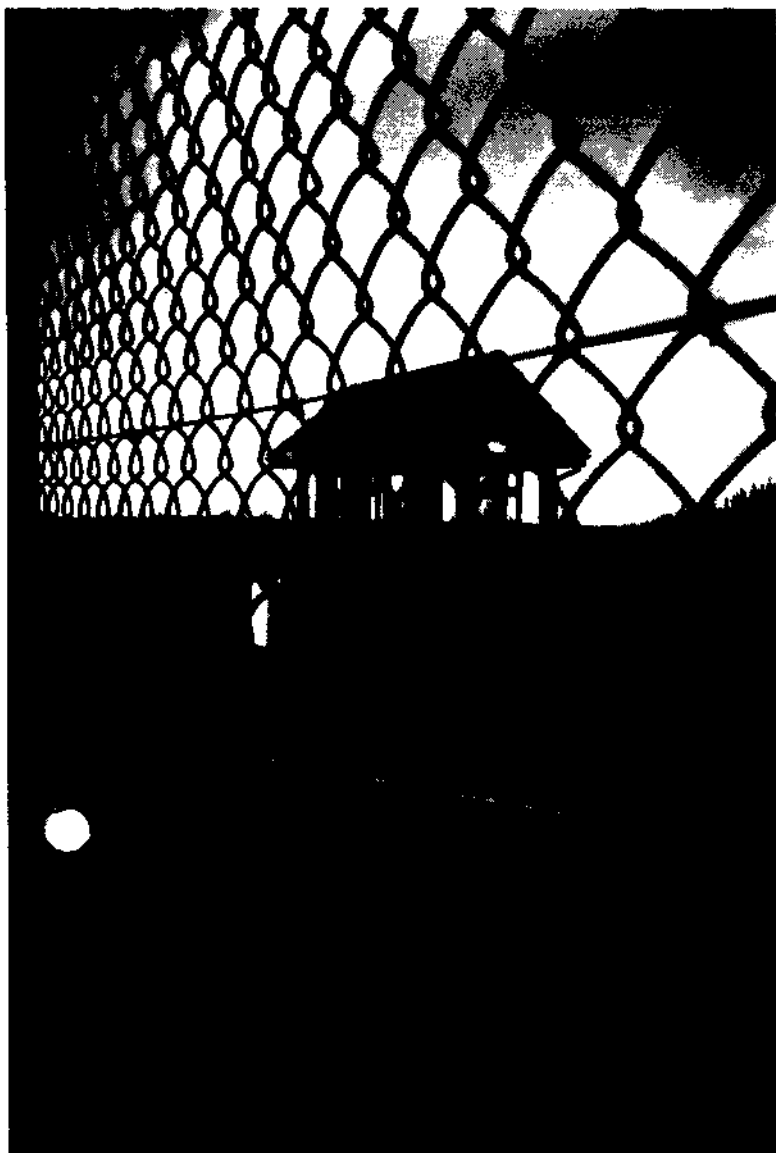

(OF INTEREST PLEASE SEE THE 3 PHOTO'S ON THE NEXT PAGE, THE GUARD SHACK AT EAST GATE, A NICE LITTLE SHOT OF THE MOD SIGN, AND ANOTHER LITTLE SHOT OF THE SIGN FOR THE MAIN GATE AT WOODBRIDGE).

AS THE INVESTIGATION PROGRESSES I'LL DETAIL FINDINGS WITHIN THE PAGES OF THESE DOCUMENTS.

NEXT ISSUE: THE NSA INVOLVEMENT IN THE RENDLESHAM CASE, MY SECOND TENURE AT AL/499...NOVEMBER 1980 TO JANUARY 1981, THE CONNECTION WITH PROJECT 'MANNEQUIN' AND RENDLESHAM IN DECEMBER 1980.....NO-ONE ASKED THE RIGHT QUESTIONS SO NO-ONE WAS TOLD BEFORE!

BOTH THE VOICE AND LARRY WARREN HAVE BEEN MIND MANIPULATED BY THE NSA, AND I REALLY MUST TRY TO ARRANGE A PRIVATE WORD WITH HIM AND PETER ROBBINS SOON.

The highly acclaimed Lancashire UFO Group and PHUFORG held a conference on 17th May this year at the Comfort Friendly Hotel in Burnley, Lancashire. A host of speakers, many familiar with this magazine, attended. Jon Dillon and photographer Paul Pearson checked it out.

**T**he bespectacled compere, Steve Foster, shuffled onto the stage as his voice cut through the tangle of other voices in the Comfort Friendly Hotel function room.

"Unfortunately, Mr Barry King and Mr Albert Budden cannot be with us today because Mr. King has been threatened with his life and told 'can it or else' if he utters anything else about his work at a military base called AL499 in Berkshire.

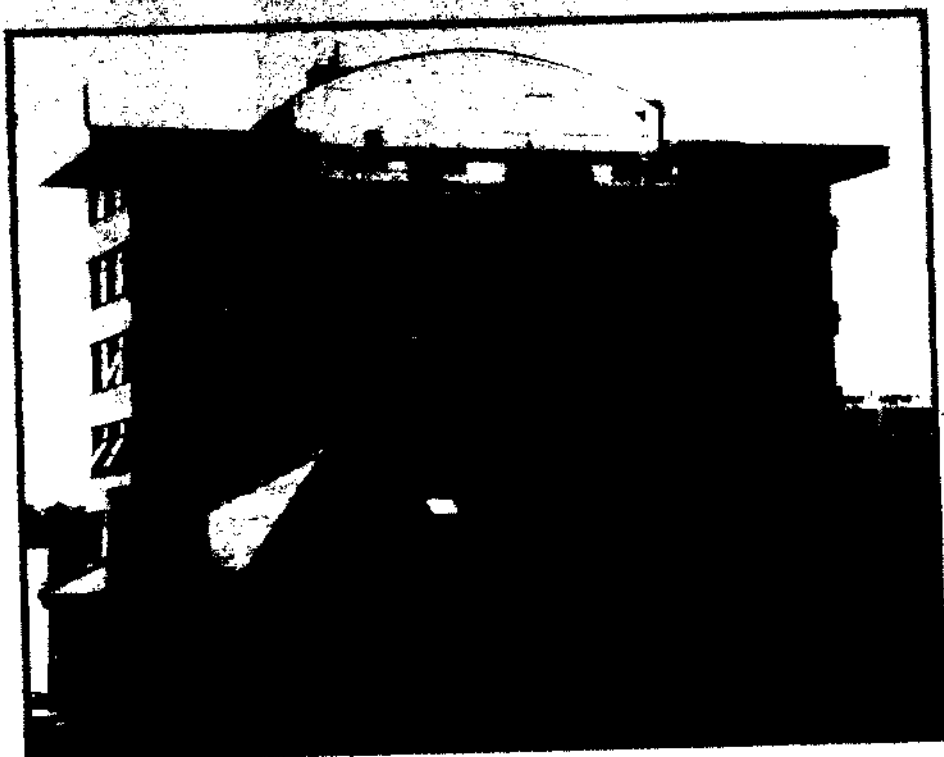

Albert Budden is filming with the 'Strange But True' production team and cannot make it either," he said with gloom. Our loss I think you'll agree.

We had arrived late, as usual at these types of events, but after travelling over 130 miles, from the north-east of England, to see and listen to Mr. King, this news didn't go down too well. Still, after a frantic last minute orchestration, LAPIS had managed to secure the UFO and Crop Circle senior himself, Busty

Taylor, from the audience, to kindly stand in for them instead.

The previous hour had seen the seats filling up with members of the public and the odd UFO investigator here and there too, as the organisers, LAPIS and PHUFORG, set up their book stalls.

Whilst unpacking his latest art work, alien illusory artist Nick Clark explained to me how the groups had come so far in such a limited space of time.

"Apart from my own concern in this phenomena, or rather its interest in me, which on my painting scale goes back only a few years, I've been receiving images in my mind of fantastic spacecraft and presumed alien entities for over 20 years now.

Then, with the help of Laura and Mike Sayers, the two co-founders of the first

Burnley UFO Group and alien 'channellers', a couple of years ago I decided to help the group out full time and it's all gone on from there really."

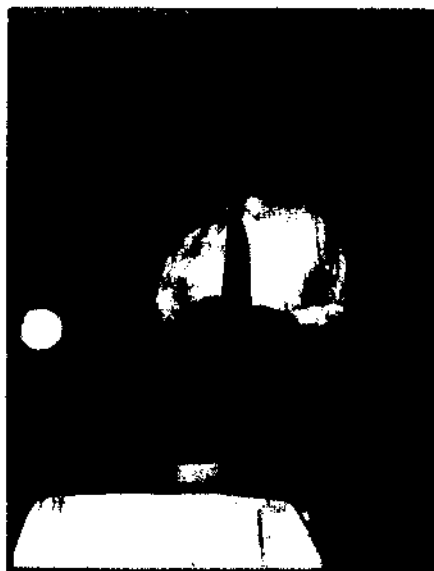

LAPIS, on the other hand, began as the Blackpool UFO Society, which was founded by Hazel Shandley in 1986. The group has since modified in name, rank and file several times over a six year period, ultimately gravitating towards the LAPIS tag in 1992, under the mastery of Joseph Dormer and June Cameron.

Apart from providing its membership with a variety of useful services such as the Internet, choices of magazines and videos, as well as invitations to take part in sky watches, the society organises national conferences, some of which have magnetised the participation of researchers such as Derrel Sims, Michael Lindermann, Nick Pope, Marcus

Allen, Jenny Randles and Philip Mantle, to name but a deluxe few.

They have put on four such UFO conferences before, in various places around the north-west, but for the re-vamped Pendle and Hyburn UFO Research Group, this was their first time around.

The conference agenda was very impressive, as you'd expect from LAPIS, for there was a smattering of conspiracy - a bit of unseen NASA film footage courtesy of Burnley native Rodney Howarth, abduction yarns galore and a couple of crop circles too. All good material, especially for the uninitiated. The audience, numbering around 100, sat speechless, savouring the preferred appearance of the first speaker, Eric Morris.

Eric kicked off his UFO calling in 1977, after a period in the medical profession working as a general nurse, when he joined the British UFO Association. After completing a 5 year psychiatry course, he served in the Royal Navy during 1980 to 1985, at sites such as HMS Royal Arthur, near Corsham, Wiltshire in the UK, where his training as a medical officer required him to visit a man who claimed to have been abducted one day in a naval hospital in 1982.

He told the audience that he returned to the UFO enigma during the 1993/4 period

Dr Rauni-Kilde forwards her findings on the US government's Black Budget UFO Research

after coming across a UFO magazine one day, and since then, there has been no looking back for him.

In May 1996, Eric retired from the nursing profession to form the 'Alien Abduction Counselling Centre', which is highly sought out both here in the UK and in the United States, for its work dealing with many 'missing time' victims. Enough so, that Eric is travelling over to America later in the year to meet with colleagues there and exchange information he has been collecting on odd hieroglyphic lettering.

Eric wanted to make two points absolutely clear in his lecture. One, that he has no hesitancy in saying that there definitely exists an "alien/human hybrid breeding program" and that two, "through regressive hypnotherapy", a practice he is fully qualified and fit to do, "we will find the key to the UFO phenomena and its release to the public."

George Wingfield then addressed the audience with a talk entitled "Are we under siege from

Unidentified Flying "Triangles?" before the lunch break. A seasoned researcher and former editor of the *Cereologist: Crop Circle* magazine, Mr. Wingfield trained at Trinity College in Dublin, Ireland.

He has travelled the world at length, researching on all bearings of the UFO phenomena. After returning from Australia, he took up a research project in what are, nowadays, called UFTs and he recited some of his evidence for their presence above us.

Amongst one of his more evident fears were that these objects have been seen, on numerous occasions, flying directly over nuclear power stations and he went on to itemise the observations above the Indian Plant, near to the Hudson River, Buchana in New York State, USA, during the 1970s and the early 1980s.

Linked in with this, he showed us some astounding slides of one-time secret stealth aircraft such as the Stealth-fighter, the B2 bomber, the SR-71 Blackbird and one object, quite unfamiliar to many present, code-named 'Tacit Blue' which has apparently made test flights above the notorious Groom Lake facility in Nevada, USA.

Whilst giving me the sense that many sightings in the US could be credited to secret military testing, he rejected my obvious question of military testing over this country,

ufo investigation magazine

In this special magazine launch issue of Global we have a plethora of fascinating information from around the globe. Be it flying triangles over Britain to the pyramids on Mars.

It is our aim to look upon every phenomenon with an open mind.

The purpose of this magazine is to provide you with information that would otherwise remain unknown. The fact of the matter is that you are not being told the truth about the UFO phenomenon. You are routinely told not to be bothered, that all sighting can be explained away and that no evidence exists, that is lie in itself. The truth is that UFO activity has never ceased and that the evidence to support this has never been stronger. As more and more government documents are being released people are forced to admit that we have been lied to, it is time for the truth to come out and it is the aim of this magazine to supply you with the latest developments on the ufo phenomenon and its implications.

It is the Quest for Truth.

See with your own eyes the beautiful patterns from the air, which has become the most amazing story ever. Who is behind this unexplained phenomena and what are these symbols mean? UFOCUS and other researchers has proven that there is a UFO connection, many crop circles are found the next morning after a reported UFO sighting, small balls of light are often seen in and around crop formations, 90 degree bended stalks, what are they trying to tell us? It's time to wake up and learn what on earth is going on.

## BIGFOOT IN SEARCH OF THE BEAST

Bigfoot is a fascinating "watch" investigation of all the evidence for the existence of North America's most mysterious creature including most of the most compelling original footage of Bigfoot himself. Experts analysis and reliable eyewitness accounts take a microscope to the legend that surrounds the existence of the Sasquatch, or the American Yeti. Since 1884 the Bigfoot story has created a stir in the science world and has provided elusive but intriguing theme in American folklore. This program is an extraordinary breakthrough in the search for bigfoot.

## UFO- SIGHTINGS & PHOTOGRAPHIC EVIDENCE

Since the dawn of written history sightings of strange objects and lights in the sky have been recorded by most civilizations. But only with the introduction of the instant camera in the 1940s did we compiling the physical proof an abundance of compelling photographs, capturing Unidentified Flying Objects on film, have been taken around the world since that time. This documentary also shows the discovery of UFO footage filmed by NASA and has proven that NASA is lying to us, see with your own eyes the activity of UFOs in outer space, for what they are saying is ice.

A portion of material is claimed to be officially sanctioned for release.

Is the government creating slave beings, based on exchanged Alien DNA, and technology? Is the New World Order nightmare scenario coming true, beneath our very feet? Did a disastrous Montauk style project go wrong at Bentwaters? Just how far is the NSA controlling other world government in "the program"? How well established are these rumoured alien Bases? How deeply is "our" government involved with the aliens? How or what are they? This and more is revealed in bases 2, a tape packed full of information which will shock you, just listen to what they have to tell you and how far it has come.

## THE ROBOTS REBELLION

The story of the spiritual renaissance

David Icke, one of the leading experts tells you: Who really controls the world and the daily lives of everyone in it? Who is behind the manipulation of the world's economic system, environmental destruction and the vicious provision of drugs to the young? Who is the blame for the suppression of spiritual knowledge and the engineering of wars and conflict across the globe? This massive cover up about the activities of UFOs and extraterrestrial beings on earth. All this, he says, is controlled by a sinister network of secret societies, which are themselves manipulated by a tiny elite pledged to a long-term plan for world domination.

**Running time: 123 min - fl 37.00**

## TURNING OF THE TIDE

Two hours that will change your life

David Icke exposes the real story behind global events which shape the future of human existence and the world we leave our children. Fearlessly, and often humorously, he lifts the veil on a astonishing web of interconnected manipulation to reveal that the same few people, secret societies and organisations control the direction of our daily lives. They engineer wars, violent revolutions, terrorist outrages and political assassinations; they control the world market in hard drugs and the media indoctrination machine. Some of the people involved are very well known. We are the power in everyone, We are the dance of the moon and the sun, We are the hope that will never hide, We are the turning of the tide. Excellent.

**Dear Fellow Seeker of Wisdom**

I feel that it is my duty to inform you of a rather disturbing situation that has arisen between BEAMS and the proprietors of the magazine *UFO REALITY*, along with their sister company *ARK SOUNDWAVES of GLASTONBURY*.

Several months ago, some important information came my way regarding the existence of an exceptionally interesting home video, which was reported to display an actual living alien entity. Surrounded by claims of a cover up -the film was virtually unheard of by the UFO Community at that stage and was not, (nor has been since that time), released commercially.

**The Plan**

With no time to lose, a coalition was formed between three interested BEAMS parties, with the view to purchasing, (and disclosing to the world), a copy of what may turn out to be the closest thing that we have so far in the way of ultimate proof for the existence of UFO's and Aliens.

A deal was struck, and three copies of this video tape were secretly made, one for each of the three researchers concerned, which included myself.

At the time these copies were handed over to us, we were warned NOT to show our tapes to anyone, as there was now CIA involvement, after they had put a block on the distribution and television rights to the video.

**Background**

The images were captured in Toluca, Mexico, in 1994 by one Maria Quevas, and represent what Jaime Maussan described as a; "*praying mantis-like creature, moving through a maize field*", [The creature has short horns, is internally lit and is rippling with an energy-field.].

After a great deal of UFO activity over the area the night before, the witness, whose apartment overlooks the field in question, noticed lights and movement, and grabbed her camcorder, quickly zooming in. What she saw through the viewfinder has changed her life..

Along with a university professor and several other accredited technicians, Jaime Maussan has computer analysed the Toluca film at length - and is convinced of its authenticity, so much so, that after showing the film at a conference in Washington D.C, in 1995, he proclaimed that; "this proves beyond all doubt that they are here and watching over us".

When Jaime presented this footage, there was a gasp of astonishment from the audience, and everyone must have automatically assumed that this evidence would be released in the form of a documentary by *GENESIS III*, the production company most often associated with UFO material originating from Mexico.

Yet this did not happen; everything has gone suspiciously quiet, and to this date the **ONLY** magazine to have made reference to any of this is *UFO REALITY*, but only about one line to the effect of "we are looking into the matter"..(The event happened in 1994, how much more time do they need?) Still, only very few investigators seem to be aware of this film, even so-called *International* bodies.

As BEAMS intends to stage a mammoth convention in Bradford on the 8th of November this year, and the fact that **WE WILL BE SCREENING ONE OF THE REMAINING TWO COPIES OF "THE TOLUCA ALIEN" VIDEO**, we attempted to gain some publicity by contacting *THE PEOPLE* newspaper about this amazing film.

#### Fallout

Sure enough, a reporter promptly arrived at our headquarters, and he was suitably impressed by what I had to show him. It was explained to me that , in order for *The People's* production team to obtain a "video grab" of the creature for a possible article, the reporter had to take the video away with him. Reluctantly I agreed, and he supplied me with a signed receipt for said.

However, after *The People* had finished with the tape they incorrrectly mailed it to **UFO REALITY** rather than BEAMS, for reasons that I cannot fathom.

Now UFO REALITY/ARK SOUNDWAVES have impounded the Toluca tape, and have held this material for some two months now, steadfastly refusing to return our property saying , and I quote "this is not your territory in the first place, -we believe that you have been making illegal copies of this cassette and selling them for profit."

I emphatically deny these allegations. Our only goal in purchasing the Toluca footage was to expose the truth. Obviously we have now fallen out with Jon King, David Duhig, and others connected to both UFO REALITY/ARK/SOUNDWAVES,

**I NOW URGE YOU THE READER TO ENQUIRE ABOUT THIS ISSUE, THEN SHOW YOUR FEELINGS IN THE APPROPRIATE MANNER AS BEAMS ARE NOW DOING]**

Just why should one company hold a monopoly  
over what should be the property of  
everyone?

I have since instructed UFO REALITY to remove the BEAMS name from their  
club listing section at the back of their magazine.

# THE VOICE OF THE KING

Of all those making noise on the UFO front, The Voice stands alone in the muddy waters, always looking over his shoulder for fear of being silenced, writes ANDY ROBERTS

**T**he silencers have been at it again. Yet another brave soul prepared to bear witness to the alien presence on Earth has been hushed up. Barry King might be unfamiliar to Forteaners, but he has got a long track record in the UFO subject. In the 1970s he was part of UFOIN, the legendary 'rapid response' investigation team set up by Jenny Randles. Along with Andy Collins, Graham Philips and Martin Keatman, he investigated some of the UK's most remarkable UFO cases yet, such as the Aveley Abduction. Indeed, King was the subject of one particularly bizarre CE4 case, the pseudonymous 'Paul Grant Affair' in which implants were placed in his cranium and chest cavity.

His co-investigators went on to psychic questing and books about the Holy Grail, Shakespeare, angels and Robin Hood while Barry went underground. Literally. Between 1979 and 1980, King alleges that he worked as a security guard in a top secret installation deep under the Berkshire countryside where he learned that 'super stealth' craft utilising technology gleaned from aliens were being tested on Salisbury Plain and elsewhere. He saw it with his own eyes, placing him in a situation analogous to the renegade physicist Bob Lazar, who claims to have back-engineered technology from captured UFOs into US 'black project' craft.

The plot thickens. During the mid 1990s King published a series of increasingly strange monographs under a new appellation.

Metamorphosis had taken place and King was now 'The Voice', referring to himself as such in the third person. The documents, also called *The Voice*, offered a potpourri of prime ufology including lists of ufologists being watched by the intelligence services because they were 'too close to the truth'. Conversely, King re-roasted the hoary chestnut about certain UFO researchers being 'plants' to help the same intelligence services manipulate the subject.

There was much more: remote viewing and ghost sightings were second nature to The Voice; as were the repeated and somewhat tiresome abductions in which he was 'taken' for periods of up to 62 hours at a time. *The Voice* is essential reading if accompanied by a good hit of sodium chloride. Get it (*The Voice* that is) from 27 The Green, Melbourn, Chelmsford, Essex, CM1 2BQ.

The Voice and his yarns were all heady stuff for the sleepy British ufological community to take in. But, together with *The X-Files* and the explosion in paranormal magazines in which truth is rarely a barrier to a good yarn, King has been influential to a slew of highly active ufologists including Matthew Williams, Miles Johnstone, Eric Morris and Richard Conway. Consolidating the American strand of the UFO mythos at grass-roots level in the UK, his ideas are turning up unquestioned in mainstream UFO literature, videos and conference lectures.

Yet life for a whistle-blower is far from easy. In the first issue of *The Voice*, King was proclaiming his mission to expose the evil machinations of the controllers and their craft, saying: "The Voice goes it alone, even threats to its physical body will not prevent The Voice from speaking." But that was before paranoia had set in. By early 1997 he was a worried man, taking no chances and choosing not to drive because he had been told that "hit and runs are the easiest and cleanest methods of silencing someone with no come backs or repercussions".

These worries might not have been entirely unfounded. In May 1997, King was booked to lecture on the subject of British Underground Bases at a conference in Burnley, Lancashire.

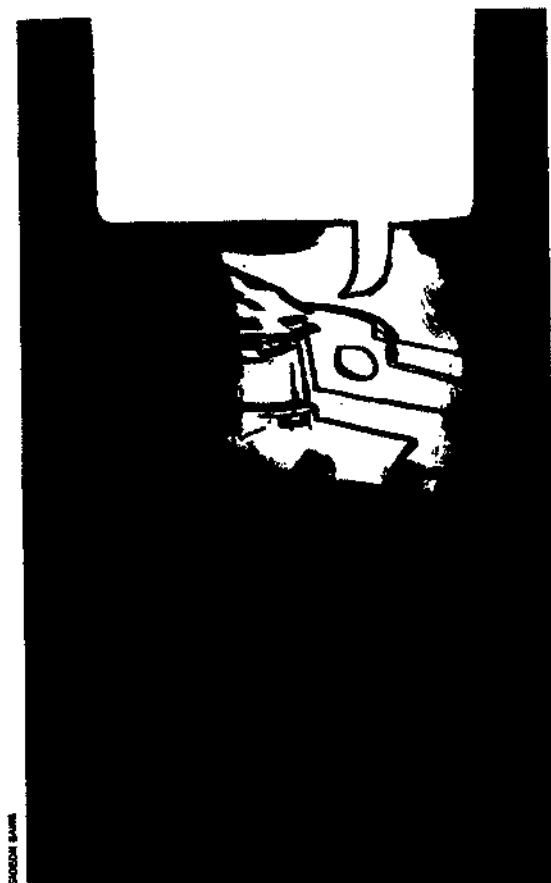

Following a promotional appearance on Radio Lancashire, King dramatically pulled out, claiming threats and a beating. A statement sent to the organisers LAPIS told of menaces such as: "Can it or face the consequences," and finishing with: "The threats are TERMINAL this time, they do not mince words, they mean it. Sorry." Heavy stuff, but as with much in ufology we are faced with the question of how much, if any, of King's story is actually true.

Sceptics might argue that it is King himself who is manipulating the more gullible researchers in the field, that he's as much part of the problem as the solution. Possibly. One of his slogans was: "Let us try to clear the muddied waters of ufology." A noble sentiment, but his tales of subterranean derring-do and subcutaneous implants have left the waters more clouded than ever. Perhaps we should take more notice of another of his pithy epigrams: "The puppets are mobile and it is we who pull the strings."

Like Bob Lazar and Armen Vitorian, King is but one of the many shadowy enigmas who stalk the fringes of mainstream ufology. Now you see them, now you don't. These cosmic Cassandras tantalise with hints of recondite knowledge, shamelessly flaunting their closeness to where it's really at; to where you want to be too. Prophetic or pathetic, their subtle influence on the subject is palpable and the ripples they are making will bounce around the scene for years to come, spawning more tall tales, creating and re-creating the subject of ufology in their own image. And perhaps that's what it's really all about. Maybe King and his ilk need ufology more than ufology needs them. You'd be right to be as sceptical about The Voice and his pronouncements as I am. But in this game you just never know exactly when and where the truth lies.

**NSA PROJECT 'MANNEQUIN' CONNECTION/NON LETHAL WEAPONS FIELD TESTS/RENDLESHAM**

FROM FIELD TESTS IN THE USA, MAINLY AT DUGWAY PROVING GROUND AND THEN ONTO TWO LOCATIONS IN NEW MEXICO, BETWEEN 1975 AND 1978, SPECIFIC PSYCHOTRONIC (NON LETHAL WEAPONRY SYSTEMS) WERE SHIPPED TO THE UK AND OTHER EUROPEAN COUNTRIES FOR FURTHER FIELD TEST EVALUATIONS.

THE TWO MAIN AGENCIES INVOLVED IN THE DEVELOPMENT AND DEPLOYMENT OF THESE SYSTEMS WERE THE NSA AND DARPA.

WHEN PEASEMORE BECAME FULLY OPERATIONAL IT WAS USED TO STORE, TEST, AND LOAN OUT THE SYSTEMS TO OTHER NSA RUN INSTALLATIONS.

A SUITABLE LOCATION WAS SELECTED DURING EARLY 1980 FOR FULL SCALE TESTING, IT WAS DECIDED TO USE A MILITARY RATHER THAN CIVILIAN 'TARGET' WITH CLOSE PROXIMITY TO AN NSA FACILITY, 3 AREAS WERE SHORTLISTED, BENTWATERS/WOODBRIDGE DREW THE SHORT STRAW. MACHINERY WAS PUT IN MOTION FOR A TIME WINDOW SOMEWHERE BETWEEN OCTOBER 1980 AND MARCH 1981, EVENTUALLY THIS WAS NARROWED DOWN, DUE TO POLITICAL PRESSURES/GLOBAL TENSIONS, TO DECEMBER 1980 THRU TO JANUARY 1981. PEASEMORE, ORFORD NESS, MENWITH HILL AND LONDON WERE ALL PUT ON HIGH READINESS.

A CONVOY OF NSA VEHICLES LEFT BERKSHIRE LATE ON CHRISTMAS EVE AND HEADED EAST TO SUFFOLK, ARRIVING AT ORFORD NESS IN THE SMALL HOURS OF CHRISTMAS DAY, EQUIPMENT AND 'SOFTWARE' WAS THEN PLACED INTO POSITION READY FOR 'SWITCH ON' AT AROUND THE TIME FRAME OF 22.00 HRS.....THE REST IS HISTORY, ALBEIT A DELIBERATELY CONFUSED ONE. PEASEMORE DURING THE PERIOD DECEMBER THRU JANUARY WAS, TO SAY THE LEAST, IN A FRENZY, SECURITY WAS TIGHTER THAN EVER.

EVEN WITH MAG ARTICLES, TV AND RADIO, UFOLOGY DOES NOT PAY, I SHOULD KNOW, I'VE BEEN IN THE FLIPPIN GAME 31 YEARS, SO HOW DOES HE PAY HIS WAY?

ITS TOUGH GOING, I WAS THERE, DOING FULL TIME RESEARCH/INVESTIGATIONS IN THE 1970'S, IT WAS NOT JUST JR AS MANY BELIEVE, I TOO SPENT 24 HOURS, 7 DAYS A WEEK IN UFOLOGY, SUPPLEMENTING WHAT LITTLE MONEY CAME IN FROM THE SUBJECT BY AGENCY WORK, TRUCK DRIVING AND THE LIKE.

SO HOW CAN THIS MILD MANNERED CHAP FROM WALES SUPPORT HIMSELF, INDEED SOME MAY WONDER.

I'M AFRAID TO SAY THAT I MISTRUST UFOLOGY AND MANY RESEARCHERS IN THE UFO COMMUNITY AS MUCH AS I MISTRUST THE INTELLIGENCE AGENCIES/MILITARY COMPLEX, I'M IN JUST AS MUCH 'DANGER' FROM UFOLOGISTS AS FROM THE BOZO'S AT THE NSA.

'RAF' WELFORD.....IN THE EARLY 1980'S THE TORY GOVERNMENT, AFTER MUCH HASSLE FROM CND AND FRIENDS OF THE EARTH, DECIDED TO REMOVE THE BASE ALTOGETHER FROM ALL MAPS, A WIERD ( OR WEIRD EVEN!!! ) AND PARANOID MOVE, THINKING IF THE BASE DID NOT APPEAR ON MAPS, IT DID NOT EXIST AND THEREFORE NO-ONE WOULD TRY TO CAUSE TROUBLE IN THE AREA!!.....DID THE IDEA WORK?, OF COURSE NOT.

TIM GOOD.....TIM, OH DEAR, OH DEAR, OH DEAR.....WHAT DOES HE GO AND HAVE TO SAY IN HIS LATEST BOOK, DUE OUT IN A COUPLE OF MONTHS....."THERE ARE NO UK ALIEN BASES".....TIMMY BABY, AINT YAH BEEN READING MA DOCUMENTS?.....EVIDENTLY BLOODY NOT.

## THE UNINVITED

**THE UNINVITED** presents the unthinkable possibility that the country's leading politicians, industrialists and opinion makers have been replaced by aliens, and no-one appears to have noticed.

**THE UNINVITED** is that rare beast, a serious science fiction drama for television. From an original idea by **Leslie Grantham**, it draws from such illustrious sources as *INVASION OF THE BODY SNATCHERS* and the cold war science fiction films from America in the fifties like *INVADERS FROM MARS*. Not since the late fifties, early sixties, with shows such as *Quatermass* and *1984* etc., has British television produced serious science fiction. The success of *Dr. Who* relegated the genre to early evening slots aimed at kids and teens.

**THE UNINVITED** which will be transmitted late September in the ITV Drama Premiere slot, is the first (in a long, long time) serious attempt at good science fiction/conspiracy theory drama.

Starring **Douglas Hodge**, **Leslie Grantham**, **Lia Williams** and **Sylvestra Le Touzel**, it is written by **Peter Bowker** (*Casualty*, *Peak Practice*, *Out of the Blue*), directed by **Norman Stone** (*Shadowlands*, *The Black Velvet Gown*) and produced by **Ruth Howell** (*The Chief*) for Zenith Productions. **Archie Tait**, of Zenith, and **Leslie Grantham** are Executive Producers. It was filmed entirely on location in East Anglia.

**Douglas Hodge** plays photographer Steve Blake who investigates a series of mysterious deaths and disappearances in the belief that he has uncovered a high level conspiracy and cover up. The conspiracy is in some way linked to the ghostly drowned village of Sweetthope and central to it is Chief Inspector Gates, played by **Leslie Grantham**.

At first Blake, assisted by his ex-wife, journalist Joanna Ball (**Sylvestra Le Touzel**) suspects that he has stumbled upon a Ministry of Defence experiment which has run out of control, but inexorably he and Gates's ex-wife Melissa (**Lia Williams**) are led to the conclusion that the force behind the conspiracy may not be human.....

As Blake draws closer to the truth, his own life and the future of the planet is at stake. Any lingering doubts about his seemingly incredible theory are quashed by a cataclysmic nuclear accident. The unthinkable has already started to happen.....

Web site address: **The Uninvited.Co.UK**

A novelisation of the series by **Paul Cornell** will be published by Virgin on 16 October price £5.99

DID YOU SEE THIS 4 PART DRAMA?

I THOUGHT IT WAS QUITE GOOD, A VERY PREDICTABLE ENDING, BUT VERY WELL DONE, HANDS UP THOSE OF YOU WHOM RECOGNISED THE BASE USED IN THE FINAL EPISODE... FAR FETCHED YES, BUT GOOD DRAMA NEVERTHELESS.

# THE VOICE.....SECOND TENURE AT AL/499 NOVEMBER 1980 TO JANUARY 1981

AFTER MY FULL RECOVERY FROM A MAJOR HEART ATTACK ON 9TH MAY 1980 I DECIDED TO STAY ON AND START LIFE ANEW IN DAGENHAM, IN FACT BY LATE AUGUST I GOT BACK INTO UFOLOGY.

SPEAKING TO A LOCAL NEWSPAPER ABOUT THE NATIONAL HOTLINE I SET UP 3½ YEARS EARLIER AND THAT I WAS SHUTTING IT DOWN, THEY PRINTED A SMALL ARTICLE THE FOLLOWING WEEK, THIS WAS PICKED UP BY VARIOUS MEDIA INCLUDING THE BBC, WHOM BEING SUFFICIENTLY INTERESTED CONTACTED ME WITH A VIEW TO FILMING A SHORT PIECE FOR THEIR 'NATIONWIDE' PROGRAMME.....WHICH INDEED AIRED IN EARLY SEPTEMBER.

MY EVIDENT HEALTH IMPROVEMENT AND RESTARTING ACTIVITIES IN THE UFO FIELD DID NOT GO UNNOTICED BY THE PROGRAM, 'MANNEQUIN' LAID PLANS TO AGAIN SEE ME AS A SECURITY THREAT AND CERTAIN PROCEDURES WERE PUT INTO ACTION.

AGAINST BETTER JUDGEMENT PERHAPS I MOVED BACK TO MY HOME IN THE COTSWOLDS IN EARLY NOVEMBER OF 1980, WITHIN DAYS I WAS 'INTERVIEWED' BY OPERATIVES AND I FOUND MYSELF ONCE AGAIN AT THE INSTALLATION AS SECURITY OFFICER, MY CLEARANCE WAS UPGRADED, NO REASON GIVEN, AND OFF WE WENT AGAIN WITH FURTHER 'INDOCTRINATION'.

BASE SECURITY SEEMED VERY TIGHT, TIGHTER THAN IT APPEARED BEFORE, THERE WERE NOW CERTAIN AREAS I COULD NOT GAIN ACCESS TO, AREAS WHERE BEFORE I HAD NO PROBLEM, ADDED TO THAT TO MAKE SURE I WAS KEPT OUT OF SPECIFIC AREAS MY ID BADGE WAS ONE OF THE NEWER TYPES, AN RF TYPE, OR 'ACTIVE BADGE', THIS CONTAINED A TINY CHIP THAT PICKED UP FREQUENCIES SENT OUT BY THE SENSORS SCATTERED ABOUT THE PLACE, IF THE BADGE, AND THEREFORE BADGE HOLDER, WAS IN AN OFF LIMITS AREA MAIN SECURITY WOULD KNOW IMMEDIATELY.

TENSION WAS VERY APPARENT DURING LATE NOVEMBER/EARLY DECEMBER, THE BASE WAS PUT ON HIGH ALERT DURING THIS TIME, MOVEMENT OF PGLF'S WAS RESTRICTED ALSO DURING THIS TIME, THUS I ESCORTED VERY FEW OF THEM AROUND DURING THIS TIME FRAME.

THE WEEK LEADING UP TO CHRISTMAS WAS VERY HECTIC, SECURITY WAS DOUBLED, THERE WAS A LOT OF COMING AND GOING BY CERTAIN OVERSEAS PERSONNEL, THE LABS WERE SHUT DOWN FOR A PERIOD WHILST SOME WORK WAS BEING CARRIED OUT, IT SEEMED THAT BEDLAM WAS THE ORDER OF THE DAY, THERE WAS CLEAR PANIC ON THE FACES OF MANY OFFICERS.

OBVIOUSLY LOTS OF RUMOURS FLEW ABOUT BUT NO ONE KNEW WHAT THE HELL WAS GOING ON, SECURITY HAD NO NEED TO KNOW, SO MANY WILD STORIES BEGAN TO CIRCULATE, INCLUDING ONES ABOUT IMMINENT ATTACK AND THE BASE WAS BEING PREPARED FOR NCBW INTRUSION!.

FRANTIC AND HIGH TENSION WOULD DESCRIBE ACTIVITIES AND THE MOOD AT THE BASE IN LATE DECEMBER AND ALL THRU JANUARY OF 1981, I DO NOT RECALL MUCH AFTER THE 2ND WEEK IN JANUARY AS ONE SHIFT WAS ABOUT TO BEGIN FOR ME WHEN I WAS TOLD TO REPORT TO LAB 1 TO ASSIST, HOWEVER ONCE I REACHED THE LOCATION MEMORY WAS LOST AND MY NEXT RECALL WAS BEING AT HOME IN BED WITH BRUISES TO MY ARMS AND SEVERE HEADACHE.

A VISITOR FROM THE BASE CAME TO CHECK ON ME SOME DAYS LATER, I DID NOT KNOW WHO THE PERSON WAS AS HE EVADED MANY QUESTIONS, BUT SEEMED SATISFIED AT MY CONDITION AT ABRUPTLY LEFT.

CONTINUAL NIGHTMARES PLAGUED ME FROM THAT TIME AND I EVENTUALLY FOUND MYSELF BACK IN DAGENHAM TO TRY AND ESCAPE THE SITUATION, IT WORKED TO A DEGREE, THE NIGHTMARES EASED A BIT AND THE SEVERE HEADACHES DIMINISHED IN THEIR FREQUENCY....LIFE WENT ON.

## THE SAGA OF THE GREEN MERCEDES

DBA 919K

READERS CAN REFER TO THE 100+ PAGE REPORT "THE PAUL GRANT AFFAIR" WRITTEN BY ANDY COLLINS IN 1978 FOR DETAILS, ALSO IN THIS REPORT ARE THE ORIGINAL LETTERS FROM CITIZENS ADVICE BUREAU AND SALFORD COUNCIL RE THE ABOVE VEHICLE, WHEN CHECKS WERE MADE TO ASCERTAIN THE OWNERS DETAILS.

AT THE TIME OF THIS SAGA WITH THE GREEN MERCEDES, IT WAS BELIEVED, BY A FEW COLLEAGUES, THAT I WAS EXPERIENCING SOME FORM OF MIB, MEN-IN-BLACK ACTIVITY, ME, WELL, I JUST DID NOT KNOW WHAT THE HELL WAS GOING ON, ALL I KNEW WAS THAT IT WAS AT TIMES FRIGHTENING, THE CAR CHASES, BEING DRIVEN OFF THE ROAD, ETC, IT WAS CERTAINLY SOMETHING I COULD NOT EXPLAIN IN RATIONAL TERMS.

OBVIOUSLY I DID NOT KNOW THEN THAT THE VEHICLE BELONGED TO NSA OPERATIVES, AND THAT WITHIN A COUPLE OF WEEKS FROM THE FIRST ENCOUNTER WITH THE MERCEDES I WOULD BE INDUCTED INTO THE PROGRAM.

IN ALL OVER 30 DIFFERENT, INDIVIDUAL WITNESSES SAW THE CAR AND ITS OCCUPANTS DURING THE TIME FRAME OCTOBER 1972-SUMMER 1976, DAYTIME, NIGHTTIME, IN VARIOUS LOCATIONS.

THE VEHICLE WAS FILMED, USING COLOR 8MM CINE FILM, FOR SEVERAL SECONDS, AT CLOSE RANGE, DURING APRIL OF 1974, IN DAYLIGHT.....THE FILM WAS DESTROYED SOON AFTER.

JUST AS MY UFO TYPE ENCOUNTERS WERE, AND STILL ARE, BEING IGNORED BY THE UFO COMMUNITY, EQUALLY SO HAS THIS 'MIB' TYPE ACTIVITY BEEN IGNORED, AS IF NOTHING HAPPENED. GENUINE EXPERIENCES OF THIS SORT IN THE UK HAVE BEEN DETAILED BY JENNY RANGLES IN HER RECENT BOOK "MIB" BUT OF COURSE MY OWN EXPERIENCES WERE NOT GIVEN ANY CONSIDERATION.....DON'T ASK ME WHY, ITS JUST HOW THINGS HAVE ALWAYS BEEN. ITS AS IF HIGH PROFILE RESEARCHERS ARE AFRAID TO USE MY DETAILS....SO THERE WILL NEVER BE A COMPLETE PICTURE OF EITHER MIB CASES OR INDEED CLOSE-ENCOUNTER CASES IN THE UK WHILST MY EXPERIENCES ARE CONTINUALLY SWEEPED UNDER THE CARPET, I'M NOT OVERLY WORRIED, JUST PISSED OFF WITH THE SITUATION OF NON ACKNOWLEDGEMENT OVER THE YEARS....I DIDN'T THEN AND DO NOT NOW MAKE A SONG AND DANCE ABOUT THESE THINGS BUT I DEPLORE THE WAY MAINSTREAM UFOLOGY ACTS AS IF THESE EVENTS AND EXPERIENCES DID NOT HAPPEN.....EVEN JENNY ADMITS TO, AND PRINTS DETAILS OF A LOW PRIORITY LITS TYPE OF SIGHTING SHE HAD YEARS AGO.....ITS NOT AS IF RESEARCHERS DO NOT EVER SEE AND REPORT THINGS.....ESPECIALLY THESE DAYS!!!

# THE VOICE

ISSUE 32 OCTOBER 1997

MY REGULAR READERS I KNOW WILL COPY AND RE-DISTRIBUTE THIS ON A FAR AND WIDE BASIS, NEWCOMERS TO THE SCENE MAY OR MAY NOT BE SO INCLINED TO PUT THEMSELVES OUT, BUT EVERY LITTLE HELPS.

FROM A VERY HUMBLE BEGINNING OF ONLY A HANDFUL OF COPIES BEING SENT OUT, OVER TIME THIS HAS INCREASED TO DRAMATICALLY, IN FACT THE TOTAL NUMBER OF COPIES OF DOCUMENT 31 SENT OUT AROUND THE GLOBE CAME TO..... 155....AND NEW ENQUIRIES ARRIVE WEEKLY.

THE SHEER WORKLOAD TO PRODUCE, COPY, AND THEN SEND OUT 155 COPIES OF SAY A 20 PAGE DOCUMENT ARE AS YOU CAN IMAGINE HORRENDOUS, AND IF IT WAS NOT FOR THE DIRECT HELP OF A FEW DIEHARD INDIVIDUALS THE TASK WOULD BE VIRTUALLY IMPOSSIBLE. MY SINCERE THANKS TO THE FOLLOWING FOR ASSISTING WITH COPYING AND POSTING OUT THE VOICE.....

MILES JOHNSTON OF LONDON  
GRAHAM WILSON OF BATLEY, WEST YORKSHIRE  
MARTIN LEIDERHOFF OF GERMANY

YEP, THE NET IS AT FULL STRETCH AGAIN, MANY THANKS.....USUAL CLICHE'S NOW.....

# THE VOICE

IRISH UFO RESEARCH CENTRE

12/2/98  
13/98**"THE VOICE" ON NETWORK TV: WELL, ALMOST.....**

IT ALL BEGAN ON WEDNESDAY 7TH JANUARY. DAN AND THEN GRAHAM (SPUR) WERE CONTACTED BY RAPIDO TV REGARDING AN MIB SLOT THEY WERE PUTTING TOGETHER FOR CHANNEL 4, THE FORTEAN TV PROG.

BOTH MEN MENTIONED MY NAME AND EVENTUALLY THE RESEARCHER ADRIAN MADDOX AND HIS PRODUCER INTERVIEWED ME OVER THE PHONE THAT EVENING. THEY WANTED TO SEE THE VOICE DOCUMENTS AND HEAR IN DETAIL MY RUN-INS WITH MIB TYPES. ARRANGEMENTS WERE MADE FOR ADRIAN TO CALL ROUND AND INTERVIEW ME IN DEPTH THE NEXT DAY. HE ALSO WISHED TO SEE THE DOCUMENTS AND DO SOME PRE-PRODUCTION FILMING. THIS TOOK PLACE THURSDAY EVENING 8TH JANUARY.

I MADE IT PERFECTLY CLEAR THAT SHOULD THEY WISH ME TO TAKE PART IN THE PROG CERTAIN SAFEGUARDS WOULD HAVE TO BE MET, I WOULD ONLY BE FILMED IN SHADOW, AND THAT MY VOICE WOULD HAVE TO BE DIGITALLY CHANGED, WITH NO REFERENCE TO MY REAL NAME.....ALL WAS AGREED UPON.

BETWEEN FRIDAY THE 9TH JANUARY AND WEDNESDAY THE 14TH THERE WERE NUMEROUS PHONE CALLS BETWEEN RAPIDO AND MYSELF ORGANISING THE INTERVIEW, THE ACTUAL FILMED INTERVIEW TOOK PLACE ON THE EVENING OF THE 14TH AT MY HOME.

THE RAPIDO FILM CREW, INCLUDING ADRIAN AND THE PRODUCER, 6 GUYS IN ALL, DULY ARRIVED AT ABOUT 7PM, CHOPPING AND CHANGING THE FURNITURE IN THE LOUNGE, FIXING UP BACKLIGHTS, ETC, ETC, TOOK ABOUT 45 MINUTES OR SO, THE FILMING ITSELF WENT ON FOR ABOUT AN HOUR, BY THE TIME IT WAS ALL WRAPPED UP IT WAS ALMOST 9PM, EVERYONE THOUGHT THE INTERVIEW WENT VERY WELL, NERVEWRACKING BUT WENT WELL.

TWO DAYS LATER, THE 16TH, THE FIRST OF THE NEW SERIES OF FORTEAN TV AIRED, AND THAT MORNING I RECEIVED IN THE POST COPIES OF THE RELEASE FORMS FROM RAPIDO.

THE LAST PHONE CALL I RECEIVED FROM ADRIAN WAS ON THE 20TH, JUST TO CLARIFY ONE OR TWO POINTS FOR THE PROG, ALL WAS SET AND READY IT SEEMS.

FRIDAY EVENING, THE 23RD, GRAHAM TELEPHONED TO SAY THAT THE MIB FEATURE WOULD BE ON NEXT WEEKS PROGRAMME.

FRIDAY 30TH JANUARY, 8PM, CHANNEL 4, I SAT NERVOUSLY IN FRONT OF THE TV, AS DID MY FAMILY, AS DID I'M SINCE TOLD, BY QUITE A FEW UFOLOGISTS, THE MIB PART WAS SQUEEZED INTO A TINY SECOND HALF OF THE PROG, EVERYONE ELSE WAS THERE, BUT AS THE CREDITS ROLLED BY AND THE JOVIAL LIONEL FANTHORPE SANG HIS LITTLE SONG AT THE END, I SAT THERE SPEECHLESS, OTHER THAN MUTTERING THE PHRASE.....  
"WHAT THE FUCK HAPPENED THERE THEN?".

THE RUMOURS STARTED THICK AND FAST VERY SOON AFTER 8.30PM THAT FRIDAY NIGHT, I RESOLVED TO PHONE RAPIDO ON THE FOLLOWING MONDAY MORNING AND ENQUIRE AS TO WHAT HAPPENED TO MY INTERVIEW.

THE RUMOURS, SOME CREDIBLE, SOME DAMNRIGHT RIDICULOUS, CONTINUED OVER THE WEEKEND.

..... EDITORIAL CONTINUED .....

I PHONED RAPIDO BRIGHT AND EARLY ON THE MONDAY MORNING, UNFORTUNATELY ADRIAN WAS NOT IN THE OFFICE, SO I CASUALLY LEFT A MESSAGE FOR HIM TO RING ME BACK, BY THE END OF THE DAY HE HAD NOT RETURNED MY CALL SO I PHONED AGAIN, AND GOT STRAIGHT THRU TO HIM.

HE SOUNDED A LITTLE GUILTY, A LITTLE SHEEPISH WHEN HE APOLOGISED FOR MY INTERVIEW NOT APPEARING, ESPECIALLY AFTER ALL THE TROUBLE EVERYONE HAD GONE TO TO ORGANISE IT. WHEN PUSHED AS FOR THE REASON HE APPEARED VERY FLUSTERED AND REALLY WANTED TO SKIRT AROUND THE ISSUE, WHEN PUSHED EVEN FURTHER HE ADMITTED THAT THE INTERVIEW WAS A BIT TOO CONTROVERSIAL FOR THIS FORMAT, SO CHANNEL 4 HAD DITCHED IT, HE SOUNDED VERY APOLOGETIC AND EMBARRASSED ABOUT IT ALL, HE SAID SORRY AND RANG OFF.

AT FIRST RAPIDO WANTED TO INTERVIEW JIM TEMPLETON FOR THE PROG BUT HE WAS ILL, ALL OF THE OTHER CHARACTERS I WAS INFORMED ABOUT WERE ON, INCLUDING THE SECURITY GUARD (JAN '97 MIB CASE), NICK POPE AND JENNY RANGLES, THEN I'M TOLD DURING THE CONVERSATION WITH ADRIAN ON THE 2ND OF FEB THAT JIM SUDDENLY GOT BETTER AND HIS INTERVIEW TOOK PLACE AFTER ALL, ADRIAN FUDGED AROUND SAYING TIME DID NOT ALLOW MY INTERVIEW ANYWAY, SO.....

WELL, THOSE OF YOU WHOM WATCHED THE PROG WILL NO DOUBT AGREE THAT THE FIRST, AND LONGEST, HALF OF THE PROG CONTAINED CRAP THAT COULD HAVE BEEN USED IN ANY OTHER PROG IN THE SERIES.....TIME RUNNING OUT DOES NOT RING TRUE TO ME, I'M AFRAID.

CHANNEL 4 PULLED MY INTERVIEW FOR THEIR OWN REASONS, ADRIAN TOLD ME THE CHANGES WERE VERY HURRIEDLY MADE ON THURSDAY THE 29TH JAN, THE DAY BEFORE.

INCIDENTALLY, AND CO-INCIDENTALLY, I RECEIVED A PHONE CALL OUT OF THE BLUE FROM MATT WILLIAMS OF TRUTHSEEKERS IN SOUTH WALES, I HAD NOT HEARD FROM HIM IN MANY A MONTH!!.

WELL, THATS IT, MY BIT IN THE PROG WAS PULLED AT THE LAST MINUTE FOR A VARIETY OF REASONS IT SEEMS, EVEN THOUGH A GREAT DEAL OF TIME, EFFORT AND MONEY WENT INTO IT, GETTING THE CREW TO MY HOME AND FILMING IS NOT EXACTLY A CHEAP THING TO DO.

CHANNEL 4 IN THEIR WISDOM TOOK CONTROL AND PULLED MY INTERVIEW BECAUSE MY STATEMENTS WERE TOO CONTROVERSIAL FOR THE GENERAL PUBLIC OF THE UK TO TAKE IN, FAIR ENOUGH.

A POSSIBLE TIE-IN REASON WHY MY INTERVIEW WAS PULLED FROM THE SCHEDULE..... I'M RELIABLY INFORMED THAT SAID CHANNEL 4 ARE PUTTING TOGETHER ( MAY ALREADY BE DONE, AWAITING AIRING) A UFO DOCUMENTARY WITH A DIFFERENCE, THIS ONE WILL TRY VERY VERY HARD TO DEBUNK THE SUBJECT OF UFO'S AND UFOLOGY IN GENERAL, IN A VERY BIG WAY.....WE SHALL CONSIDER OURSELVES SUITABLY FOREWARNED.

SO, THE VOICE NEARLY MADE IT, BUT ONCE AGAIN THE POWERS THAT BE SAID NO! AND, ER, NO, I DO NOT BELIEVE I WAS PULLED FROM SCHEDULE BY GOVERNMENT OR INTELLIGENCE AGENCIES, MY CASE WOULD HAVE BEEN PROVEN THEN..... NEVER MIND, THERE WILL ALWAYS BE ANOTHER TIME.

C : "BASES 2, I KNOW ABOUT THAT, WE HAVE SEEN IT"

WHO THEY ARE, WHERE THEY ARE, AND WHAT THEY DO  
( FOR THE FINAL TIME )

ORIGINALLY A BUNCH OF 8 GUYS WORKING FOR THE DIS (DEFENCE INTELLIGENCE STAFF), IN THE 2 SECTIONS KNOWN TO ME, THE 8 WERE PRUNED DOWN TO 6 AFTER 2 OPERATIVES WERE CAUGHT IN A VERY RESTRICTED AREA WITH DATA AND WERE 'TRANSFERRED AS THEY HAD BECOME SECURITY RISKS'.

FROM THESE 6 INDIVIDUALS, 5 ARE STILL WORKING FOR THE CROWN AND ONE IS RETIRED NOW, THEY FORMED A LIAISON WITH SEVERAL CIVILIAN RESEARCHERS IN ORDER TO LEAK INFORMATION INTO THE PUBLIC DOMAIN WHILST KEEPING THEMSELVES WITHIN THE SAFETY NET, I BECAME ONE OF THOSE RESEARCHERS IN 1988.

DI-8 DO NOT LIKE THE NOR FEEL THE NEED FOR SUCH TOP SECRET HANDLING OF THE 'UFO SITUATION'.....THE WAYS AND METHODS USED BY GOVERNMENT TO KEEP THE LID ON SO TIGHT ARE VERY MUCH DISLIKED BY THEM.

AS LONG AS THEY ARE NOT COMPROMISED THEY WILL CONTINUE TO ASSIST VARIOUS PEOPLE WITH INSIDER INFORMATION.

FOR THE PURPOSES OF THIS ITEM DI-8 ARE BASED IN LONDON.

EVEN THOUGH THEY HAVE TAKEN A BACK SEAT AS FAR AS MY DISCLOSURES GO, ESPECIALLY AFTER ISSUE 29/30, THEY STILL KEEP IN TOUCH, THEY STILL RECEIVE COPIES, THEY STILL PASS ON AND RETRIEVE DATA, THEY SAY THAT THEY WILL REMAIN SO AS LONG AS IT HELPS AND PROVES USEFUL TO THEM.

DI-8 KNEW IT WOULD BE AN UPHILL STRUGGLE FEEDING THE DATA INTO THE PUBLIC DOMAIN BY WAY OF THEIR WHISTLE-BLOWERS AS THE UFO COMMUNITY TEND TO BE RATHER SLOW WHEN IT COMES TO SUCH DISCLOSURES, WHAT WITH THE INFIGHTING AND BACKBITING WITHIN UFOLOGY THEY KNEW IT WOULD NOT BE EASY FOR INDIVIDUALS SUCH AS MYSELF TO BECOME THEIR MOUTHPIECES....AS 'MIKE' OFTEN SAYS...."THOSE BLOODY PILLOCKS DON'T HAVE A CLUE, 50 BLOODY YEARS AND WHERE HAS IT GOT THEM?....SAD LITTLE SHERLOCK HOLMES IS WHAT MANY OF THEM ARE.....THEY DON'T LISTEN, DON'T USE THEIR EYES.....HALF OF THEM HUDDLED ON HILLTOPS WITH ANORAKS!!!.....GOD BLESS 'EM".

ONE FINAL THING, DI-8 HAVE EXPRESSED CONCERN OVER CERTAIN TRENDS WITHIN UFOLOGY, AND CERTAIN INDIVIDUALS, SO MUCH SO THAT I AM NOW KEENLY OBSERVING THESE, THEY ARE NOW UNDER MY CLOSE SCRUTINY.

THE MEN IN BLACK.....  
THEY ARE AT IT AGAIN.....

BE IT THE MIB FROM THE MINISTRY, OR NSA OPERATIVES, OR EVEN UFO RESEARCHERS OUT FOR A LAUGH, THOSE ENIGMATIC BODS ARE DOING THE ROUNDS.....

WHOM WERE THE 3 MEN THAT PAID A VISIT TO UFOLOGIST GRAHAM WILSON ON THE EVENING OF TUESDAY FEBRUARY 3RD AT AROUND 8.15PM, KNOWING FULL WELL HE WAS AT WORK THEY CALLED AND QUESTIONED HIS PARTNER IN TYPICAL MIB FASHION.....

GRAHAM, FOUNDER OF THE SPUR NETWORK (SEE CLASSIFIEDS PAGE FOR DETAILS), RELATED THE DETAILS OF THE MENS VISIT TO ME THE NEXT DAY, HE ALSO SPOKE TO TONY DODD OF QUEST INTERNATIONAL. THE VISIT MAY HAVE BEEN SIMPLY AN OUT OF THE BLUE ONE, OR IT COULD HAVE SOMETHING TO DO WITH HIS ASSOCIATION WITH MYSELF AND MY DISCLOSURES, OR ANOTHER STRONG POSSIBILITY IS THAT HE GAVE DETAILS OVER THE AIR ON TALK RADIO THE EVENING BEFORE THE VISIT RE A STRANGE SET OF DOCUMENTS HE RECEIVED IN THE POST, 8 PAGES OF DATA I'VE YET TO SEE.

THE 3 MEN, AS DESCRIBED BY GRAHAMS PARTNER.....TWO WERE ABOUT 6FT TALL, THE THIRD SLIGHTLY SHORTER AT ABOUT 5FT 10INS, ONE HAD A SMALL BEARD, ONE SPOKE WITH AN AMERICAN ACCENT, ALL THREE WERE SMARTLY DRESSED, NO I.D. WAS OFFERED BY THE MEN, THEIR AGES APPEARED TO BE IN THE 35-40 RANGE, THEY ASKED A NUMBER OF QUESTIONS BEFORE STATING THAT THEY WOULD CALL BACK, THEIR MODE OF TRANSPORT, A 'SPACE CRUISER' TYPE OF VEHICLE WAS PARKED DISCREETLY FURTHER ALONG THE ROAD, THIS DARK COLORED CAR'S REGISTRATION WAS UNFORTUNATELY, NOT OBTAINED. THE 3 MEN STATED IF GRAHAM DID IN FACT LIVE AT THAT ADDRESS, THEY ACTUALLY USED HIS FULL NAME, INCLUDING HIS MIDDLE ONE, NOT GENERALLY USED, THAT WAS FOLLOWED BY QUESTIONS ABOUT HIS RESEARCH, MEMBERSHIP, FILES, CURRENT INVESTIGATIONS, ETC.

THE 3 MEN KNEW WHOM GRAHAM WORKED FOR AND WHERE HE WAS WORKING THAT DAY, THEY SEEMED INTERESTED IN WHAT TYPE OF RESEARCH HE WAS DOING, HIS ASSOCIATES, GENERAL STUFF REALLY.

THIS IS THE GIST OF THEIR VISIT, I MAY BE ABLE TO RELATE MORE LATER ON, WELL, COULD BE SOMETHING, COULD BE NOTHING, GENUINE MIB'S, ARROGANT NSA OPS, OTHER RESEARCHERS PISSING ABOUT WITH NOTHING BETTER TO DO, OR MAYBE SOMETHING ELSE ENTIRELY. WHO KNOWS.

WITH GRAHAM'S PERMISSION SOUGHT I DECIDED TO ENLIST THE ASSISTANCE OF A COUPLE OF CONTACTS IN ORDER TO TRY AND FIND THE IDENTITIES TO THE MEN, ANYTHING THAT COMES BACK TO ME I'LL RELATE IN A FUTURE DOCUMENT.

HOPEFULLY, SOMETIME IN THE NEAR FUTURE, I WILL BE ALLOWED TO RELATE THE DETAILS SUPPLIED TO ME IN CONFIDENCE BY TWO RESEARCH WORKERS AT GEC/MARCONI DEFENCE SYSTEMS LOCALLY, OF THE TYPE OF WORK THEY WERE ENGAGED IN AND THE SUBSEQUENT VISITS BY OFFICIALS AND THE WARNINGS ISSUED TO THEM AFTER SPEAKING TO ME OVER A PERIOD OF TIME DURING 1995/6, THEIR LAST COMMUNICATION WAS DURING AUTUMN OF LAST YEAR, AND THEY WERE STILL BEING SUBJECTED TO 'SOME HASSLE'.

\*\*\* THINGS ARE BUZZING AT THAT VERY ESTABLISHMENT RIGHT NOW HERE IN CHELMSFORD, WHAT WITH THE TENSION IN THE GULF.....A TOTAL SECURITY CLAMPDOWN IS IN EVIDENCE THERE, FROM WHAT I'VE LEARNED OF SOME OF THE CONTRACTS AT GEC/MARCONI THERE ARE A NUMBER OF THINGS THAT WOULD BE OF DIRECT INTEREST TO UFOLOGISTS.

\*\*\*\*\* YES, THANKYOU MARTLESHAM HEATH, I KNOW THE PHONE LINE'S DIRTY \*\*\*\*\*

**THE HIRAM KEY**  
by Christopher Knight & Robert Lomas

Two English Freemasons, Christopher Knight and Robert Lomas, dissatisfied with lack of detail on the origins of "the Craft" and its rituals, set out on a research project that uncovered more secrets than they expected. Their journey of discovery is the subject of their book, *The Hiram Key*. Knight and Lomas were intrigued that a key figure in Freemasonry, as in the Third Degree Master Mason ritual, is Hiram Abif, reputedly the chief architect of the Temple of Solomon who was murdered after refusing to divulge the Craft's secrets. But they could find no evidence of his existence—until they found parallels in the murder of King Seqenenre, which ended the Egyptian Middle Kingdom and the 'divine right' king-making rituals that originated in Sumeria. In the process, they stumbled upon the meaning of the Egyptian words whispered during the Third Degree ritual. Not content to stop there, they found evidence for the divine king-making tradition being directly transplanted to Jerusalem, with the Egyptian event reworked to include the Temple of Solomon and Hiram Abif; and that this same ritual was recorded by the Essenes of Qumran and practised by Jesus.

...that in the Temple of Jerusalem in 70 AD, the Romans burned their secret Masonic temple, Herod's Temple—but that the Knights Templar found and removed them in the 13th century. The Templar legacy was transferred to secret protectors later associated with the Scottish Freemasons. The authors suggest that those very secrets are buried under the 15th century Rosslyn Chapel, a Templar church near Edinburgh, Scotland, whose foundations were based on Herod's Temple. Knight and Lomas fill in many gaps in occult history, but we suspect there is much more yet to be revealed.

**MIND CONTROL/WORLD CONTROL**

This latest book by veteran conspiracy researcher Jim Keith is an overview of mind control as a tool of the New World Order. There's nothing new in the idea of world domination through mind control, but the technical leaps of the last 60 years have increasingly refined the available measures of control—over individuals and the masses. Keith sets the tone with reference to the historical roots of the war for the mind, covering the role of the Illuminati, the Skull and Bones society, the Freemasons, the British Round Table, the RIIA and Tavistock Institute. He explains the development of early forms of mind control in education, psychiatry and social engineering which are

still basic tools of the control process. The story of the CIA on the subject is told in a brave but not groundbreaking fashion, with psychoactive drugs and advanced electronics within secret experimental programs like MK-Ultra. Their experiments to create programmed assassins seem to have worked, and now include what Keith calls "berserkers"—people who go on killing sprees for no apparent reason. Keith covers this subject all too briefly; nor does he give much space to the experiences of a growing number of disenfranchised people claiming to be victims of microwave harassment. The application of these brave new technologies is global, as Keith illustrates with reference to the Russian "Woodpecker" system, the HAARP and GWEN projects, and EM and/or scalar wave 'warfare' witnessed in the Australian outback in recent years.

Disinformation is a tool of mind control, and Keith warns that it is rife in the field of ufology. Indeed, the technology exists to induce alien abduction experiences. Yes, everything's weird and getting weirder, but, as Keith suggests, if we could only free ourselves from our limiting beliefs and delusions, we might well thwart the plans of the control freaks who would rule the world.

The deceitful dealings of the US Food and Drug Administration (FDA) have received some exposure over the years, but this book, *Innocent Casualties*, presents a personal angle by focusing on one small health supplement manufacturer, True Health, and its management's struggles against the giant, profit-motivated agency.

Author Elaine Feuer, a medical researcher in print, film and TV media as well as a criminologist, leaves us in no doubt that the FDA is an "undercover dictatorship". Far from having our health at heart, it is intent on denying successful therapeutic products and services to the public, and on protecting the profits and interests of the pharmaceutical medical establishment.

Feuer's exposé could have concentrated on any one of scores of alternative health products/services suppliers/practitioners who have been stymied legally, have had their stocks stolen or their clinics raided by FDA SWAT teams, or have been imprisoned for no reason other than what they offered was a threat to the status quo. But the experience of True Health, in using evening primrose oil in their trials with AIDS patients, is a microcosm of what is going on in the FDA's "underground war"—a war that extends far beyond US boundaries.

It is because of exposés like *Innocent Casualties* (which has now been out for a year) that public opinion is turning against the FDA and its Gestapo-like tactics.

Retired USAF Sergeant Dan Sherman admits that his "inside" account of alien contact and government cover-up, *Above Black*, is limited in scope because his "need to know" had a low priority in the military.

In 1982, just out of high school, Sherman joined the US Air Force as a security policeman, but in the early '90s was 'selected' for retraining at the National Security Agency (NSA) as an electronic intelligence (ELINT) analyst for the USAF.

There he was briefed on US Government contact with aliens (the Greys), established in 1947; and on the 1960-68 *Project Preserve Destiny*, set up to "genetically manage" selected humans for communicating intuitively with the aliens. Sherman was told that the Greys abducted his mother in 1960, and also in 1963 when they carried out a genetic procedure while he was still in the womb. Unbeknownst to him, he was born with enhanced telepathic abilities, and he was a marked man from the outset.

The NSA caught up with Sherman, for his ELINT course was a cover for his training as an intuitive communicator (IC), where he learnt to interface telekinetically with sine waves and lines on a computer screen—the basis of the Greys' intuitive language.

Assigned to an NSA station at an air force base (he's scant with details, which makes his story difficult to verify), Sherman would send his Grey IC coded messages by computer to NSA HQ. He soon realised that many transmissions comprised details of

### A Synergistic System of Smart Sublinguals

Norman McVea, Ph.D., has spent more than 20 years researching neuro-performance, rejuvenation, longevity and higher states of consciousness. The results are some truly unique performance enhancement products. These products combine designer nutrition, cell oxygenation and homeoenergetic potentiation to enhance metabolism and vitality. They are important anti-aging cofactors. The new sublingual liquid supplements feature colloidal suspension for improved absorption. All these formulations are energetically charged (*tachyonized*) for higher vitality.

**OXYBLISS LIQUID™** is a colloidal "super-smart pill" with four times the oxygen of the former Oxybliss formulation. For clearer thinking and the experience of more optimism and mental space. ADVANCED REMOTE VIEWING TECHNIQUES

WHAT MAKES THE WHOLE THING MORE INTERESTING I SUPPOSE IS THAT  
SINCE 1994 QUITE A FEW PEOPLE, INCLUDING EX MILITARY, EX-INTELLIGENCE  
ONE OR TWO BOFFIN TYPES, HAVE COME FORWARD AND STATED THE VERY  
SELF SAME THINGS THAT I HAVE DISCLOSED, SOME OF THESE PEOPLE HAVE  
EVEN CLAIMED FIRST HAND EXPERIENCE WITH THESE GOINGS ON, YOU ALL,  
AS SUPPOSED OPEN MINDED UFOLOGISTS HAVE, IN THE MAIN, TAKEN THEIR  
STORIES, THEIR CLAIMS, ON BOARD, HAVE...GIVEN THESE INDIVIDUALS

OR COURTESY TO HAVE DONE SO WITH MY CLAIMS?, YET I RELATED THESE  
THINGS FIRST!, I'M VERY CONCERNED OVER YOU ALL.  
IF THE VOICE SAYS "THE SUN IS OUT AND ITS WARM" YOU ARE ALL VERY  
SKEPTICAL, YET IF SOMEONE WAS TO ALSO SAY "YES THE SUN IS OUT AND

KNOW MORE!!!!!! BLOODY WEIRD

## EDITORIAL

APRIL 1998

Issue No.35

I DECIDED FOR A NUMBER OF REASONS TO DEVOTE THIS ISSUE TO THE RENDLESHAM FOREST OR BENTWATERS-WOODBRIDGE INCIDENT OF DECEMBER 1980, ONE BEING THAT THIS PARTICULAR CASE IS PERHAPS THE BEST DOCUMENTED MULTI-WITNESS MILITARY REPORT TO OCCUR WITHIN THE CONFINES OF THE UK.

IT IS ALSO ONE OF THOSE CASES THAT REFUSES TO GO AWAY, LAST YEAR SAW THE RELEASE OF LARRY WARREN'S AND PETER ROBBINS BOOK, LONG AWAITED BUT WORTH BIDDING TIME FOR "LEFT AT EAST GATE", AND MORE RECENTLY WE HAVE JENNY RANGLES LATEST "UFO CRASH LANDING" (SEE REVIEWS THIS ISSUE).

IT IS INTERESTING TO COMPARE THESE TWO BOOKS, THE CONTINUING DISCREPANCIES AND CONFUSION OVER DETAILS, ESPECIALLY THE DATES AND NUMBER OF ENCOUNTERS DURING THAT PERIOD OF DECEMBER '80, CONTINUE TO THIS DAY, NEITHER OF THE 2 BOOKS HAVE MANAGED TO STRAIGHTEN OUT THESE QUESTIONS WHICH HAVE DOGGED THE CASE FROM THE START.

ANOTHER REASON I'VE CENTRED SOLELY ON RENDLESHAM IS THAT I NOW THINK THE TIME IS RIGHT TO DETAIL THE NSA INVOLVEMENT IN THE CASE, AND AS PEASEMORE IS CENTRAL TO THE NSA OPERATIONS IN THE UK, OPERATIONS OF THIS NATURE, THE PUBLIC AND INDEED THE UFO COMMUNITY HAVE A RIGHT TO KNOW.

DON'T GET ME WRONG, I WAS NOT INVOLVED WHATSOEVER ( I ONLY WISH I WERE ), BUT AL/499 WAS INVOLVED, VERY MUCH SO, JUST AS IT IS TODAY.

THAT PART OF SUFFOLK IS A WEIRD AREA, A HAUNTING, ATMOSPHERIC, MOODY PLACE. THE TWIN BASES, RAF BAWDSEY, MARTLESHAM HEATH, ORFORD NESS, THE WHOLE AREA IS CHARGED, TO PUT IT SIMPLY THE VERY EM SIGNATURE OF THE LOCALE IS OUT OF WHACK!, NO WONDER SO MANY ODD THINGS HAPPEN THERE.

FOR THOSE THAT HAVE NEVER VENTURED TO THIS PART OF EAST ANGLIA I RECOMMEND YOU DO SO, GO WITH AN OPEN AND ENQUIRING MIND, BE OBJECTIVE BUT BE OPEN, SEE WHAT YOU MAKE OF IT ALL.

CHARLES HALT IT SEEMS WILL BE RELEASING A BOOK SOMETIME THIS YEAR, AND I VERY MUCH LOOK FORWARD TO SEE WHAT HE NOW STATES OF THE INCIDENTS.

THE RETIRED COLONEL COULD CLEAR THE WHOLE THING UP, WELL, FROM HIS POINT OF VIEW OF COURSE, TROUBLE IS EVEN HE WAS NOT BROUGHT INTO THE NSA LOOP, SO HIS DISCLOSURES, WHATEVER THEY MAY BE, WILL NOT GIVE RESEARCHERS THE FULL STORY.

PROVIDED NOT TOO MANY OBSTACLES ARE DELIBERATELY PUT IN MY WAY I HOPE TO BE ABLE TO DISCLOSE WITHIN THE PAGES OF THESE DOCUMENTS THE FULL AND DETAILED ROLE OF THE NSA, AND WITH THAT BEAT CHARLES HALT TO THE PUNCHLINE.

THIS WILL BE THE FIRST OF A NUMBER OF SPECIALS I HAVE PLANNED FOR '98, LOOK OUT FOR ONE ON THE 'FLYING TRIANGLES' (THEIRS AND OURS!), THE LONDON COMPLEX, WHICH INCLUDES PINDAR, THE STORAGE AND TRANSPORTATION OF NCBW IN THE UK, WHICH WILL DETAIL THE STORAGE BASES, SURFACE AND SUBSURFACE, AND MOVEMENT OF THE WEAPONS.

## EDITORIAL CONT'D

ONE FINAL COMMENT, I'M TRYING TO SECURE DETAILED AERIAL/SATELLITE PHOTO'S  
OF.....

EACH BASE INDIVIDUALLY

BOTH BASES TOGETHER

THE WHOLE AREA FROM MARTLESHAM, THE BASES AND ORFORD NESS

(YES THESE SHOTS DO EXIST)

THIS HAS MEANT APPROACHING 'THE OTHER SIDE', SOD IT, MY SCRUPLES ARE STILL  
INTACT, SEEING AS 'OUR SIDE' REFUSES TO SUPPLY SUCH MATERIAL.

YEP I'M WALKING ON THIN ICE BUT IF IT PAYS OFF I'LL GLADLY SUBMIT ANY PHOTO  
MATERIAL SUPPLIED TO GENUINE RESEARCHERS ONCE I'VE PUBLISHED THEM WITHIN THE  
PAGES OF THE VOICE.

THE VALUE OF SUCH MATERIALS, RE THE ONGOING INVESTIGATIONS OF THE RENDLESHAM  
CASE ITSELF, ARE SELF EVIDENT.

WISH ME LUCK

## NEW INFORMATION REVEALED

### SPECIAL REPORT

GRAHAM WILLIAM BIRDSALL

Regular viewers to BSKYB satellite television programmes will have seen the highly acclaimed weekend series,

**'UNSOLVED MYSTERIES'** tackle various topics ranging from crime to UFOs. An episode featuring the famous Rendlesham Forest affair of 1980, was screened to American viewers some time ago, and brought about interesting observations from a variety of sources.

Those familiar with the incident, and who closely monitored the programme, were highly critical of the lack of detail. Readers of *UFO Magazine* will hardly need reminding that we provide an excellent report of the case which includes the actual Colonel Halt recording and full transcript. Two 'hidden' pieces of the puzzle can now be revealed.

### RAF DISARM AMERICAN OFFICERS

It is our understanding that a group of heavily armed US personnel left their base at Woodbridge in Suffolk, and were later confronted by an armed British detachment from nearby RAF Bentwaters.

We are told by excellent authority, that the British compelled the Americans disarm as they had no legal right to handle firearms under any circumstances. After a brief, but nerve-jangling few minutes, and after the American detachment had consulted via-radio with their seniors, they withdrew to their base.

### BRITISH PRISON AND NATIONAL SECURITY

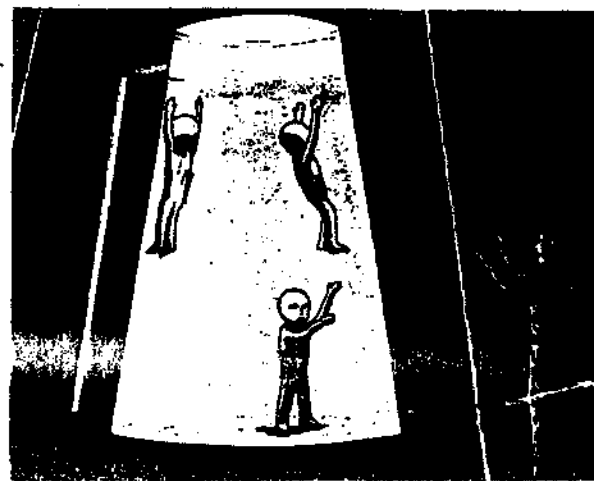

We are also informed by an equally excellent source, that **HIGH POINT** prison, Suffolk, was told they may have to

evacuate their prisoners and full complement of staff due to a matter of national security. This warning was issued before any of the nearby bases went on alert.

This evidence came to light some years after the event and was passed to our source quite innocently by a person who had little idea it was being delivered to someone close to our organisation, but in high public office at the time.

**RAF BENTWATERS/WOODBRIDGE INVESTIGATION**  
**( A PERSONAL LOOK AT THE RENDLESHAM CASE )**

IF I HAD NOT HAVE MOVED AWAY FROM DAGENHAM TO THE COTSWOLDS IN 1979 I WOULD HAVE BEEN ONE OF THE FIRST OFFICIAL INVESTIGATORS TO HAVE BEEN CALLED IN RE THIS FAMOUS CASE, I WAS THE NEAREST UFOIN INVESTIGATOR AND, MORE IMPORTANTLY, I HAD MY CONTACTS AND SOURCES EVEN BACK THEN, SO I WOULD HAVE BEEN ALERTED TO THE CASE ALMOST IMMEDIATELY.

AH WELL, CANNOT CHANGE HISTORY, MY LOSS!.

SO, WITH THAT SAID, THE NEXT BEST THING WAS TO TAKE PART IN A RE-INVESTIGATION, AND THAT IS NOW UNDERWAY.

**TUESDAY 24TH JUNE 1997**

50 YEARS AGO TO THE VERY DAY WHEN PRIVATE PILOT KENNETH ARNOLD BROUGHT THE FLYING DISKS TO THE EAGER ATTENTION OF THE PUBLIC, THANKS A LOT KEN!

MYSELF AND MILES JOHNSTON SET OFF TO DO SOME PHOTOGRAPHIC/FILM WORK AT THE TWIN BASES AND CHECK OUT THE AREA, CAPEL GREEN, FENNS ROW, ETC, ETC. IN ALL MILES SHOT ABOUT AN HOUR OF VIDEO AND I TOOK FOUR 35MM FILMS, BUT DUE TO BAD LIGHTING CONDITIONS, IT WAS GETTING LATE AS WE LEFT WOODBRIDGE AND SAUNTERED OVER TO BENTWATERS, ONLY THE 3 FILMS TAKEN AT WOODBRIDGE CAME OUT OK, SO ITS COVER THE OTHER BASE NEXT TIME IN DETAIL.

ALSO NEXT TIME WE PLAN TO THOROUGHLY INVESTIGATE THE FENNS ROW AREA, THE ALLEGED UNDERGROUND COMPLEX SITE, THE HUB OF THE COMPLEX WHICH JOINS THE TWO BASES (AND OTHERS).

I ALSO NEED TO NOSE AROUND ORFORD NESS, SHINGLE STREET AND RAF BAWDSEY IF TIME ALLOWS.

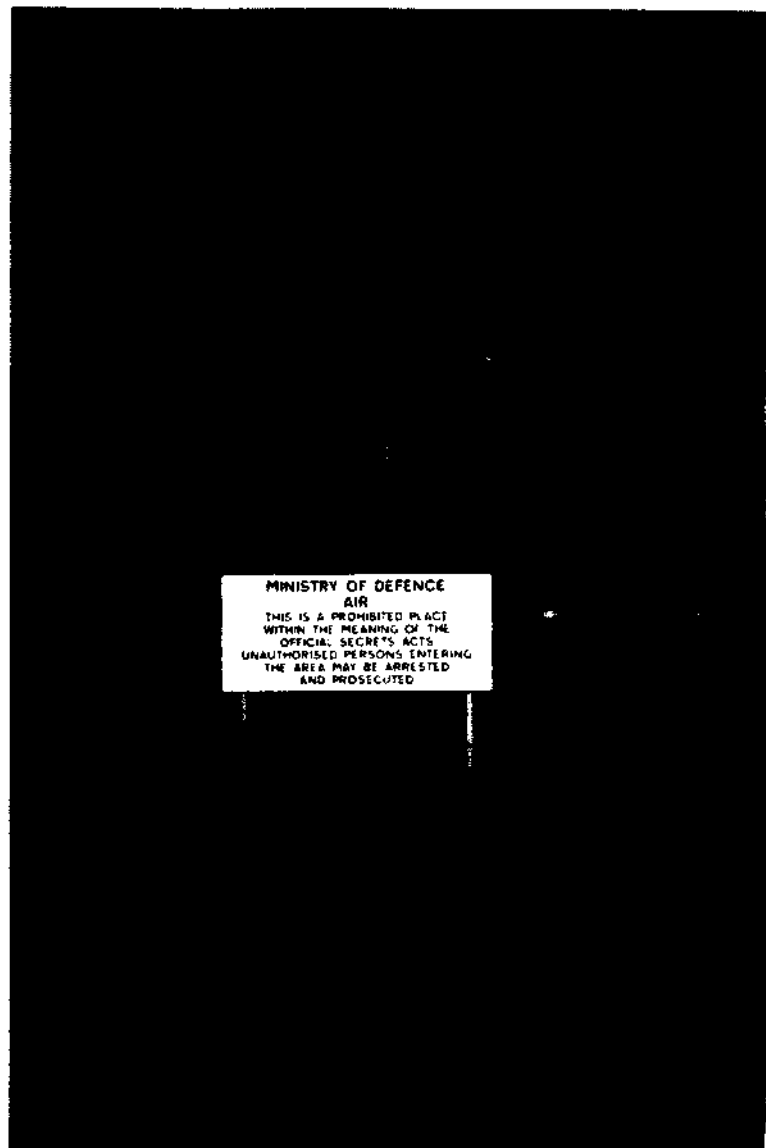

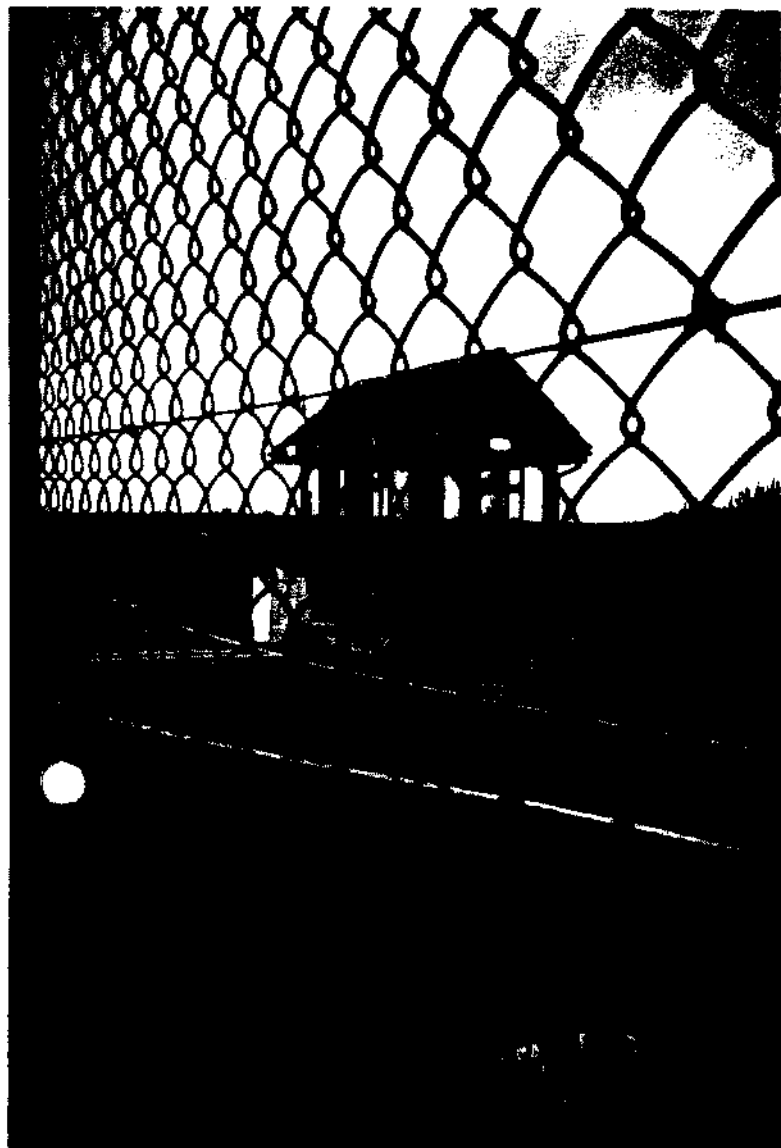

(OF INTEREST PLEASE SEE THE 3 PHOTO'S ON THE NEXT PAGE, THE GUARD SHACK AT EAST GATE, A NICE LITTLE SHOT OF THE MOD SIGN, AND ANOTHER LITTLE SHOT OF THE SIGN FOR THE MAIN GATE AT WOODBRIDGE).

AS THE INVESTIGATION PROGRESSES I'LL DETAIL FINDINGS WITHIN THE PAGES OF THESE DOCUMENTS.

NEXT ISSUE: THE NSA INVOLVEMENT IN THE RENDLESHAM CASE, MY SECOND TENURE AT AL/499...NOVEMBER 1980 TO JANUARY 1981, THE CONNECTION WITH PROJECT 'MANNEQUIN' AND RENDLESHAM IN DECEMBER 1980.....NO-ONE ASKED THE RIGHT QUESTIONS SO NO-ONE WAS TOLD BEFORE!

BOTH THE VOICE AND LARRY WARREN HAVE BEEN MIND MANIPULATED BY THE NSA, AND I REALLY MUST TRY TO ARRANGE A PRIVATE WORD WITH HIM AND PETER ROBBINS SOON.

SUBJECT: Unexplained Lights

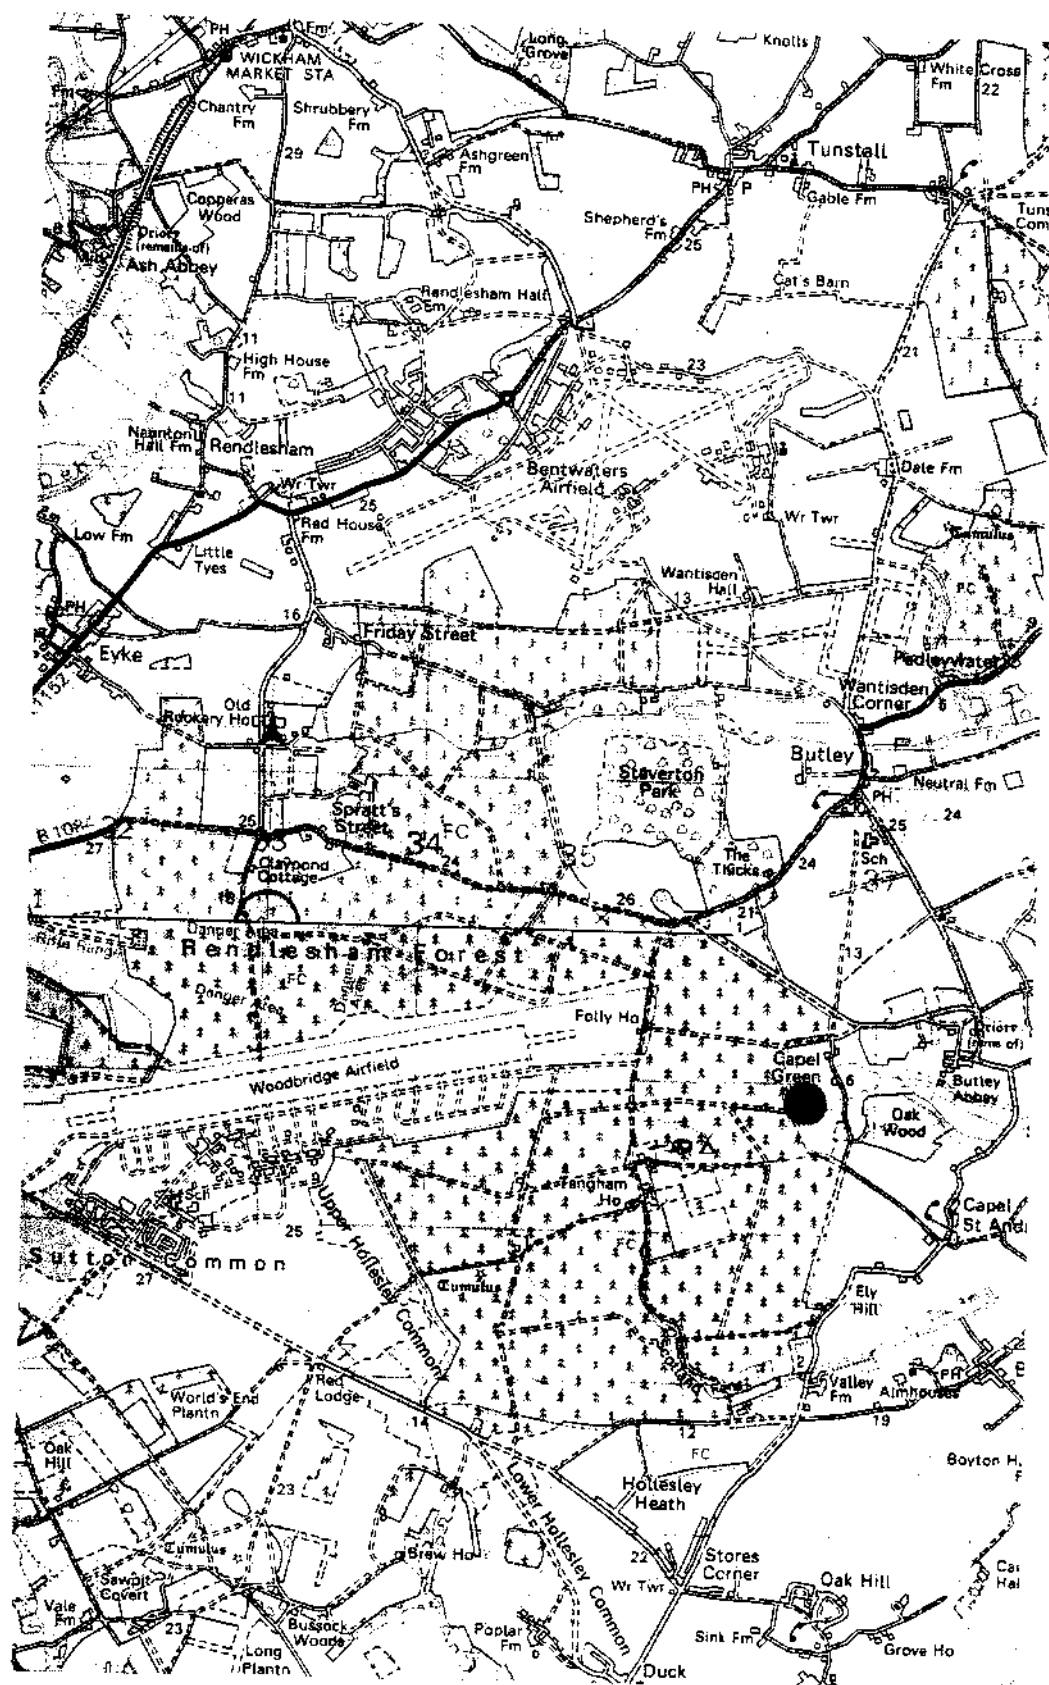

TO: RAF/CC

1. Early in the morning of 27 Dec 80 (approximately 0300L), two USAF security police patrolmen saw unusual lights outside the back gate at RAF Woodbridge. Thinking an aircraft might have crashed or been forced down, they called for permission to go outside the gate to investigate. The on-duty flight chief responded and allowed three patrolmen to proceed on foot. The individuals reported seeing a strange glowing object in the forest. The object was described as being metallic in appearance and triangular in shape, approximately two to three meters across the base and approximately two meters high. It illuminated the entire forest with a white light. The object itself had a pulsing red light on top and a bank(s) of blue lights underneath. The object was hovering or on legs. As the patrolmen approached the object, it maneuvered through the trees and disappeared. At this time the animals on a nearby farm went into a frenzy. The object was briefly sighted approximately an hour later near the back gate.

2. The next day, three depressions 1 1/2" deep and 2" in diameter were found where the object had been sighted on the ground. The following night (29 Dec 80) the area was checked for radiation. Beta/gamma readings of 0.1 milliroentgens were recorded with peak readings in the three depressions and near the center of the triangle formed by the depressions. A nearby tree had moderate (.05-.07) readings on the side of the tree toward the depressions.

3. Later in the night a red sun-like light was seen through the trees. It moved about and pulsed. At one point it appeared to throw off glowing particles and then broke into five separate white objects and then disappeared. Immediately thereafter, three star-like objects were noticed in the sky, two objects to the north and one to the south, all of which were about 10° off the horizon. The objects moved rapidly in sharp angular movements and displayed red, green and blue lights. The objects to the north appeared to be elliptical through an 8-12 power lens. They then turned to full circles. The objects to the north remained in the sky for an hour or more. The object to the south was visible for two or three hours and beamed down a stream of light from time to time. Numerous individuals, including the undersigned, witnessed the activities in paragraphs 2 and 3.

## Why are the MOD refusing to sell a disused American Airbase? Why did they "rob" a businessman of 2 million pounds deposit when he offered to buy the base and develop it? What

*For the past year I have been in touch with Chris Parker, managing director of the C.P.G. (Chris Parker Group). The C.P.G. put in a bid for the Bentwaters airbase in 1995, after the previous sale failed. Chris Parker is used to going to bases of all sorts and stripping them of all saleable assets, turning them into large development projects. This time however, things didn't run as smoothly as he was used to.*

Suffolk Coastal and District Council had already agreed with the MoD that the base just a blot on the landscape as it had not been in use since 1992. They had decided that the best thing to do was arrive at a quick sale and sell the base for the land value as opposed to the building value. This seems to be the best solution in effect because the projects being considered by the C.P.G. were development projects and as such would have created jobs in the area and greater commerce.

The Americans, since their occupation, financed the buildings on the base under the NATO agreement; which took place after the war. In this capacity the MoD were not losing out by selling the base cheaply. C.P.G. made an offer to the MoD to buy the base, a deal which was accepted and upon which a deposit had been paid. Why then did this deal with the C.P.G. fall through towards the end of 1996, after the deal had been on the table, and in agreement, for one year? Why did they not give him 14 days notice. Did the MoD not know that by not giving 14 days notice that they were breaking British law?

The answers to these questions are

troubling because they rely on investigators delving deeper and deeper into a possible nuclear incidents in the area and possible nuclear storage at this and other nearby airbases. To answer the first question, the MoD cancelled the deal with the C.P.G. because Chris Parker was not doing the right form of development. The only acceptable form of development for that airbase as far as the MoD was concerned is maintaining it's use as an airport, in this case to be used regularly instead of Ipswich airport. I for one, knowing the amount of nuclear weapons that were stored in the base and according to many military witnesses in a secret underground facility, would not travel from that airport. Is it reasonable for the MoD to force a developers hand in this manner?

### STRUCTURALLY UNSOUND

Mr Chris Parker's story starts when his company starts trying to do some borehole testing on the runway. His first observation was that this particular runway was one of the most structurally unsound runways of all the airbases he had visited in the country. It was not level and had many dips in the concrete. In order to get a better idea of the level of inconsistencies he needed to do testing of the base runways and earth. To be able to do the borehole testing in the first place he had to request permission from the MoD which was subsequently denied on more than one occasion. When permission was finally granted he was directed to certain spot on the base and told that he was only able to conduct drilling tests at this location. In addition these tests also had to be conducted whilst under supervision. Never in the Parker groups history had they ever had to go through so many formalities in order to do a simple drilling test!

Chris believes that topside of the base was built to house an underground facility. Many military personnel have attested to this fact area and small groups of Ufologists also. The structure of the drainage

systems is unnatural in that these tunnels are apparently unable to hold water. This also attributes to his belief in the there is an underground facility Bentwaters. There also seems to be tunnels present, which have nothing to do with drainage at all and their real purpose is still unclear.

An interesting twist takes place when the deal fell through with the MoD. Chris now claims that he has been "robbed" by the Ministry to the extent that he has ordered a writ against them requiring them to cease and desist all operations with the base. The base was being sold for the sum of £10.2 million, over £2 million was taken from him, in the form of a deposit by the MoD and not returned. The deal included planning permissions fees for Parkers and his company now believe because he was going to have to drill 16 feet of runway the MoD didn't sell the base to him. This is a fair assumption based on the fact that all the elements in place for a quick sale to his company that had the resources for development; So what else could the MoD into not wanting the base removed?

Well, that wasn't the end of the story. The next thing to happen is that a company known as the "MUARD Corporation" put in a bid for the base and contracts exchanged at a mere price of £7 million! The MoD accepted an offer which was less than the Parker groups offer, less by the several million. Due to the ease of the deal with MUARD, it also appears that unnecessary delays must have been introduced to

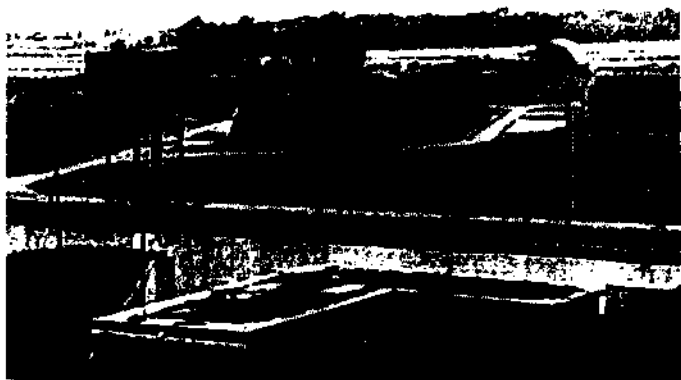

PHOTO: NUCLEAR W.S.A. AT BENTWATERS

which delayed the sale of the base, for no apparent reason.

### MUARD

Companies that buy these bases are now, for security reasons supposed to have a ten-year checkable history of trading in British military hardware, doing engineering contracts etc. It turns out that upon closer inspection the "MUARD Corporation" formed one week before they put in a bid for the base. This newcomer company were apparently never effectively investigated by the MoD. One of the investors on the original Chris Parker project - Tony Hunter - pulled out and joined the opposition (MUARD), so to speak. It then surfaces that John Masters, the solicitor for the MUARD Corporation, along with Tony Hunter, were both under suspicion of fraud in the Virgin Islands. This did not seem to deter the MoD from letting them buy the base. Perhaps the quick sale the newcomer company had something to do with the fact that the MUARD corporation had agreed with the MoD's firm wish for the base to maintain it's status as an airport!

Some of Chris Parkers ex-military sources have told him that before the base closed there was a fire in one of the underground bunkers below. These same sources have suggested to him that the reason a lot of the underground region of the base was closed is due to the fact there is some serious 'hardware' still down there. What kind of 'hardware' - nobody knows? What we do know is that the nuclear weapons were stored underground on the base and that there were a great deal of bunkers in an area known as the WSA (Weapons Storage Area), a place the Americans nicknamed "Nuclear Alley". The bunker entrances had lift platforms that brought missiles from underground to the surface bunker entranceways. There were also similar platform lifting devices present in the bombproof aircraft hangars in Bentwaters. So it is quite conceivable that

amount of nuclear weapons being stored underground there and possibly also a great deal of nuclear research, which would have been typically in-line with many other research establishments in the area.

The final needle in the haystack comes straight from Chris's secret source in the Ministry Of Defence. The deepthroat source tells him that the MUARD deal had the backing of both John Gummer MP and Michael Portillo MP (former UK Minister for Defence), who had apparently kept a watchful eye on the sale of the base ensuring that it went to the MUARD corporation.

Ever since it was told to me several months ago at a lecture I gave on the Rendlesham Incident, one incident has stuck in my head. It was relayed to me that seventeen people were witness to luminous aerial phenomenon in the forest region around Woodbridge airbase. Of these witnesses two were policemen and would appear therefore to be a credible source. The witnesses had seen many things that myself and other ufologists could not put down to simple 'Project Blue Book' explanations.

The local "rag" newspaper interviewed two of the observers. The reporter in this case claimed to have an interest in UFOs and found their story rather remarkable. However when it came to the story being printed, the sounds that were heard were attributed by the newspaper editor as 'animals pulling the "legs off barbecues"' and all kinds of weird things were put down to physical explanations. It appeared that the paper no realistic results to any possible causes of the things seen and heard. As we see so often these days, it is a sad fact of journalism with respect to the UFOs and other paranormal phenomenon that the investigative approach of many journalists is non-existent.

Away from the final editorial cut of the story, one

the course of the events, as told by the journalist in one of his more sympathetic moments. This was that "the US government are paying the British government £6 million each year for them not to sell the base. Whether this is true or not, I don't know. The source for this questionable gem of information reputed to be a small arms dealer that the journalist was in contact with

With all this tantalising evidence, one thing seems clear - The MoD does not want to sell this base. In fact even now there are court battles taking place between the MoD, the new owners of the base and between the investors that are backing the owners. This can only give rise to more suspicion that a mystery is lurking beneath the feet of many Sussex residents, in the area which has had more than its fair share of UFO sightings.

*{Also the base was scene to a series of UFO sightings around 1980 when the Triangle UFOs and "Ball Of Light" phenomena were observed near the base. It is now part of UFO history that one event took place where US security personnel were witness to a landing of a UFO and a meeting with some of the occupants. Strange tales still abound in the area of "black hooded figures" who take an unhealthy interest in the nuclear storage areas - seen flitting unsupported near the runways and also in the nearby forests. Psychic mediums are often telling us that there is a strange aura of alien activity near the base, and indeed the way back to 1950 there have been stories of UFOs in the general area. Could the reason for the blocking of the sale of the base have some other meaning. Is there something of a sinister or extraterrestrial nature in the area which is in some way connected to the base - something that might be exposed if the base was demolished. - ED}*

## THIS AND THE NEXT 4 PAGES: THE HALT TAPE TRANSCRIPT

Halt: 150 feet [45.7 m] or more from the initial, or I should say suspected impact point. Having a little difficulty. Can't get the Light-all to work. Seems to be some kind of mechanical problem. Gonna send back and get another Light-all. Meantime, we're gonna take some readings with a Geiger counter, and pace around the area a little bit, and wait for another Light-all to come back in. [Garbled security communication] OK, we're now approaching the area, within about 25-30 feet [8-9 m]. What kind of readings are we getting? Anything?

Voice: Just minor clicks.

Halt: Just minor clicks? Where are the impressions? Is that all bigger they are?

Voice: Well, there's one more well-defined over here.

Voice: Security control ...

Halt: We're still getting clicks.

Voice: Security-6. We're at east gate.

Halt: Do you want to read that on the scale?

Voice: Yes sir. We're now on the five-tenths scale, and we're reading about, er ... [garbled]

Halt: OK, we're still comfortably safe here.

Voice: Do you have a Light-all?

[Garbled security communication]

Halt: Still minor readings. Second pod [pad?] indentation ... this one's dead[?]. Let's go to the other one over here.

Voice: Yes, now I'm getting some residual.

Halt: I can read now. The meter's definitely giving a little pulse. I was gonna say, let's go to the center of the area next and see what kind of a reading we get out there. You're reading the clicks. I can't hear the clicks. That about the center Bruce? OK, let's go to the center.

Voice: Yes I'm getting ...

Halt: That's the best deflection of the needle I've seen yet. OK can you give me an estimation? We're on the point five scale; we're getting ...

Voice: At approximately 0125 hours ...

Voice: We're getting right at half a millirem.

[short burst of piano music]

Halt: ... best point. I haven't seen it go any higher. OK we'll go out toward ...

Voice: Now it's picking up ...

Halt: This is the number one indentation where we first got the strongest reading. It's similar to what we got in the center.

Voice: Right in the pod [garbled].

Voice: Looks like an area here possibly that could be a blast ... [garbled].

Voice: Just jumped up to seventh tenths ...

Halt: Seven tenths? Right there in the center?

Voice: Uh huh.

Halt: We found a small blast, what looks like a blasted or scuffed-up area here. We're getting very positive readings. Let's see, is that near the center?

Voice: Yes it is; this is what we'd assume would be the dead center ...

Voice: [garbled] ... more as you go along ...

Halt: Up to seven tenths, or seven units let's call it, on the point five scale. OK, why don't we do this? Why don't we make a sweep here, I've got the gloves on now let's make a sweep on around the whole area about ten foot [3 m] out, make a perimeter run around it, starting way back here at the corner, back at the same corner where we came in? Let's go right back here. I'm gonna have to depend upon you counting the clicks. OK let's ...

Voice: I'll tell you as we get...

Halt: Let's put the Light-all on it and let's sweep around it. Put it on the ground every once in a while.

Voice: Looks like an abrasion on the tree ...

Halt: OK we'll catch that on the way back. Let's go round. Hit it Ted [Conrad?].

Voice: We're getting interest right over here. It looks like an abrasion pointing into the center of the landing area ...

Halt: It is. It may be old though. There are some sap marks or something on it. Let's go on back around. Hey, this is an awkward thing to use isn't it?

Voice: [Indistinct]

Halt: Are we getting anything further? I'm going to shut the recorder off until we find something ...

Voice: Picking up.

Halt: Picking up? What are we up to? We're up to 2, 3 units deflection. You're getting close to one pod [pad?].

Voice: Picking up something ... picking up.

Halt: OK, still not going above 3 or 4 units.

Voice: Picking up more though; more frequent.

Halt: Yes, you're staying up around 2 to 3 to 4 units now.

Voice: Each one of these trees that face into the blast that we assume is the landing site all have an abrasion facing in the same direction towards the center.

Halt: That's interesting. Let's go this way round the circle. Turn it back down here.

Voice: Picking up ...

Halt: Let's see that. You're right, abrasion. I've never seen a pine tree that's been damaged react that fast.

Voice: ... a bottle to put that in.

Halt: Got a sample bottle?

[confused talk]

Halt: Let's identify that as point no. 1 that stake there. So you all know where it is if we have to sketch it. You got that Sergeant Nevills [?]? Closest to the Woodbridge base, be point 1. Let's go clockwise from there.

Voice: Point 2 ...

Halt: So this tree is between point 2 and point 3.

[security communication]

Voice: ... two other personnel requesting arrival on a jeep at our location.

Voice: Tell them negative at this time. We'll tell them when they can come out here. We don't want them out here right now.

Halt: The sample ... you're going to mark this sample no. 1 ... have them cut it off and include some of that sap and all ... is between indentation 2 and 3 on a pine tree about 5 feet [1.5 m] away, about 3½ feet [1 m] off the ground. There's a round abrasion on a tree about 3½-4 inches [10 cm] in diameter. It looks like it might be old, but ... strange, there's a crystalline ... pine sap has come out that fast. You say there's other trees here that are damaged in a similar fashion?

Voice: Yes ... [garbled] toward the center of the landing site.

Halt: OK, then why don't you take a picture of that and remember your picture ... ain't gonna be writing this down. Oh, it's gonna be on the tape.

Voice: You got a tape measure with you?

Halt: This is the picture. Your first picture will be at the first tree, the one between mark 2 and 3. Meantime I'm going to look at a couple of these other trees over here.

Voice: We are getting some ...

Halt: You're getting readings on the tree you're taking samples from, on the side facing the suspected landing site.

Voice: Four clicks max.

Halt: Up to 4; interesting. That's right where you're taking the sample now. Four. That's the strongest point on the tree?

Voice: Yessir. If you come to the back, there's no clicks whatsoever.

Halt: No clicks at all on the back; it's all on the side facing the ... interesting. The indentations look like something twisted as it sat down on 'em. Looks like someone took something and sat it down and twisted it from side to side. Very strange. We're looking at the same tree we took the sample off with this, what d'you call it? Starscope. Getting a definite heat reflection off the tree, what, about 3 or 4 feet [1-1.2 m] off the ground?

Voice: Yes, where the spot is ...

Halt: Same place where the spot is we're getting a heat ...  
 Voice: And a spot on the tree directly behind us I picked up the same thing, and one off to your right.  
 Halt: Three trees in the area immediately adjacent to the site, within 10 feet [3 m] of the suspected landing site, we're picking up heat reflected off the trees.  
 Voice: [indistinct]  
 Halt: What's that again?  
 Voice: Shine the light on it again Bob.  
 Halt: What, are you having trouble ...?  
 Voice: [garbled] ... right on the spot, and then when you wanna...  
 Halt: OK, turn the light on.  
 Voice: ... you'll notice the white ...  
 Halt: Hey! You're right, there is a white streak on the tree.  
 Voice: Indicates a heat ...  
 Halt: Let me turn around and look at this tree over here now. Just a second. Watch, because you're right in front of the tree. I can see it. Give me a little side light so I can find the tree. OK. Oh!  
 [security communication]  
 Voice: Alpha 2, security.  
 Halt: Now I've lost the tree. OK, stop, stop. Light off. Hey, this is eerie!  
 Voice: Why don't you do the pod [pad?] spots?  
 Halt: This is strange. Here, does someone wanna look at the spots on the ground? Whoops! Watch you don't step ... [garbled]. OK, let's step back and not walk all over it. Come back here. Somebody put a beam on them. You've got to be back 10 or 15 feet [3-4.5 m]. You see it? OK, lights off.  
 [voice on tape]  
 Halt: What do you think about the spot? Like to see the first spot? OK, that's what we'll call spot no. 3. Let's go to the back corner and get spot no. 1. Spot no. 1, here's spot no. 1 right here. Spot no. 1 right here. You need some light? There it is right there. Focused?  
 Voice: Focused.  
 Halt: OK. Looking now at spot no. 1 through the Starlight Scope.  
 Voice: Picking up a slight increase in light as I go over it.  
 Halt: Slight increase in light at spot no. 1. Let's go look at spot no. 2. Spot no. 2's right over here. Right here. See it? OK, get focused on it. Tell me when. OK, lights off. Let's see what we get on it.  
 Voice: Slight increase.  
 Halt: Just a slight increase?  
 Voice: Try the center.  
 Halt: The center spot ... it really isn't the center, it's slightly off center, it's right there.  
 Voice: Right here.  
 Halt: We're gonna get your reading on it right there.  
 Voice: OK.  
 Halt: Tell me when you're ready.  
 Voice: Ready.  
 Halt: OK. Lights out. It's the center spot we're looking at now, or almost the center.  
 Voice: Slight increase.  
 Halt: Slight increase there. This is slightly off center toward the 1-2 side. It's some type of abrasion or something on the ground where the pine needles are all pushed back and where we get a high radioactivity reading a deflection of 2 to 3 maybe 4, depending on the point of ...  
 Voice: You say there's a positive after-effect?  
 Voice: Yes there is definitely. That's on the center spot. There is an after-effect.  
 Voice: What does that mean?  
 Voice: It means that when the lights are turned off, once we are focused in and allow time for the eyes to adjust, we are getting an indication of a heat source coming out of that center spot, which will show up on the ...

Halt: Heat or some sort of energy. It's hardly heat at this stage of the game. Looking directly overhead one can see an opening in the trees plus some freshly broken pine branches on the ground. Looks like some of them came off about 15 or 20 feet [4-5-6 m] up. Some small branches, about an inch [2-5 cm] or less in diameter.

...  
Halt: 0148. We're hearing very strange sounds out of the farmer's barnyard animals. They're very very active; making an awful lot of noise.

Voice: ... pigmentation.  
Halt: You just saw a light?  
Voice: ... [garbled]  
Halt: Slow down. Where?  
Voice: Right on this position. Here, straight ahead in between the trees. [1]There it is again. Watch, straight ahead off my flashlight sir. [2]There it is.  
[5 s between 1 and 2]  
Halt: I see it too. What is it?  
Voice: We don't know sir.  
Halt: It's a strange small red light. Looks to be maybe a quarter to a half mile [400-800 m], maybe further out. I'm gonna switch off. The light is gone now. It was approximately 120° from our site. [3]Is it back again?  
[15 s between 2 and 3]  
Voice: Yes sir.  
Halt: Well douse flashlights then. Let's go back to the edge of the clearing so we can get a better look at it. See if you can get the Starscope on it. The light's still there and all the barnyard animals have gone quiet now. We're heading about 110, 120° from the site out through to the clearing now. Still getting a reading on the meter. About two clicks. Needle's jumped. 3 to 4 clicks, getting stronger.  
Voice: Now it's stopped. [4]Now it's coming up. There we go. About approximately 4 foot [1-2 m] off the ground, at a compass bearing of 110°.  
Halt: He's turned the meter off. Better say that again. About 4 feet [1-2 m] off the ground, about 110°; getting a reading of about 4 clicks?  
Voice: Yes sir. [5]Now it's dying.  
[20 s between 4 and 5]  
Halt: Now it's dying. I think it's something other than the ground. I think it's something that's ...  
Voice: ... tree right over ...  
Halt: We've just run into the first night-bird we've seen. We're about 150 or 200 yards [137-183 m] from the site. Everywhere else is just deathly calm. There is no doubt about it. There's some type of strange flashing red light ahead.  
Voice: Sir, it's yellow.  
Halt: I saw a yellow tinge in it too. Weird. It appears to be maybe moving a little bit this way? It's brighter than it has been. It's coming this way. It doubt about it. This is weird!  
Voices: Two lights! One light to the right and one light to the left.  
Halt: Keep your flashlights off. There's something very very strange. Keep the headset on; see if it gets any ...  
Voice: ... notation that this is ... [indistinct] ... has been removed.  
Halt: Pieces are falling off it again.  
Voice: It just moved to the right.  
Halt: Yeah!  
Voice: Off to the right.  
Halt: Strange. One again to the left [?]. Let's approach to the edge of the woods up there. You want to do without lights? Let's do it carefully; come on. OK, we're looking at the thing. We're probably about 2 to 300 yards [183-274 m] away. It looks like an eye winking at you. Still moving from side to side. And when you put the Starscope on it, it's like this thing has a hollow center, a dark center, like the pupil of an eye looking at you, winking. And it flashes so bright in the Starscope that it almost burns your eye.  
[garbled security communication]

- Halt: We've passed the farmer's house and across into the next field and now we have multiple sightings of up to 5 lights with a similar shape and all, but they seem to be steady now rather than pulsating or glow with a red flash. We've just crossed a creek and we're getting what kind of readings now? We're getting 3 good clicks on the meter and we're seeing strange lights in the sky.
- Halt: 2:44. We're at the far side of the second farmer's field and made sighting again about 110°. This looks like it's clear off to the coast. It's right on the horizon. Moves about a bit and flashes from time to time. Still steady or red in color. Also after negative readings in the center of the field we're picking up slight readings; 4 or 5 clicks now, on the meter.
- ...
- Halt: 3:05. We see strange strobe-like flashes to the, er ... well, they're sporadic, but there's definitely some kind of phenomenon. At about 10° ... horizon, directly north, we've got two strange objects, er, half-moon shape, dancing about with colored lights on 'em. That, er, guess to be about 5 to 10 miles [8-16 km] out, maybe less. The half-moons are now turning to full circles, as though there was an eclipse or something there, for a minute or two.
- ...
- Halt: 0315. Now we've got an object about 10° directly south, 10° off the horizon. And the ones to the north are moving. One's moving away from us.
- Voice: It's moving out fast!
- Voice: This one on the right's heading away too!
- Halt: They're both heading north. OK, here he comes from the south, he's coming towards us now. Now we're observing what appears to be a beam coming down to the ground. This is unreal!
- ...
- Halt: 0330, and the objects are still in the sky although the one to the south looks like it's losing a little bit of altitude. We're going around and heading back toward the base. The object to the south is still beaming down lights to the ground.
- Halt: 0400 hours. One object still hovering over Woodbridge base at about 5 to 10° off the horizon. Still moving erratic, and similar lights and beaming down as earlier.

Winter 1998

Pratten Brook is, of course, noted for its association with the 'Wonderland' window (see 'Mysteries of the Mersey Valley') (special offer on this on page 6 if you don't have it).

The two witnesses were driving to an appointment in the Midlands when they saw two white lights over the shipyard assumed to be on an aircraft heading into Manchester, as they had seen in this area often before. But as they closed and then drove under the thing they realised their error. The object was a large dark triangle with complex wavy underneath, white lights at each apex and a red glow from the base. It was silent.

## TOWARDS THE TRUTH IN RENDLESHAM

I promised to my what I could - to here goes. Apologies to my source if I say too much, but I think he will understand the importance of this matter and the need to get to the truth.

'UFO Crash Landing' is an attempt to set out what we know about this case from the testimony of the key people involved. I concentrate on building a picture of the case as represented by the testimony of several important civilian witnesses and three important military personnel. They are Sergeant Jim Penniston and Airman (later Sergeant) John Burroughs and the deputy commander, later full commander, Colonel Charles Halk.

Through a careful reading of their story via various interviews, and really trying to figure this case out I believe that I have documented a consistent account. This establishes the main course of the two primary events. Readers of the book will see that I reach a number of conclusions aside from - at least - getting the chronology right. I show why the 'concoits in the sky' seen from 21.00 on 25 December are vital. I conclude that some of the things seen on the famous second night are probably the result of misperception. Maybe a lot is. Undoubtedly this set of events is less important than the first night.

As the incident on 26 December is most significant I tried hard to set it in context. I established that there were four people involved. Burroughs had been at the East Gate with one other witness whom I knew was called Budd (I call him Parker in the book but we now know his real name was Budd Steffens). Then two others arrived to 'sort out' the sightings reported by these first men. They were Penniston and his driver, whom in the book I name as Kavanassac. In fact we now know this is spell Cabanassac.

In the book I explain that Steffans (Parker) remained at the East Gate and only saw the arrival of the UFO. This is true. According to Penniston they entered the forest to have their close encounter and left Cabanassac behind as a radio relay. As such he saw nothing. Neither Steffans nor Cabanassac have yet come forward to dispute that version. This remains true, but a UFOlogist that I cannot name has obtained original testimony of these men. He kindly sent me copies of this crucial material but I cannot yet publish or discuss it in detail for very good reasons. The data emerged just before Christmas (long after the book was in print). Its devastating. Thankfully the basic story is much as I identify it but we now know some very disturbing things.

In 'Crash Landing' I report that Burroughs and Penniston both undersold their story when they officially reported it on base and explain why. So it is no surprise that their accounts are much less dramatic than their verbal testimony offered in recent years. But Steffans and Cabanassac equally tell of there only being a few lights and Cabanassac claims to have had a much deeper role in the case than his colleagues have let on. Even worse these original accounts allege that Burroughs, Penniston and Cabanassac chased another UFO through the forest for many minutes and failed to identify this until the very end when they realised it was just the lighthouse.

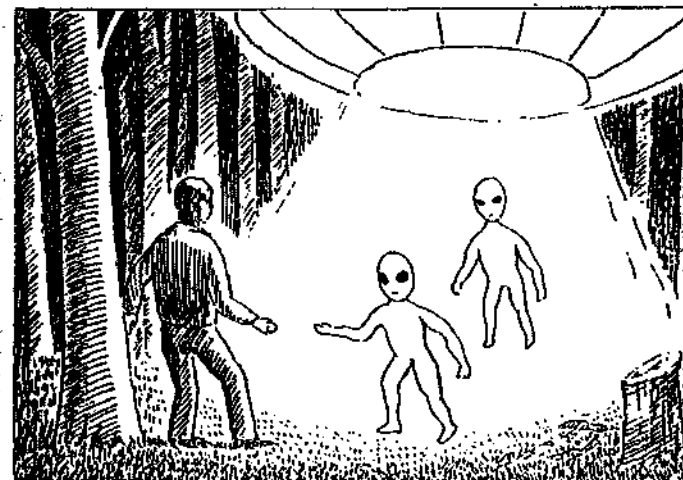

This shocking story - if it is true - has never been mentioned by either Burroughs or Penniston, or indeed Halk. The news does not solve the case but must make us question afresh whether the primary UFO could have been the lighthouse after all, as some of the newly revealed evidence does undoubtedly support.

I hope I will be free to say more soon.

## D.R. Comments:

*I will not even have you with the traditional ritual of 'late again' excuses. They exist, of course, but what the heck! Let us just get on with producing as many NUNs in 1998 as I can and remind you once more that you do not pay for a years subscription but for six issues. Just rejoice in the fact that at this rate some of you will not be removing until the next century. Now there's a promise you don't get every day!*

Elsewhere in this issue I will say whatever I am at liberty to say about the dramatic progress (some may well feel regress) of the Rendlesham Forest case. Unfortunately, at this point I am limited in what I can reveal - which is a great pity because the news is vital. But I hope to be free to say something, at least before I send this issue to the printers.

Regardless of the above, one thing is clear - the new revelations about Rendlesham are not positive ones, if you consider this case to be prime evidence of an alien landing.

The events that have gathered pace in this case since last year have really not been thinking hard about where this subject of ours is heading. More than one or two UFOlogists have told me since Christmas that they feel the answer is towards the dustbin - and fast.

There are various reasons for this mood of pessimism. Some of it is, I suspect, sheer reaction to the overkill media blitz that this field has endured. The X-Files audience we attract in droves have an utterly different expectation to that of those who have stood by UFOlogy during its long exile in the wilderness.

Indeed, many X-Files, as we might term such folk, have unrealistic expectations. They assume that cosmic conspiracies ooze from the woodwork and are reinforced in that belief by honourable UFOlogists like Tim Good and Nick Pope. These men write well argued books and do so honestly, but I feel they inadvertently create the impression that real life is a feature length episode of the exploits of agents Mulder and Scully. Frankly, the truth - as many will tell you - is that our field is often more like the exploits of Mildew and Scummy.

What on earth am I talking about? Well, quite a lot really.

Of course, the sad obsession with money and ego-boosting that has really taken a grip on the subject. Today - as one long time UFOlogist and writer of a number of well respected books told me in justifying why he has virtually quit - there is little reward for integrity. To purchase him - if you do serious work and come up with rational ideas, few want to know - or at best you get paid a pittance to be used by the media as a book. If you are willing to throw your hat into about underground bases where there are conspiracies inside then someone will give you a future and the media will regard you as a hero. How can we hope to go anywhere with these attitudes? It is, he said, terminally debasing to the art of UFOlogy.

Well, there is more. Not only do we face the prospect of hoary old and unproven tales now being gaily covered in fungus but we live in times when far too many scumbags are willing to do and say anything to get their own way.

Recent weeks have seen various examples. Tim Matthews, who is on the verge of publishing what may well prove the book of 1998, revealing what may be the hidden truth behind the legends that have flown over the north west and East Midlands of late, was hit by a nasty barrage of despicable smearing.

This campaign, launched anonymously (I suspect that the people behind it don't have the guts to come out into the open) attempted not only to paint him as a double government agent but may well have put his family at risk.

I am not going into details here and whatever the truth about Tim's political past there is no excuse for the tactics used against him. These same people made the mistake of trying to put the audience off attending a conference organised by Tim in Southport in January with the claim that I was refusing to be there because of these tales. Rot! I happily participated. Those who wish to spread lies for their own ends ultimately get nowhere. The conference was a success and well attended.

There has also been an article doing the rounds that makes scurrilous (not to say libellous) accusations against various people - including myself. This 'UFOlogy is Dead' diatribe is one of the most absurd pieces of trash I have ever read, packed full of statements so easily disproven that it makes you wonder why anyone would dare write it. Of course, the truth is, as Tim Matthews discovered, scumbags do not need to prove anything to easily con the paranoid UFO mob into taking them seriously.

## NEWS ROUND-UP:

*Howards End: Election cover-up alleged*

The general election was over before last summer began, but it seems we all missed the great UFO cover-up battle between the parties. At least, according to reports in January.

I was aware, from the group UFO Kent, that there had been a sighting on 8 March 1997 near Hythe, Kent. I could have carried details in the last NUN, and did report it on UFO Call soon afterwards. But frankly it was no big deal.

In essence a woman journalist driving through Lynpne in the early hours heard a humming noise and got out of her car to see an oval object with lights cross a field. There were other sightings that night in Kent, but the debate was as to whether it might have been a plane or helicopter. It may, or may not, have been.

The decision to resurrect this fairly simple sighting comes because someone has figured out that the UFO flew near the home of then Home Secretary, Michael Howard. In fact 'near' is a bit of a euphemism here because most of the reports were miles away; although the Lynpne one was rather closer. On this basis we would have to consider sightings over Wimbledon as 'near the Queen's home', I guess.

Whatever, the reporter, naturally enough, wrote the thing up for her own paper 'The Folkestone Herald' and then, a few days later, PM John Major made the foolish decision to call a General Election. What could the Conservatives do? They knew that a story linking a senior minister with aliens would destroy the (or) not exactly massive hopes of being re-elected. So the cover-up followed.

Or did it? I saw Derek Sheffield, author of that odd book about the Belgian wave, saying of the government that 'there is one hell of a cover-up going on here'. But the local paper, far from covering this sighting up, gave the thing lots of coverage last March. That is why I put on UFO Call. Editor Melody Foreman flatly rejected any claims that they were put under pressure to suppress the story and certain, nobody attempted to make me change the UFO Call message either. Not a great cover up!

However, we must see through these attempts at subversion. For there are more important issues at stake. UFOlogy needs all the strength it can get from the rational folk who have been willing to fight their way towards the truth. Anyone who does not tow the line, it seems, is perceived by some as the enemy. Because the enemy is largely speaking out from a basis of factual debate these critics cannot win by logical argument so they resort to the only thing that they believe can achieve their ends - they throw mud, attempting by deceit to put off those who might listen to common sense by believing that some huge plot is alive.

There is no plot. The conspiracies that are most deadly to the UFO community do not emerge from the CIA or MoD. They are very much home grown and spread by a few evil minded so-called UFO buffs who want their own way and are determined to demolish the image of good people by lies in order to get it.

We have to stand up to them in a united front. Whilst millions think that UFOlogy is a fool's paradise we have to show that good research, sober investigation and realistic interpretation of evidence is alive and well in Britain today. More than ever those who swim against the tide have to practice their backstroke.

There is a war underway. That war is not between humanity and alien invaders out to destroy the earth. It is not between the forces of darkness and light. It is not even between the establishment and beer swilling would-be Fox Mulder's desperate to foil their plot and then sell the movie rights to Sky. No - this war is between two opposite worldviews about the UFO mystery. One seeks to learn the truth by following the evidence where it will lead and the other knows the answer intuitively and will stoop to anything to make sure that this is what the world gets to see. Sadly, for some, that does not only involve character assassination, but the cover up of unpalatable truths and a substitution of belief and desperation for facts and acceptance of what is proof and what is not.

Northern UFO News will continue to present the evidence as it appears. If that evidence supports exotic ideas (as sometimes it does) we will not be afraid to say so. If, as rather more often, it points squarely at more modest solutions, even perhaps negative explanations, then we will say that too - loud and clear.

UFOlogy cannot survive without the few that are willing to be brave, honest and true. I hope that we can count you amongst that number. If not, this is not the magazine for you.

MY ORIGINAL FULL REVIEW OF THIS BOOK WAS DATED JULY '97 SO A FEW WORDS WILL SUFFICE HERE.  
SOME 8 YEARS IN THE MAKING, MUCH RESEARCH AND NUMEROUS TRIPS TO EAST ANGLIA RESULTED IN A VERY DETAILED, VERY INTRIGUING BOOK, THIS IS LARRY'S STORY, SOMETIMES IN GREAT DETAIL, SOMETIMES STILL VAGUE.  
TO FULLY COMPREHEND THE COMPLEXITY OF LARRY'S INVOLVEMENT IN THE RENDLESHAM FOREST INCIDENT (SOME DETRACTORS SAY HIS NON-INVOLVEMENT), YOU SIMPLY HAVE TO READ THE BOOK, NOT ONCE, MAYBE SEVERAL TIMES, AS EACH READING BRINGS HOME DETAIL SUBCONSCIOUSLY MISSED BEFORE, I'VE CHECKED THRU IT NO LESS THAN 8 TIMES SINCE JULY, JUST TO MAKE SURE I'VE GOT HIS ACCOUNT RUNNING FLUENTLY IN MY MIND. TEL: 01245-493775

DEAR MR BIRDSALL,

WELL, AFTER 4 YEARS OF BEING INDIRECTLY IN RECEIPT OF MY DISCLOSURES, THEY ARE SENT TO TONY DODD, I'M THROWING THE GUANTLET DOWN IN YOUR DIRECTION.

BY PRINTING THIS LETTER YOU CAN PROVE TO ME AND PERHAPS NUMEROUS RESEARCHERS THAT UFO MAGAZINE IS NOT LIKE THE REST OF THE 'UFO-GLOSSIES'.....INASMUCH THAT THEY DELIBERATELY IGNORE COMPLETELY THE CLAIMS MADE BY A UFOLOGIST WITH A VERY LONG AND PROVEN TRACK-RECORD, SIMPLY BECAUSE THE CLAIMS MADE ARE PERHAPS A LITTLE ON THE CONTROVERSIAL SIDE (OR VERY MUCH SO DEPENDING ON YOUR POINT OF VIEW!).

WILL UFO MAGAZINE CONTINUE, JUST LIKE ALL OF THE OTHERS, TO OPERATE A FORM OF CENSORSHIP, UFOLOGY HAS ALWAYS AND WILL CONTINUE TO POLICE ITSELF WHEN IT IS CONFRONTED BY SOMEONE WITH CLAIMS THAT ARE PERHAPS 'AGAINST THE GRAIN'.

I'VE BEEN BAFFLED BY THE RESPONSE OF SO CALLED OPEN MINDED OBJECTIVE RESEARCHERS DURING THESE PAST 4 YEARS, BECAUSE THE RESPONSE HAS BEEN OF QUIET WHISPERS IN THE SHADOWS AND RELUCTANCE TO EVEN TRY TO CONSIDER THAT WHAT I'VE BEEN SAYING COULD AT LEAST BE PLAUSIBLE.

THE SITUATION HAS ANGERED ME MORE RECENTLY SOLELY DUE TO VARIOUS INDIVIDUALS NOW COMING FORWARD WITH VERY SIMILAR CLAIMS, THESE PEOPLE ARE LISTENED TO, ARTICLES APPEAR RIGHT LEFT AND CENTRE, UFOLOGY SITS UP AND TAKES NOTICE, UFOLOGY THINKS "WOW, REALLY!".

NO ONE SEEMS TO QUESTION THESE INDIVIDUALS, CERTAINLY NO ONE USES ANY FORM OF 'IN HOUSE CENSORSHIP', YET MY CLAIMS, OF THE SAME TYPE OF DATA, WHICH CAME FIRST, ARE CONTINUALLY SWEEPED UNDER THE UFOLOGICAL CARPET!.

MUCH OF WHAT I HAVE BEEN DISCLOSING CAN BE VERIFIED, MUCH TIES IN WITH PAST EVENTS I WAS INVOLVED WITH AS A RESEARCHER, MOST OF THE OTHER 'PLAYERS' ARE STILL AROUND WITHIN THE UFO COMMUNITY, SOME DATA HAS EVEN BEEN BACKED UP BY OTHERS, YET THE 'IGNORE AND IT WILL GO AWAY' SYNDROME PERSISTS, I JUST NEED TO KNOW WHY?.

A QUARTER OF A CENTURY AGO I DARED TO REPORT A CLOSE-ENCOUNTER, SOMETHING THAT NO UFOLOGIST OF THE DAY DARED TO DO, YEARS LATER A CLIMATE CHANGE WAS EVIDENT, MORE AND MORE RESEARCHERS CAME FORWARD WITH THEIR EXPERIENCES, AND NO ONE SHOT THEM DOWN.

A CASE IN POINT IS THE MUCH RESPECTED HIGH PROFILE UFOLOGIST TONY DODD, NO ONE TO MY KNOWLEDGE HAS RIDICULED HIS CLAIMS, NO FORM OF CENSORSHIP WAS IMPOSED, AND RIGHTLY SO.

BRITISH UFOLOGISTS ARE EVER EAGER TO DEVOUR STRANGE CLAIMS FROM OTHER COUNTRIES, AND IT SEEMS ANYTHING GOES IN THE USA, BUT WHEN SOMEONE COMES ALONG AND RELATES DETAILS OF NASTY GOINGS-ON RIGHT HERE IN THE UK, WELL, UFOLOGY CANNOT STOMACH THAT IDEA..... ITS 'IT CAN'T BE THEREFORE IT ISN'T...' SO MUCH FOR OBJECTIVITY.

MY DISCLOSURES, MY DOCUMENTS, HAVE BEEN RELEASED INTO THE PUBLIC-DOMAIN FOR 4 YEARS NOW, IF I WERE A HOAXER, A CRACKPOT, WOULD I NOT GET A LITTLE TIRED OF IT ALL AFTER SUCH A TIME?, WOULD I NOT GET BORED WITH THE THING AND PULL OUT?, BUT NO, HERE I AM LOOKING TO ANOTHER 4 YEARS IF NECESSARY.

IT HAS BEEN AN UPHILL STRUGGLE, I'VE FACED VARIOUS FORMS OF HASSLE AND INTIMIDATION, ACTUAL THREATS AND ONE OR TWO BEATINGS, YET FOR SOME SILLY REASON I KEEP ON WHISTLEBLOWING. IT IS BAD ENOUGH THE STUFF I'M PUTTING UP WITH FROM AGENCIES SUCH AS THE NSA, WITHOUT BEING CENSORED BY MY OWN SIDE, UFOLOGY, ITS A NO WIN SITUATION.

I'VE SAID MY PEACE, IT REMAINS WHETHER UFO MAGAZINE HAS THE GUTS TO ACTUALLY PRINT THIS LETTER OR NOT, I SOMEHOW DOUBT IT, BUT SHOULD YOU DECIDE TO GO AHEAD I THANK YOU IN ADVANCE FOR YOUR BRAVERY AND COURAGE.....TIME WILL TELL MR EDITOR, TIME WILL TELL.

BEST WISHES AND REGARDS,

*R. H. King*

Dear Mr. King,

Apologies for time taken to respond to your correspondence - heavy workloads has resulted in a vast backlog of personal mail/queries that I am only now able to turn my attention to.

Let me assure you at the outset that neither of our publications has ever been subjected to any form of outside pressure or interference by either government or intelligence agencies. Over 2,000 NSA personnel work at Menwith Hill (4 miles from our offices) and the majority live in this area. Whilst it is true to say we have had visits from NSA employees, these at no time have remotely taken on a sinister turn.

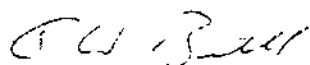

In point of fact, I have only just published a major item on NSA in our current issue of The Unopened Files, which is not only highly critical of their surveillance methods against industry, but includes phrases from their classified "Security Guidelines" manuals. This article is supported by factual documentation and a recent European Commission report into NSA activities.

In your own case, I have yet to see any recent submission by your good self cross my desk - that is a fact you may be unaware of. I do recall reading or hearing about your being threatened, but that was last year I believe. My instinctive reaction to that was: Has he made an official complaint to the police and if so, what transpired? Has he written to his Member of Parliament?, etc.

Assuming you have done one or the other (or both), I would be interested in learning the outcome. You should really take a hard look at what we publish, especially in The Unopened Files, before accusing us of being subject to some form of official censorship.

Assuring you of our best attention at all times, I am,

Yours faithfully,

Graham W. Birdsall

## THE VOICE FILES

APRIL 17TH 1998

TELEPHONE: 01245-493775

DEAR MR BIRDSALL,

MANY THANKS FOR YOUR LETTER REPLY RECEIVED TODAY, TO BE HONEST I WAS NOT SURE I'D RECEIVE A RESPONSE FROM YOU, BUT I'M GLAD YOU DID.

NOW I'VE RECEIVED AN 11TH HOUR REPLY FROM YOU IT LOOKS VERY MUCH LIKE THAT MY LETTER TO YOU DATED 23RD FEBRUARY, WILL NOT NOW BE PRINTED IN UFO MAGAZINE.

YOUR REPLY, ALBEIT VERY INTERESTING, DID NOT ACTUALLY ADDRESS THE ISSUES IN MY LETTER AT ALL, IN FACT YOU HAVE TURNED IT COMPLETELY AROUND AS IF I WAS SUGGESTING OFFICIAL CENSORSHIP AGAINST YOUR ORGANISATION/PUBLICATIONS, IF YOU CARE TO RE-READ MY LETTER YOU WILL SEE THAT I'M ACCUSING YOU OF CENSORSHIP TO OTHERS, MYSELF INCLUDED, WHETHER ACCIDENTAL OR INTENTIONAL.

HOW CLOSE DO YOU LIAISE WITH YOUR COLLEAGUE TONY DODD?, HIMSELF A VICTIM OF NSA HARRASSMENT.

SO, MY POSITION IS ONE OF TRYING TO ASCERTAIN IF UFO MAGAZINE/THE UNOPENED FILES IS PART AND PARCEL OF THE CENSORSHIP WITHIN UFOLOGY, AS SIMPLE AS THAT, I DID TRY TO SPELL THINGS OUT IN MY LETTER.

REGARDING THE OTHER POINT YOU MENTION, AND HERE AGAIN YOUR COLLEAGUE TONY DODD SHOULD BE ABLE TO EXPLAIN THE SITUATION FOR YOU, BEING AN EX-POLICEMAN.

VERY BRIEFLY IT GOES LIKE THIS: I MAKE A FORMAL COMPLAINT, MY STATEMENTS ARE CHanneled UP THRU THE CHIEF CONSTABLE/CHIEF INSPECTOR LEVEL AT POLICE HQ HERE IN CHELMSFORD, NOW BECAUSE THIS IS A NATIONAL DEFENCE ISSUE IT CHANNELS THRU TO SPECIAL BRANCH/MI5, MI5 LIAISE CLOSELY WITH NSA, NSA GIVE MI5 ONE OF THOSE LOOKS AND SAYS 'DROP IT', AND BELIEVE ME IT WILL BE DROPPED, NO ACTION WILL BE TAKEN BECAUSE ALL ANYONE IN THE CHAIN WILL HAVE TO SAY/BE TOLD, IS "IT IS A DEFENCE OR NATIONAL SECURITY ISSUE.....IT GOES NO FURTHER".

THE SAME GOES WITH MEMBER OF PARLIAMENT, IT WILL GO SO FAR THEN ENQUIRIES WILL BE STONEWALLED ON THE GROUNDS OF NATIONAL SECURITY MATTERS.....ASK ANYONE HOW THE SYSTEM WORKS.

WELL, I LOOK FORWARD TO SEEING THE NEXT ISSUE OF UFO MAGAZINE DURING NEXT WEEK, MINUS MY LETTER OF COURSE. I REPEAT, I DO NOT ACCUSE YOU OF BEING SUBJECT TO SOME FORM OF OFFICIAL CENSORSHIP, BUT I DO ACCUSE YOU OF PARTICIPATING IN SOME FORM OF 'IN-HOUSE' UFO COMMUNITY CENSORSHIP, THERE IS QUITE A DIFFERENCE.

MAYBE I SHOULD SEND COPIES OF 'THE VOICE' DIRECT TO YOU AS WELL AS TONY DODD, YOU COULD THEN SEE FOR YOURSELF, AND MAYBE YOU SHOULD ACQUAINT YOURSELF TO THE WHOLE STORY, PERHAPS YOU SHOULD SEE ALL 35 ISSUES TO DATE!.

*Regards  
Barry*

MISSION IMPOSSIBLE - THE MICRO UAV?

In 1998 a 12-18 in micro UAV will fly. It will carry a small video camera which weighs 5 gr. Three years later a humming-bird size version will take to the air. Three years after that an insect-sized UAV will lift off with a 1 gr. camera and a 2 gr. pheromone scent detector. Its job will be to enter buildings, find specific humans and watch them. Perhaps, as one engineer suggested, it may even carry a deadly poison in a sting.

GEC-Marconi have spent ten years, and many millions of pounds, developing the Phoenix battlefield-surveillance UAV system which has yet to go into service with the British Army. (GEC-Marconi)

CHECK  
IT  
OUT!

Step inside the door of this rural bungalow nestling in the Essex countryside and discover the twilight world of the Government Cold War.

Behind the blast screens that protect this bungalow is the entrance to an amazing labyrinth of rooms built in to a hillside, encased in 10 feet thick reinforced concrete and 100 feet underground.

This is where central government and military commanders would have run the country had the UK been attacked and nuclear war broken out.

Built in great secrecy and under strict military security the local villagers and contractors alike knew nothing of what was concealed in this hillside or how it would be used.

But you now have the chance to see how the 600 "key personnel" - possibly including The Prime Minister - would have lived and organised all aspects of the nuclear war from helping the civilian population through to the counter strike against Britain's enemies.

See for yourself this bunker with its own water supply and electricity generators, BBC Studio, radar room and the scientists room where nuclear fall out patterns would be plotted.

**Based just 20 miles from central London this Bunker was one of Britain's best kept secrets and now it is open to you!**

**The Canteen** - operating round the clock to provide hot food to two messes.

**The Dormitory** - one of five built to house up to 600 personnel on constant 'hot bed shifts'.

**Central Government** - the civilian operations room where Ministers, possibly including The Prime Minister, would be based.

**Scientists' Centre** - experts would monitor nuclear blast and predict fall out patterns from this room.

**BBC Studio** - this would have issued all emergency broadcasts throughout the region.

**Entrance Corridor** - designed so the bunker could be easily defended against attack from the civil population.

**Plant Room** - the life support systems for the bunker - all duplicated for contingency reasons.

**Military Operations Command Centre** - Britain's retaliation against nuclear attack would be planned from here.

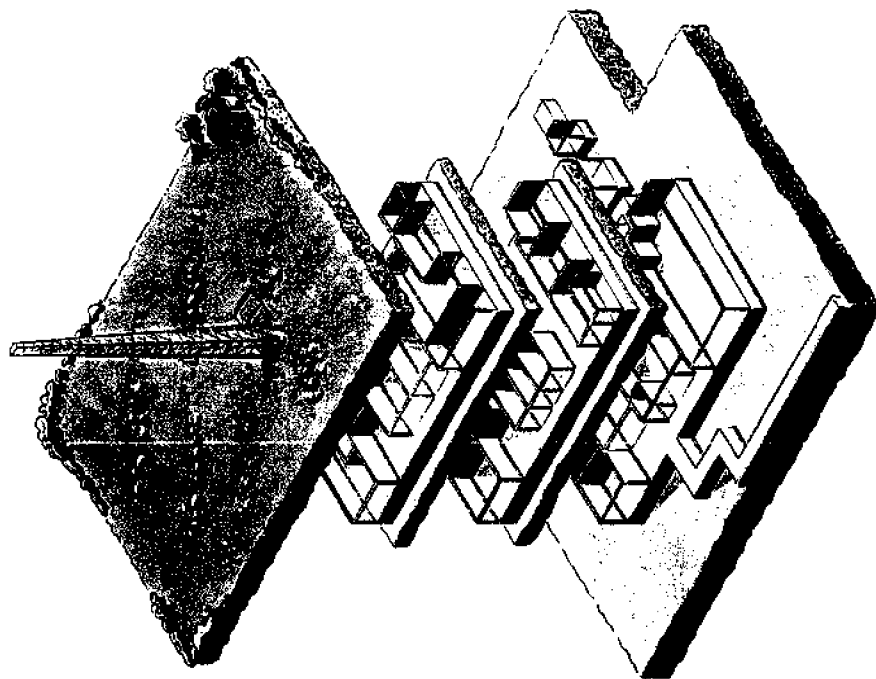

**Sick Bay** - fully equipped to meet the medical needs of 600 personnel for three months

BLURB: SETH SHOSTAK HOLDS A DEGREE IN PHYSICS FROM PRINCETON, AND A PH.D IN ASTRONOMY FROM THE CALIFORNIA INSTITUTE OF TECHNOLOGY. HE IS THE PUBLIC PROGRAMS SCIENTIST AT THE SETI INSTITUTE IN MOUNTAIN VIEW, CALIF.

WARNING, WARNING, UFOLOGISTS SHOULD CONSULT THIS BOOK BEFORE THEY INVESTIGATE ANY NEW CLOSE ENCOUNTER OR ABDUCTION CASE, FOR HERE, IN GREAT SCIENTIFIC DETAIL, IS WHERE THE LITTLE CRITTERS MAY COME FROM, WHAT THEY COULD (OR SHOULD) LOOK LIKE, THEIR BEHAVIOR PATTERNS, HOW WE COULD ACTUALLY GET IN TOUCH WITH THEM, PLUS ADVICE ON WHAT TO DO WHEN (NOT IF!) E.T. CALLS.  
 A FASCINATING READ, HEAVY GOING AT TIMES, BUT THIS WILL SURELY BRING THE STUDY OF UFO'S AND ALIEN LIFE FORMS BACK DOWN TO EARTH IN A VERY BIG WAY.  
 A SHOULD READ TYPE OF BOOK, RECOMMENDED.

FOLLOWING SWIFTLY ON FROM NICKS FIRST BOOK, "A COVERT AGENDA", WHICH DETAILED THE BRITISH GOVERNMENT COVER UP OF THE UFO SUBJECT, TREATING US WITH DOCUMENTATION PRISED FROM THE PRO, WE NOW HAVE A VERY SIMILAR FORMAT, THIS TIME DETAILING THE PERHAPS LITTLE KNOWN ROLE THE FBI HAD IN UFO INVESTIGATIONS, MAINLY IN THE TIME FRAME LATE 40'S TO EARLY 70'S. AGAIN NICK DISPLAYS A GREAT AMOUNT OF PAINSTAKING RESEARCH IN HIS GATHERING OF DOCUMENTATION OF AN OFFICIAL NATURE, SO MUCH SO THAT HE HAS TAKEN THE TITLE FROM RESEARCHER TIM GOOD AS 'THE DOCUMENT MAN'.  
 WITHIN THE PAGES OF THIS SPLENDID BOOK ARE INSTANCES WHERE THE BUREAU GOT MIXED UP IN ANIMAL MUTILATION CASES, AND STRANGELY ENOUGH, MEN-IN-BLACK REPORTS. I FOUND PAGE 154 TO BE OF GREAT INTEREST, YOU MUST READ THE BOOK.

THERE IS A WEALTH OF DATA, OF INFORMATION HERE, ALTHOUGH I'M A LITTLE CONCERNED THAT MANY RESEARCHERS WILL HAVE ACCESS TO AT LEAST SOME OF THIS ALREADY, STILL, ITS HANDY TO HAVE IT ALL NICELY IN ONE BOOK RATHER THAN LOOSE FILES ALL OVER THE SHOW. A VERY WELL RESEARCHED BOOK, READER FRIENDLY, AND OF COURSE ETH ORIENTATED, AS THE AUTHOR MAKES NO BONES ABOUT THE FACT THAT HE STRONGLY BELIEVES ALIENS OF AN EXTRATERRESTRIAL NATURE, ARE VISITING OUR LITTLE PLANET. THOROUGHLY RECOMMENDED.

## TIMOTHY GOOD — Researcher, England

Timothy Good is a Londoner with 30 years experience investigating and researching the field of UFOs. He has traveled the world as a symphony musician and been privileged to do research and interviews in all corners of the globe. He believes the documents, photos and medical evidence he has seen are so revealing and important that they had to be released to the public. To do so he has authored a book, *Above Top Secret*, one of the most thorough works of its kind ever attempted. Good also serves as a magazine consultant.

Tim's look at animal mutilations has led him to many parts of the world. He has researched the Russian public investigations, events which they now deny ever occurred and counts the number of UFO students in China at over 20,000.

Timothy Good names names and tells his truth of the UFO ET picture. Human ET animal experiments, NASA contacts, fakery, a startling theory about George Adamski, nordics, the Bible and the world-wide cover up are only part of his findings.

Timothy Good's extensive research exposes many little known details of the UFO story around the world.

### BOOK REVIEW

**"ALIEN BASE" EARTHS ENCOUNTERS WITH EXTRATERRESTRIALS** **TIMOTHY GOOD**

1998 H/B 419PP ILLUSTR. B/W AND COLOR PLATES ISBN 0-7126-7812-3  
£16.99p

CENTURY, RANDOM HOUSE UK LTD, LONDON

LIKE THE AUTHORS PREVIOUS 'HEAVYWEIGHTS', "ABOVE TOP SECRET" AND "BEYOND TOP SECRET" THIS BOOK ALSO INITIALLY GIVES THE IMPRESSION OF REQUIRING A BIT OF HARD WORK TO WADE THRU IT, BUT AGAIN, JUST AS THE EARLIER TITLES, THIS PROVES TO BE A FALSE IMAGE, THE BOOK IS IN FACT VERY READER FRIENDLY.

IN "ALIEN BASE" TIM GOOD CONCENTRATES ON ACTUAL INTERACTION BETWEEN HUMANS AND ALLEGED EXTRATERRESTRIALS, WORLDWIDE, FROM LITTLE KNOWN INCIDENTS IN THE PAST RIGHT UP TO PRESENT DAY ENCOUNTERS, IN HIS USUAL, DETAILED STYLE, AND IN SOME CASES THIS DETAILED TREATMENT IS MOST WELCOMED.

YOU WILL FIND IN THIS BOOK CASES REPORTED WORLDWIDE, OLD AND NEW, OF THE LIKES OF ADAMSKI, FRY, AVB, WATTS, SCHIRMER, MENDER, ETC, ETC, ETC.

READERS ARE ALSO TREATED TO LOCATIONS OF SUSPECTED ALIEN BASES ON THIS PLANET, INCLUDING THE ALLEGED DULCE FACILITY, THESE ARE SCATTERED AROUND THE GLOBE YET STRANGELY THE AUTHOR STATES THAT THERE ARE NONE IN THE UK!

WITHIN ITS PAGES WE ALSO HAVE CASES OF ANIMAL MUTILATIONS, NEW MIB STORIES, AND THE ODD RETRIEVAL OR TWO.

LONG OVERDUE, AND WELL DONE TO THE AUTHOR, IS A VERY DETAILED RUNDOWN ON THE 1960'S CONTACTEE PAUL VILLA, MOST ARE FAMILIAR WITH HIS SPECTACULAR COLOR PHOTO'S TAKEN BETWEEN 1963 AND 1966, BUT HIS ACTUAL ENCOUNTERS WERE, UNTIL NOW, SADLY LACKING IN PRINT, IN DETAIL THAT IS.

IF YOU HAVE READ TIM'S PREVIOUS BOOKS YOU NEED TO CONTINUE THE PROCESS AND READ THIS ONE, VERY WELL DETAILED, VERY WELL RESEARCHED. A BOOK THAT SHOULD BE FOUND ON EVERYONE'S BOOKSHELF.

HIGHLY RECOMMENDED 9/10

DIS (DEFENCE INTELLIGENCE STAFF) .....DEPARTMENTS DI55 AND DI20

FOR THE PRIMARY BENEFIT OF NICK REDFERN, TIMOTHY GOOD AND JENNY RANGLES

REGARDING THE GOVERNMENT, OR OFFICIAL 'MEN IN BLACK' IF YOU LIKE, AS ONLY RELATIVELY RECENTLY ACKNOWLEDGED BY UFOLOGISTS TO EXIST, SHAME MY FILMED INTERVIEW WITH RAPIDO WAS SHUNTED AWAY IN JANUARY, AS I MADE IT PERFECTLY CLEAR ON FILM WHOM WERE RESPONSIBLE, BUT NOW YOU HAVE IT IN PRINT.....

THE MEN IN BLACK

DI20 UNDERSTAFFED LITTLE DEPARTMENT COMPRISING:

1 BRITISH ARMY MAJOR (ARMY INTELL.)	LIAISING WITH DIS ALL SECTIONS
2 TECHNICAL STAFF	LIAISING WITH DSTI
2 FIELD AGENTS	
1 DEPARTMENT HEAD	

( ONE OF THE ABOVE, WHICH ONE I DO NOT KNOW, IS CALLED MILLS OR MILLBANK )

IT IS THE RESPONSIBILITY OF DI20 TO SEND FIELD AGENTS TO INTERVIEW MEMBERS OF THE PUBLIC, CIVILIANS IN GENERAL, TO DEBRIEF, TO DEBUNK REPORTED CASES OR SIGHTINGS OF A PARTICULAR CALIBRE.

THE TWO FIELD AGENTS ARE EMPOWERED TO CONFISCATE ANY PHYSICAL EVIDENCE WHERE SUCH EVIDENCE IS AVAILABLE, IT IS ALSO WITHIN THE SCOPE OF THEIR ACTIVITIES TO, WHEN CIRCUMSTANCES DICTATE, ACT IN TYPICAL STEREOTYPED 'MEN IN BLACK' FASHION IN ORDER TO CONFUSE WITNESSES AND ANY FOLLOW-UP RESEARCHERS.

THE 'OFFICIAL' MEN IN BLACK ARE THEREFORE SENT OUT BY DI20 ON THE SPECIFIC INSTRUCTIONS OF DI55.....DI55 DO NOT THEMSELVES SEND OUT FIELD AGENTS.

## "ENVIRONMENTAL CONTROL PROCEDURES"

RESTRICTED FOOTAGE

THIS DISTURBING AND DISTRESSING 'STOCK FOOTAGE' WAS AMONG SEVERAL SUCH ITEMS SHOWN TO ME DURING THE PAST 6 MONTHS OR SO.

B/W AND COLOR      SILENT AND SOUND      SCENES DATING PERHAPS 30s/40s TO 90s?

I WAS TOLD NOT TO ASK ANY QUESTIONS ALTHOUGH I COULD MAKE SIMPLE COMMENTS WHILST I WAS RIGGED UP TO THE STRESS ANALYSIS RECORDING MACHINE, MY REACTIONS WERE BEING GAUGED VERY CLOSELY. AT THE END I WAS ASKED BY ONE BOD "HAVE YOU ANY FINAL COMMENTS?", TO WHICH I REPLIED "WAS THAT FOR REAL?"....."THAT WAS A QUESTION MR KING, HAVE A GOOD DAY". I WAS THEN TAKEN HOME.

## "ENVIRONMENTAL CONTROL PROCEDURES"

THE FILM BEGAN IN OLD BLACK AND WHITE, SHOWING OPEN COUNTRYSIDE, LAKES, HILLS, PASTURES, GRAZING ANIMALS, SMALL COUNTRY ROADS WITH VERY LITTLE TRAFFIC, THEN ONTO STREETS, HOUSES, MUCH MORE TRAFFIC, THEN ONTO COLOR SCENES, MORE MODERN, OF A CITY, MANY PEOPLE, TRAFFIC EVERYWHERE, THEN BACK TO BLACK AND WHITE FOOTAGE OF FARMERS, SMILING FRIENDLY FACES, THESE TURN INTO SCENES OF HAUNTED, SERIOUS AND WORRIED LOOKING PEOPLE PASSING EACH OTHER BY ON THE STREET. FROM A NORMAL TOWN SCENE TO ONE OF WHAT CAN ONLY BE DESCRIBED AS A 'GHETTO' AREA OF A LARGE CITY, YET MORE LIKE A BATTLEZONE, COLOR FOOTAGE ONLY FROM NOW ON EXCEPT WHEN CCTV TYPE FOOTAGE IS SHOWN, WHICH IS MONOCHROME.

THE VIEW IS OF DAMAGED AND LOOTED BUILDINGS, DEBRIS LITTERING THE STREETS, CARS ARE ON FIRE AND/OR OVERTURNED, VERY MANY PEOPLE RUNNING AROUND, SHOUTING AND SWEARING, ONE OR TWO INDIVIDUALS TRYING TO GET AWAY IN PANIC, BURSTS OF GUNFIRE, CLOSE UP OF DAMAGED SHOP FRONTS....DAMAGED VEHICLES....DEAD AND INJURED PEOPLE. THEN MILITARY VEHICLES ARE SEEN PATROLLING THE STREETS, DARK GREY IN COLOR, THESE ARE BEING FIRED UPON, INJURED TROOPS RETREAT AND MILITARY VEHICLES TURN AND GO.

SWITCH TO WHAT APPEARS TO BE SOME FORM OF CCTV FOOTAGE, IN OPEN, MOVING, GOING ALONG STREETS AND PARKS, AT ABOUT HEAD LEVEL, IN VIEW ARE GROUPS OF PEOPLE RUNNING ABOUT, SOME WITH WEAPONS, THEY NOTICE CAMERA, SOME RUN FOR COVER, OTHERS OPEN UP WITH GUNFIRE, FILM GOES BLANK FOR SEVERAL SECONDS.....COMES ON AGAIN AS A SPLIT SCREEN. THIS SPLIT SCREEN IMAGE IS UNUSUAL, THE LEFT SIDE IS SHOWING WHAT APPEARS TO BE AN ADAPTED OR MODIFIED SIKORSKY CYPHER HOVERING ABOVE THE STREET, THERE IS CARNAGE ALL ABOUT, THE RIGHT HAND SIDE OF THE SCREEN SHOWS THE CCTV FOOTAGE PRESUMABLY FROM THE CYPHER (WAS INFORMED LEFT SIDE OF VIEW WAS TAKEN WITH TELEPHOTO LENS FROM AN ARMoured PERSONNEL CARRIER SOME SAFE DISTANCE AWAY).

MOB FIRES UPON CYPHER, ONE OR TWO TRY TO JUMP ON AND HOLD ON TO BASE OF MACHINE, THE CYPHER YAWS TO AND FRO WITH THEIR WEIGHT, THEN A CRACKLING SOUND CAN BE HEARD AS THE MEN FALL/JUMP OFF AWAY FROM THE CYPHER IN OBVIOUS PAIN, THOSE THAT CAN SCRAMBLE AWAY. IN VIEW COME 2 MORE CYPHERS, SAME AS THE 1ST, THE CROWD DISPERSES, VIEW THEN BLANKED.

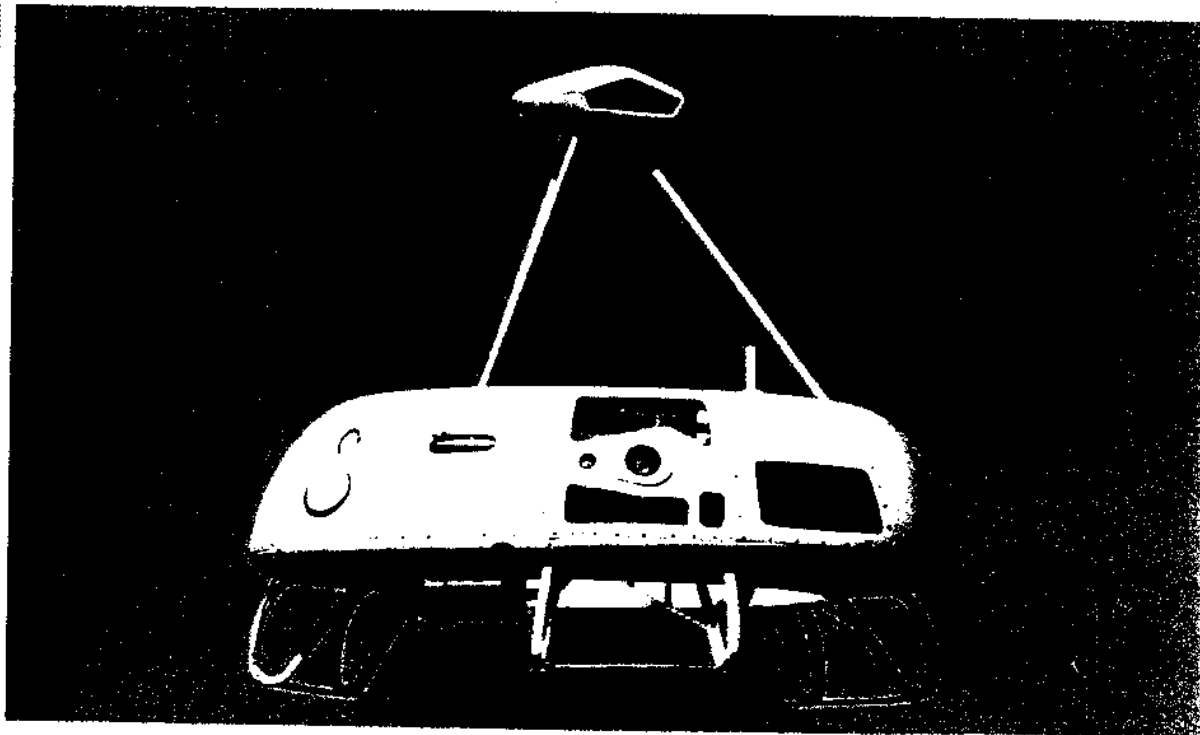

NEXT VIEW FROM ABOVE (HELICOPTER OR HIGHER ALTITUDE CYPHER?) SHOWING 2 CYPHERS IN OPEN SHOPPING AREA, NEAR A PARK, CROWDS OF LOOTERS ARE BEING 'SHOT DOWN' IN THE VICINITY OF THE CYPHERS, BUT NOT CONVENTIONAL GUNFIRE, NO WOUNDS OR BLOOD CAN BE SEEN YET THEY ARE OUT OF IT AND REMAIN STILL ON THE GROUND. THE 2 CYPHERS CONTINUE FORWARD DISPERSING THE REMAINING CROWDS. FINAL SCENES SHOW A LARGE GROUP OF PEOPLE (LOOTERS, ETC) ALL STANDING, SQUEEZED TOGETHER IN A LARGE FENCED COMPOUND OF SORTS, FACING THE CAMERA.

## "ENVIRONMENTAL CONTROL PROCEDURES"

CONTINUED

THE CAMERA IS FROM A CYPHER, THE BOTTOM SECTION OF THE SCREEN IS THEN BLANKED OFF, OBSCURING DETAILS, NUMBERS, LETTERS, ETC.  
A SMALL LIGHT APPEARS MID SCREEN IN AN OPEN BOX LIKE STRUCTURE, SUPERIMPOSED ON THE SCREEN, SUDDENLY EVERY SINGLE HUMAN COLLAPSES TO THE GROUND AND REMAIN STILL, THE CYPHER THEN MOVES IN CLOSER TO VIEW 'BODIES'.....FILM ENDS.

Sikorsky's 'flying saucer':  
the Cypher multi-mission  
reconnaissance-and-  
surveillance UAV.

Below left: Police Sergeant Tony Dodd, who together with PC Alan Dale, encountered this object (right) in the vicinity of Cononley, near Skipton, Yorkshire, in January 1978. (Author) The sketch, by Mark Birdsall of the Yorkshire UFO Society, has been approved by Sgt Dodd. (Mark Birdsall/YUFOS)

## ANTHONY DODD — Researcher, England

A retired English police officer, Anthony Dodd now spends his full time researching UFO and extraterrestrial phenomenon. Dodd's interest in the subject began when he, along with another officer, saw a UFO during their patrol. They were within 100 feet of the huge disc which he estimated to be at least 30 meters in diameter.

The pinnacle of his research has been the crash and recovery of a UFO and its occupants from the Kalahari Desert in South Africa. As reported by Dodd, the case involves a UFO which was shot down by a South African Mirage fighter armed with a laser weapon. The spaceship and the two extraterrestrials were shipped to Wright-Patterson Air Force Base in the United States for a complete investigation. In spite of official denials, Tony has managed to see confirming documents on the case and personally talk with witnesses.

Dodd has reports on many cases with startling details. He had to abandon one because it was too traumatic for the subject. He has photographed UFOs on several occasions and believes contact and abduction activity is increasing around the world. "Something very big will happen soon," he says.

## DID HE JUMP.....OR WAS HE PUSHED?

RUMOURS THAT WERE DOING THE ROUNDS DURING EARLY 1998 WERE RESOLVED FOR ME WHEN I RECEIVED A LETTER FROM TONY A FEW WEEKS AGO, YES IT IS TRUE, HE IS NO LONGER CONNECTED WITH QUEST INTERNATIONAL, "UFO MAGAZINE" AND SISTER MAG "THE UNOPENED FILES", BUT AFTER CAREFUL DELIBERATION OVER A PERIOD OF TIME DECIDED TO BECOME AN INDEPENDENT INVESTIGATOR (NO HARD FEELINGS, NO BAD-NESS BETWEEN HIM AND THE BIRDSALL BROTHERS I'M ASSURED).

SO, QUEST AND BOTH MAGS ARE UNDER THE SOLE CONTROL OF MESSRS BIRDSALL, I DO WONDER HOW LONG THE FLAG WAS FLYING AT HALF MAST AT ( AS ANDY ROBERTS LIKES TO CALL IT ) CASTLE QUEST.

PITY I CANNOT GET THE REMAINING RUMOURS RESOLVED!!!!

WELL, DID HE JUMP.....OR WAS HE PUSHED?

WELL IT IS BACK TO BUSINESS NOW WE HAVE THE WORLD CUP OVER AND DONE WITH, PITY ABOUT THE ENGLAND RESULT, PAR FOR THE COURSE REALLY.

CONSPIRACY THEORISTS ARE GEARING UP FOR THE DEBATE OVER DIANA'S DEATH AS WE APPROACH THE FIRST ANNIVERSARY OF THE 'ACCIDENT' ( I DON'T WANNA GET INTO THAT ONE!! ).

IS UFOLOGY ON ITS LAST LEGS, GLOBALLY?, THE LETHARGY IS VERY EVIDENT, BUT, YOU TELL ME, IS THE SUBJECT DYING?.

DR JOLLY...THE UK ASPECT OF COVERT MIND CONTROL EXPERIMENTS, OH DEAR! I SEEM TO HAVE RATTLED A FEW CAGES BY WHAT I SAID IN THE LAST ISSUE, MY OH MY, SOMEONE SOMEWHERE DOES NOT LIKE WHAT I SAID AT ALL.

EXIT STAGE LEFT.....ON A SAD NOTE WE SEEM TO HAVE LOST A NUMBER OF RESEARCHERS, MAGAZINES AND EVEN GROUPS DURING THE LAST 6 OR 7 MONTHS, FOR VARYING REASONS, HERE ARE A FEW OF THE CASUALTIES.....

"UFO REALITY" MAG                      "SIGHTINGS" MAG                      ROGER MALLET (SPUR)  
MATTHEW WILLIAMS AND HIS TRUTHSEEKERS TRIBE

SOME FOUND COMPETITION TOO FIERCE, OTHERS HAVE THRU SHEER ARROGANCE, BAD MANNERS AND EGO HAVE DROPPED OUT ( OR PUSHED OUT!! ), WHILST OTHERS HAVE SIMPLY GIVEN UP THE GHOST, THERE ARE QUITE A FEW BUT THE ABOVE EXAMPLES WILL GIVE YOU AN IDEA.

WHERE IS THE PROMISED DETAILED NEWS RE THE AUGUST '97 DAYLIGHT DISC FOOTAGE FROM MEXICO?

WHERE IS THE DETAILED NEWS RE THE AREA 51 'ALIEN INTERVIEW' FOOTAGE, ALLEGEDLY SMUGGLED OUT OF NEVADA?.....HUH, SEE PAGE 18 OF "UFO MAGAZINE" JULY/AUG ISSUE, OBVIOUSLY SOMEONE WANTS TO MAKE A QUICK BUCK OUT OF IT!.

RE DUGWAY PROVING GROUND, UTAH.....SORRY MESSRS BIRDSALL AND "UFO MAGAZINE", ON PAGE 12 OF THE JULY/AUGUST ISSUE YOU SAY THIS RE THE FACILITY.....  
'IF, AS NOW SEEMS LIKELY, DUGWAY PROVING GROUND TURNS OUT TO BE A BIGGER ATTRACTION THAN GROOM LAKE, YOU KNOW WHERE IT FIRST RECEIVED A MENTION'  
COBBLERS!!! ANY IDIOT WILL KNOW THAT THE VOICE GAVE THE INSIGHT TO THIS LOCATION A LONG TIME AGO, I BROUGHT IT TO THE PUBLICS ATTENTION BEFORE YOU!!!.

YEP, THE UFO COMMUNITY IN-HOUSE CENSORSHIP RE THE VOICE CONTINUES UNABATED! WHO WAS THAT MASKED MAN!

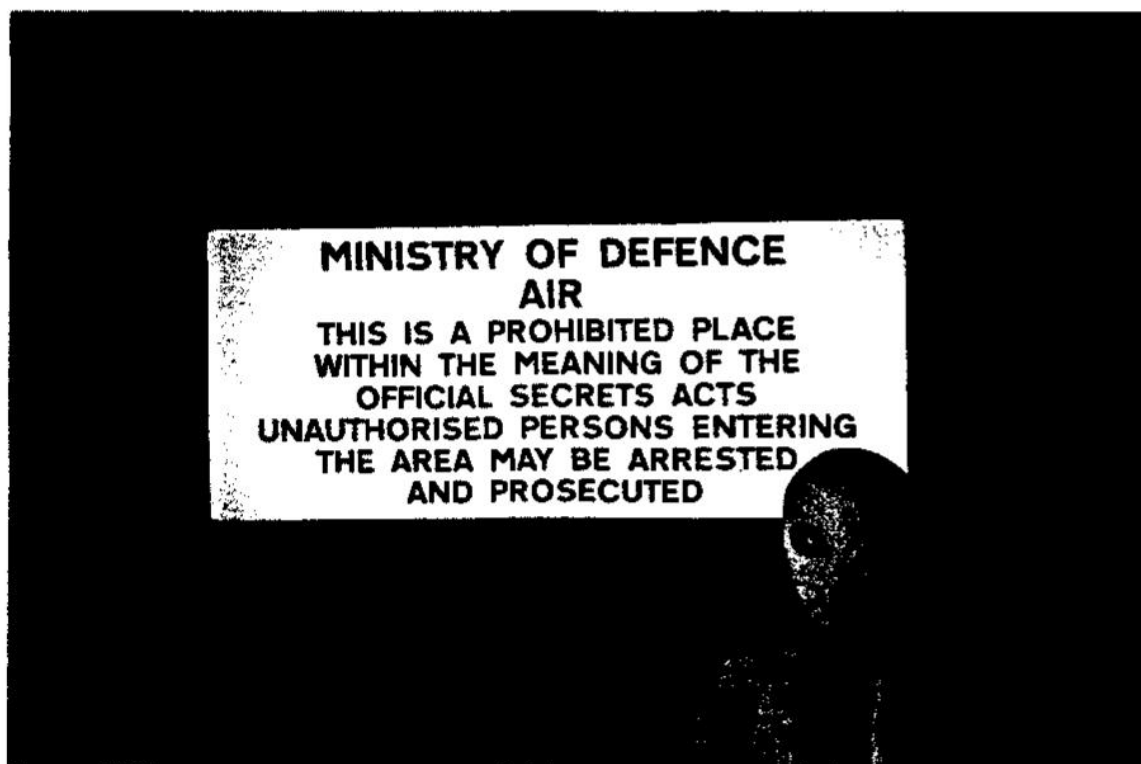

WHY HAS ITV SUDDENLY AND SILENTLY DROPPED THE SERIES "THE VISITOR" FROM SCHEDULES? RATINGS I SUPPOSE.

MI5....WEDNESDAY 29/7/98....NEWS SNIPPET....MI5 WISH TO BE MORE PUBLIC FRIENDLY, WANT A MORE FRIENDLY IMAGE, THEY HAVE PRUNED THEIR FILES TO A MEAGRE 440,000!!! AND WILL MAINTAIN FILES ONLY ON RISK AND THREAT CATEGORIES, MANY FILES ARE STORED ON SUBVERSIVES ( OOPS, THERE GOES THE UFO COMMUNITY! ), BUT WHAT IS THEIR OWN DEFINITION OF 'SUBVERSIVE'?

THAT'S ME DONE, HAVE A GOOD READ AND GO AND ENJOY THE SUMMER.

"THE VOICE"

EVER VIGILANT

OF PASSING INTEREST, MY PSI LEVELS WERE RECENTLY RAISED TO FULL. I DID MENTION IN A PREVIOUS ISSUE THAT 'THEY' REQUIRED THIS, WELL, NOW ITS DONE. SO, DO NOT WORRY IF I SOUND EITHER ALOOF OR AT TIMES INATTENTIVE OVER THE PHONE, JUST THAT I HAVE TO STILL PRACTISE TO KEEP THE LEVELS UNDER CHECK FOR A WHILE, UNTIL IT BECOMES SECOND NATURE AGAIN.

WELL, THIS AUGUST SEES THE START OF BBC-1 SCREENING THE 5TH SERIES OF THE X-FILES, OK FOR THOSE WITH SATELLITE OR CABLE, YOU HAVE JUST FINISHED WATCHING THAT LOT, PLUS OF COURSE SCHEDULED FOR RELEASE AROUND THE 21ST IS THE X-FILES MOVIE 'FIGHT THE FUTURE'.

(WILL NAUGHTY MR CHRIS CARTER USE ANY OF THE DATA/INFO IN THIS SERIES THAT ORIGINATED WITH THE VOICE???)

HE HAS DONE SO BEFORE, INDIRECTLY!!!!!!  
SO HAS MANGA X-FILES COMICS!!

DEPENDING ON FEEDBACK I WILL POSSIBLY USE A FEW PAGES OF THE NEXT ISSUE COVERING VARIOUS SKETCHES OF AL/499.....LET ME KNOW, WHAT DO YOU THINK?, GOOD IDEA OR A WASTE OF BLOODY TIME!.

THE ONLY TIME I GOT SCARED, REAL SHIT SCARED, AT THE BASE, WAS WHEN THE ALARM SYSTEM WENT OFF, THE FIRST TIME I HEARD IT.

## ODDS AND SODS PAGE

WE HAVE ROAD RAGE, WE HAVE AIR RAGE, IT WILL NOT BE TOO LONG BEFORE WE HAVE PEDESTRIAN OR PAVEMENT RAGE!

IT ALL BOILS DOWN TO (FORGIVE THE UNINTENDED PUN) THAT THERE ARE SIMPLY TOO MANY PEOPLE, TOO MANY PEOPLE, TOO MANY CARS, WHAT ONCE WAS CONSIDERED A LUXURY IS NOW A VITAL ITEM TO VERY MANY PEOPLE, MANY SEEM JOINED AT THE HIP WITH THEIR FAVORITE TIN BOX ON WHEELS, VERY FEW OF THEM CANNOT GO A FEW HUNDRED YARDS ON FOOT SO HAVE TO DRAG OUT THE CAR KEYS, MUMS ON SCHOOL RUNS ARE CULPRITS HERE IN THE MAIN. TOO MANY PEOPLE CAN AFFORD TO FLY THESE DAYS, THEY JET OFF ALL OVER THE SHOW ON HOLIDAYS, BUSINESS, WHATEVER, TOO MANY PEOPLE, TOO MANY PLANES.

WE HAVE CONGESTED ROADS, WE HAVE GRIDLOCK, WE HAVE CONGESTED AIR LANES, WE HAVE POLLUTION, WE HAVE DANGER, WE HAVE DEATH.

IT IS A BLOODY MAD WORLD, AND IT ALL COMES DOWN TO.....TOO MANY PEOPLE!

AND GUESS WHAT?

THE PROGRAMS PROJECT TO DEPOPULATE THE PLANET IS ACTUALLY AHEAD OF SCHEDULE PHASE 2 IS NOW IN OPERATION, SOME 4 YEARS AHEAD OF PLAN, WOW, CAN'T WAIT FOR PHASE 3, LOOK IN AROUND 2011-2012!!!!

YOU WERE WARNED!

A NUMBER OF FRIENDS, FAMILY AND COLLEAGUES HAVE COMMENTED FROM TIME TO TIME THAT THE X-FILES EPISODE 'DEEPTHROAT' REMINDS THEM VERY MUCH OF ME, OF HOW I WAS WHEN I RETURNED FROM THE COTSWOLDS IN JANUARY 1980, THE STATE I WAS IN, VERY MUCH IT SEEMS LIKE POOR OLD MULDER WAS WHEN HE WAS RELEASED FROM ELLENS AFB!

GRAHAM BIRDSALL, HE IS A LUCKY OLD SO AND SO ISN'T HE?, THERE HE WAS IN 1993 A HUMBLE TRUCK DRIVER (LIKE MYSELF, A JOB I'D DONE FOR 20 ODD YEARS), AND A FEW SHORT YEARS LATER HE CAN BE FOUND SITTING BEHIND THE EDITORS DESK OF A REALLY DOING WELL UFO GLOSSY MAGAZINE, AND THEN JETTING OFF TO ALL MANNER OF EXOTIC PLACES TO ATTEND CONFERENCES, NICE WORK IF YOU CAN GET IT EH GRAHAM?, I BET YOU NEVER IMAGINED 20 YEARS AGO WITH YUFOS THAT SOMEDAY YOU WOULD BE WHERE YOU ARE AND DOING WHAT YOU ARE DOING NOW!!.

CHECK OUT THE BOOK REVIEW SECTION OF THIS ISSUE, OF PARTICULAR INTEREST TO MY READERS IS THE BOOK BY 'UFO REALITY' EDITOR JON KING ( SOMEONE SAY COURTENEY? ), ENTITLED "COSMIC TOP SECRET".....I DEFINATELY WOULD RECOMMEND READERS DASH OFF TO THE BOOKSTORE AND PURCHASE A COPY, MORE DATA IN THE REVIEW!

ONE LAST THING, DO YOURSELF A REAL FAVOUR, GET OFF THAT WEB, PULL OUT YOUR SITE, DO NOT CASUALLY CHIT CHAT ON THE NET, FOR NOT ONLY IS BIG BROTHER CAREFULLY WATCHING ALL THAT GOES ON, THE FULL BLOWN MILITARY-INDUSTRIAL COMPLEX ARE KEEPING THEIR BEADY LITTLE EYES ON YOU,.....THEY DID START THE THING AFTER ALL!!!

# DEEP THREE THE UNSEEN AGE

Explosive revelations of terrifying conspiracies

HODDER & STOUGHTON, LONDON 1998 PAPERBACK £10 470pp ISBN 0-340-70821-2

SOME WILL SAY THIS BOOK IS NOTHING OTHER THAN A COMPILATION OF STORIES AND FEATURES FROM THE NOW DEFUNCT MAGAZINE 'UFO REALITY', IN A WAY THAT IS CORRECT, BUT HERE IN THE BOOK SUCH STORIES, CLAIMS, CALL THEM WHAT YOU WILL, ARE GIVEN MORE DETAILED TREATMENT, OR RATHER ALL ARE WITH ONE EXCEPTION, MINE!! FOR CONSPIRACY MATERIAL THAT IS RIGHT UP TO DATE AND INCLUSIVE OF UK RATHER THAN SIMPLY AMERICAN STUFF IS WARMLY WELCOMED.

IN FACT IN SOME QUARTERS THIS BOOK COULD WELL BECOME KNOWN AS 'THE CONSPIRACY BIBLE!' JON KING IS A GOOD INVESTIGATIVE JOURNALIST, THERE IS NO DOUBT ABOUT THAT, AND, LIKE MANY OF US IT SEEMS HE HAS ACCRUED HIS FAIR SHARE OF CONTACTS AND SOURCES, WE ALL HAVE THEM, TIM GOOD, JENNY RANGLES, MYSELF, AND SO THE AUTHOR HAS USED DATA WHICH HE CLAIMS ORIGINATED WITH ONE OR MORE SUCH INSIDER SOURCES, PRETTY HEAVY STUFF TOO!.

"COSMIC TOP SECRET"

REVIEW CONTINUED.....

I'M VERY PLEASED TO SEE THAT SOMEONE HAD THE GUTS TO MENTION MY CLAIMS IN A WIDELY AVAILABLE BOOK, AND THAT SOME OF MY CLAIMS, RELEASED OVER THE PAST 4½ YEARS HAVE BEEN VERIFIED AND CORROBORATED BY OTHERS IN THIS BOOK.

OTHER SOURCES HAVE DETAILED MILITARY UFO ABDUCTIONS, SECRET UNDERGROUND BASES, INCLUDING ACTUAL LOCATIONS PREVIOUSLY DISCLOSED BY MYSELF, GENETIC EXPERIMENTS, MIND CONTROL AND IMPLANT TECHNOLOGY, ELF MIND CONTROL TECHNIQUES, ETC, ETC, ETC. ITS ALL IN THIS BOOK, AND I'M PERSONALLY GRATEFUL FOR OTHERS COMING FORWARD AND RELATING THE SAME THINGS I'VE BEEN STRUGGLING TO RELEASE TO THE PUBLIC OVER THE LAST FEW YEARS.

THIS IS A BOOK THAT ONCE STARTED IS NIGH ON IMPOSSIBLE TO PUT DOWN AGAIN, VERY MUCH A THOUGHT PROVOKING BOOK, RECOMMENDED.

THE VOICE SUGGESTS ITS READERS RUSH OUT TODAY AND BUY A COPY, YOUR VERY LIFE COULD DEPEND ON IT, REALLY!!.

There has been an increase in the Study or Idea about the existence of UFO'S & ALIENS. Aliens have been blamed for EL-NINO, Strange patterns on farm land in Britain. Many have claimed to have been abducted by Aliens let alone the countless Sightings we hear about every year, yet nobody has come to any positive conclusion as to what is really out there.

Has anyone ever stopped to think about who lives next door? or who is your partner that you have lived with for 5years? or are these strange beings already in our mist? I don't know the answers to the above but what I do know is that there are some very strange revelations that has recently come to light. The information is so sensitive that even the British Media have refused to comment on it at the moment, this could be as a result of, the Media are buying time to enable them conduct their own research or it might be company policy not to publish such information.

It has been confirmed that in Bristol in the West Country of England, there are some people who were born with CATS EYES,( please note that this is not the name giving to some eye disorder) but the actual shape of their PUPILS are no different from that of a domestic Cat. When this information was brought to my attention a year ago, I found it hard to believe but when I was giving the privilege to speak to One of them and seeing these CATS EYES staring back at me, I found it extremely hard to swallow.

The gentleman I interviewed appeared no different from, you and I, but his Eyes were definitely something to write home about. He is in his late 20s, very intelligent and refuses to confirm whether there are others like him. The drive back to London was mind Blowing as I could'nt stop thinking about my experience, I thought it was a dream and that it would all be over in the morning but I was wrong.

I phoned him for another appointment as I wanted to carryout some test to prove that he had no Contact Lenses on, we ended up in Boots optician who confirmed that He wasn't wearing Lenses.

What there found astonishing, was that, with pupils like that, he still had excellent eye sight so we took a trip down to Vision Express to confirm what I already knew but refuse to believe, but the results were the same.

Now tell me, how many of his kind are amongst us today? What does he know, that we don't? Why have they gone un-noticed for so long? Who are they?

There are PHOTOGRAPHS of my findings on request and if you can answer any of the above questions please do not hesitate to contact me. I WOULD BE VERY HAPPY TO GUIDE YOU TO THIS GENTLEMAN, that is if you dispute my claims.

## STRAIGHT FROM THE HORSES MOUTH!

( RE THE CHARACTER DETAILED ON PREVIOUS PAGE.....CATS EYES ) PHONE INTERVIEW  
MONDAY JUL 20TH '98

QUITE A FEW UFO GROUPS, INDIVIDUAL RESEARCHERS AND MAGAZINES RECEIVED THE STRANGE LETTER IN THE POST IN MID JUNE FROM THE CHARACTER MEKA, AND LIKE MANY, OUT OF SHEER CURIOSITY, I RESPONDED WITH A BRIEF LETTER ASKING FOR FURTHER INFO, GIVING ONE OR TWO POSSIBLE EXPLANATIONS, AND.....REQUESTED PHOTOGRAPHIC PROOF BEFORE TAKING THE MATTER ANY FURTHER.

THERE IT RESTED AS I REALLY DID NOT THINK ANY MORE WOULD COME OF THIS, I'VE ENCOUNTERED SUCH THINGS MANY, MANY TIMES OVER THE PAST 32 YEARS, AND IT SEEMED THIS WAS JUST A VARIATION ON A THEME.

THEN, OUT OF THE BLUE, I RECEIVED A PHONE CALL ON THE AFTERNOON OF MONDAY JULY 20TH, THE CALLER WANTED TO KNOW IF I WISHED TO SPEAK TO THE INDIVIDUAL DETAILED IN A LETTER SENT OUT BY SOMEONE CALLED 'MEKA', NATURALLY I SAID YES.

THERE FOLLOWED A 35 MINUTE PHONE CONVERSATION.

OVER THAT TIME I LET THE MAN DETAIL HIS 'CONDITION' BEFORE I STEERED THE TALK BACK AROUND TO COVER THE SAME GROUND IN ANSWER/QUESTION MODE, AND THEN SOME. ALTHOUGH I WAS GIVEN HIS NAME I OBVIOUSLY CANNOT AS YET VERIFY IF IT IS INDEED HIS REAL NAME, ALTHOUGH I SUSPECT IT IS, I ALSO OBTAINED A CONTACT PHONE NUMBER..... THESE DETAILS ARE AVAILABLE TO BONA-FIDE RESEARCHERS.

THE MAN IS A 28 YEAR OLD SENIOR LOCAL GOVERNMENT EMPLOYEE, HIS ACCENT IS A MIXTURE OF LONDON AND POSSIBLY MIDDLE-EASTERN, HIS NAME ALSO SUGGESTS THAT PART OF THE WORLD.

ANOTHER GIVE-AWAY IS THE FACT THAT THE MAN STATED THAT HE SERVED IN THE ARMED FORCES OF HIS COUNTRY BETWEEN THE AGES OF 12 AND 19.

WHEN THE QUESTION OF PHOTOGRAPHIC PROOF AROSE, AS INDEED MENTIONED IN THE 'MEKA' LETTER, HE SAID NO PROBLEM, THE PICS WERE IN THE BOOT OF HIS CAR, AND HAD NOT BEEN RETURNED TO BRISTOL, SO YES, HE WOULD PUT A COUPLE OF PHOTO'S IN THE POST TO ME, AND THAT I WOULD TAKE IT FROM THERE.

FROM WHAT I COULD MAKE OUT RE HIS 'PECULIAR' EYES, HE STATES THAT AS HIS EYE COLOR IS BROWN, NOT EVERYONE WILL BE ABLE TO DISCERN ANYTHING OUT OF THE ORDINARY, UNLESS HE WANTED THEM TO SEE THE CAT LIKE QUALITY, AND THAT IT WAS NOT IMMEDIATELY, TO MOST PEOPLE, APPARENT THAT HIS EYES HAD THIS SHAPE.  
( I THOUGHT, OH YEAH, HERE WE GO, VISIBLE TO SOME AND NOT VISIBLE TO OTHERS!! ).

ANYWAY, THE CONVERSATION ENDED ON THE PROMISE OF BEING SENT A PHOTO OR TWO, AND THAT I WOULD CONTACT THE MAN SOON AFTERWARDS.

I GAVE IT A WHILE FOR HIM TO ORGANISE THE PICS, BUT HAVING RECEIVED NO RESPONSE BY FRIDAY 31ST JULY I DECIDED TO RING THE CONTACT NUMBER GIVEN, BETWEEN 9.30AM AND 12 NOON THE PHONE JUST KEPT RINGING, AT 12.30PM IT WAS ANSWERED BY A WOMAN WHOM SAID THE MAN WAS OUT AND WOULD BE BACK IN A FEW MINUTES, I LEFT A MESSAGE GIVING MY NAME AND NUMBER FOR THE MAN TO RING ME BACK, ALSO STATING THAT I HAD NOT RECEIVED THE PHOTO'S YET.....AS OF TODAY, WEDNESDAY AUGUST 12TH, NO RETURN CALL, NO PICS!!!!.

SO, THE JURY IS STILL OUT ON THIS ONE!

"HEY, YOU THERE, TURN THAT THING OFF, IT'S PLAYING HAVOC WITH ME IMPLANT!!"

VERBATIM "Record Mirror" 2/8/80 page 17.

Apart from the semi-abortive tour, the band (Stranglers) were in Rome mixing their new album "Merambled". "One of its themes", says Tet, Disney Strangler, piercing the windows and rattling with the smoke in a cocktail, "is the men in black, mysterious people".

"There have been in the past well documented reports from U.S. witnesses who, after filing a sighting, have been visited by strange men dressed in black who issue very strong warnings and discuss what they've seen.

Nobody knows if the MIB are from Outer Space or from the government."

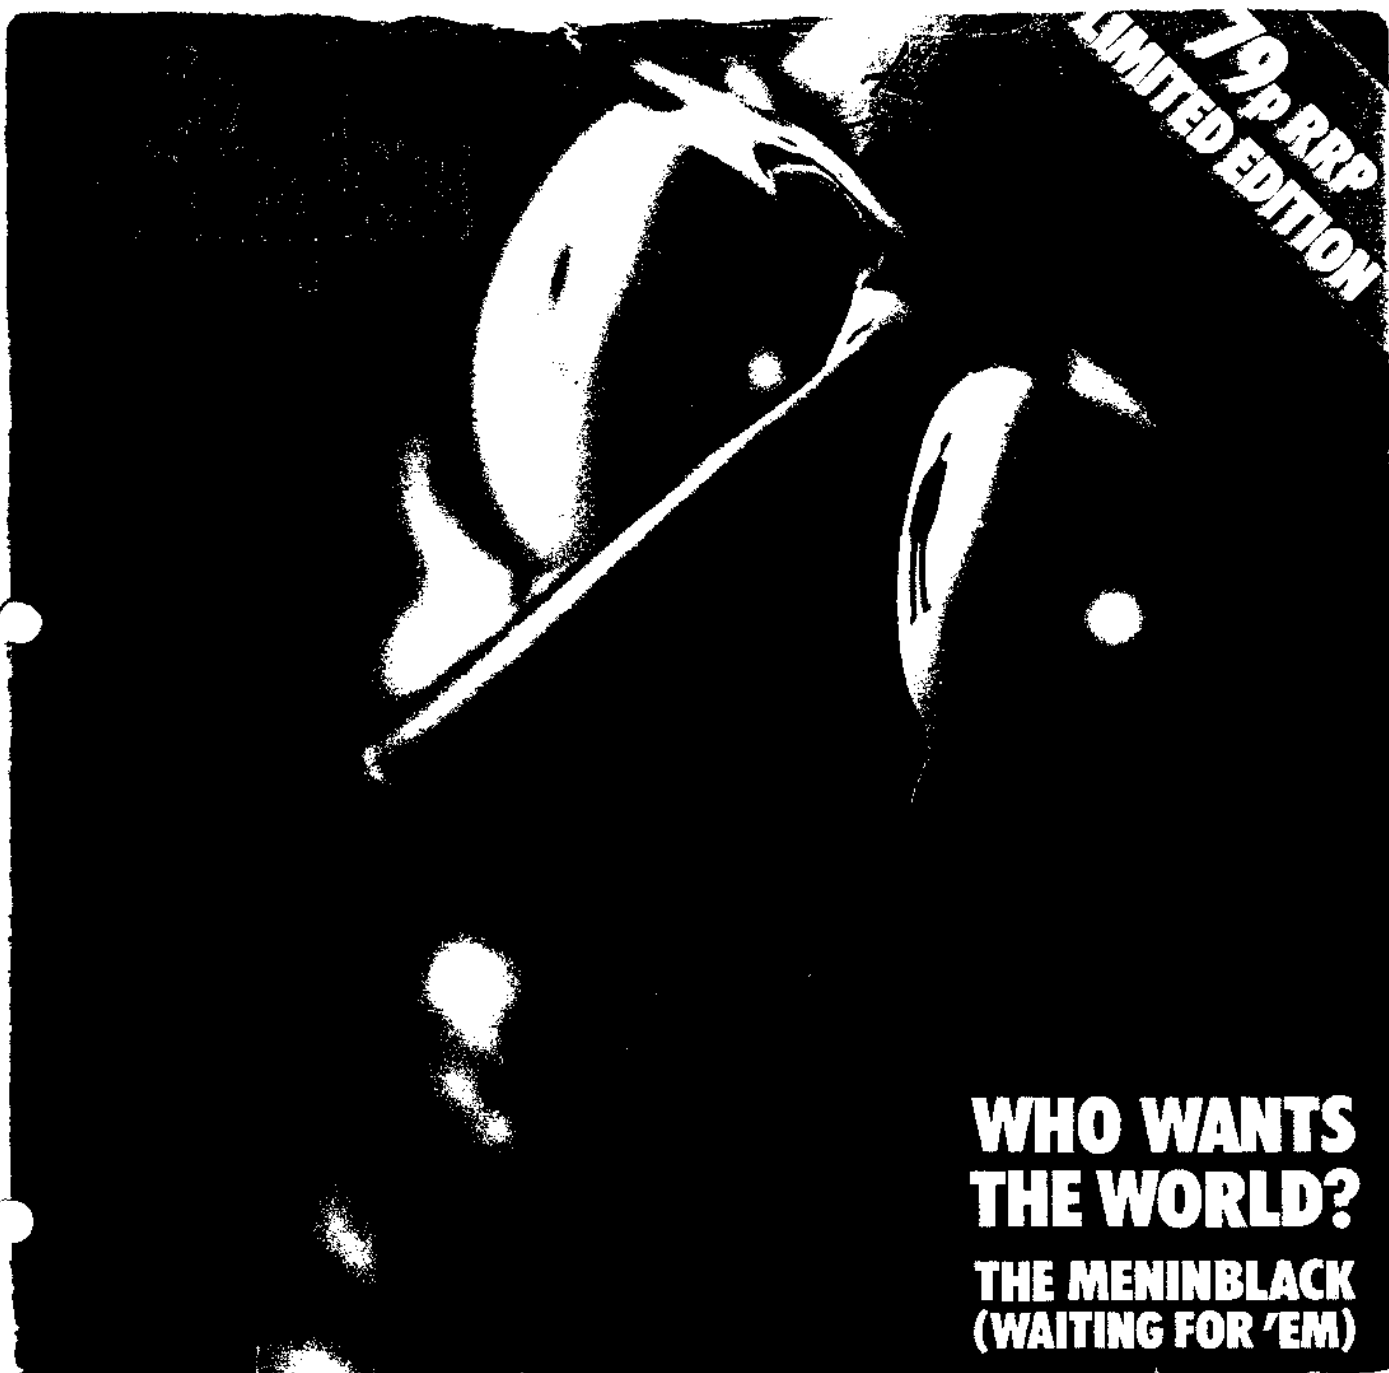

"We've been planning this album for a long time, look at the window on the cover of the Rattus album!" "The unknown", says Hugh, "is one of the fundamental points of interest in the band, we haven't revisited the MIB thing simply because it wasn't the right time". It may be the right time for a MIB, but it's a crucial time for a Strangler. Little aigle, Strangler that don't read the Top 20, a concerted antipathy within rock circles, on friends, on fun."

IN EVERY WAR THERE ARE CASUALTIES, THAT IS INEVITABLE, A FACT OF LIFE, SO TOO ARE CASUALTIES MOUNTING UP IN THIS WAR, ONE OF THE MORE RECENT TO DEPART THE UFO SCENE IS THE GLOSSY MAGAZINE "ALIEN ENCOUNTERS", A BIT OF A SURPRISE I MUST ADMIT BUT THERE YOU GO!.

THERE ARE NUMEROUS OTHERS BUT THE POINT I FEEL HAS BEEN MADE.

THE CURRENT ROYAL MAIL 'DITTY' ON TV SAYS.... 'EVERYONE RESPONDS TO A LETTER'  
NOT!!

GOD ONLY KNOWS WHAT'S GOT INTO EVERYONE BUT ITS BEEN EERILY SILENT THIS END FOR THE PAST FEW MONTHS, FOR THE FIRST TIME IN OVER 4½ YEARS I'VE RECEIVED NO FEEDBACK WHATSOEVER SINCE ISSUE 36 IN JUNE, NONE AT ALL!.

IN THE COURSE OF MY RESEARCH, OVER THE PAST 2/3 MONTHS, I'VE WRITTEN, AS YOU DO, TO NUMEROUS OTHERS ENGAGED IN SIMILAR RESEARCH, HERE AND OVERSEAS, TO DATE I'VE YET TO RECEIVE A RESPONSE FROM ANY OF THEM.

EVEN ALLOWING FOR HOLIDAYS, AND MAKING ALLOWANCES FOR THOSE UFOLOGISTS WHOM NEED SO MUCH TIME TO RESPOND TO EVEN A SIMPLE QUESTION (WELL, WE ARE ALL BUSY), STILL NOTHING COMES THRU THE LETTER BOX, THE MORE PEOPLE I WRITE TO RESEARCH WISE, THE LESS I GET BACK, NATURALLY AFTER A WHILE I SEND A FOLLOW UP LETTER TO PEOPLE, JUST IN CASE THE INITIAL LETTER WENT ASTRAY IN THE POST, YET EVEN THESE GO UNANSWERED, REALLY PECULIAR!.

GETS YOU WONDERING WHAT THE HELL IS GOING ON, EITHER PEOPLE ARE TOO SLOW AND ILL MANNERED, JUST DO NOT HAVE THE COMMON COURTESY OR DECENT BUSINESS PRACTISE TO RESPOND TO LETTERS, ETC, OR IT GETS A BIT SILLY, BY THAT I MEAN EITHER THE STUFF I SEND OUT IS NOT REACHING PEOPLE, OR PERHAPS THEIR STUFF IS NOT REACHING ME, I MUST ADMIT I PREFER TO THINK THAT THERE ARE A LOT OF INCONSIDERATE PEOPLE OUT THERE, THAT MANY ARE 100% ARSEHOLES BY THEIR ACTIONS (OR NON ACTIONS!!), AND THAT UNFORTUNATELY THESE SELF SAME PEOPLE ARE INVOLVED WITH UFOLOGY. AND THIS IS A GLOBAL THING, NOT CONFINED TO THE SHORES OF THE UK.

JUST ONE CASE IN POINT, BACK IN FEBRUARY OF THIS YEAR I SENT OUT A ONE PAGE NOTICE TO 15 (YES FIFTEEN) GROUPS ALL OVER THE UK, AS OF TODAY NOT ONE OF THOSE 15 REPLIED OR RESPONDED IN ANY WAY, AFTER 3 LONG MONTHS I THOUGHT..... "OH WELL, NEVER MIND".....AFTER 6 MONTHS I THOUGHT ... "WHAT A SHOWER OF SHIT", GROUPS, YOU KNOW WHO YOU ARE AND THAT YOU REALLY DO DESERVE SUCH COMMENTS.

WITH ANY LUCK THAT HAS SHOOK YOU ALL OUT OF THAT STUPOR!! WAKE UP UFOLOGY!

## WHO WAS THAT MASKED MAN?!

BILL COOPER, BILL HAMILTON, PHIL SCHNEIDER, BOB LAZAR, BOB DEAN, MICHAEL WOLFE, BOB OECHSLER, BILL UHOUSE, WENDELLE STEVENS, TIM GOOD, BILL MOORE, ETC...ETC.

(PHEW!, QUITE A FEW BILLS AND BOBS EH?)

YOU ARE ALL FAMILIAR WITH THE ABOVE NAMES AND THE VARIOUS CLAIMS MADE BY EACH ONE OVER THE YEARS, AND EACH CLAIM WAS LISTENED TO BY THE UFO COMMUNITY WITH VARYING DEGREES OF ACCEPTANCE OR DENIAL, BUT EACH WAS LISTENED TO AND GIVEN A FAIR HEARING.

BOOKS, MAGAZINES, JOURNALS, NEWSLETTERS, VIDEOTAPES, LECTURES AND TALKS, ALL FORMED PART OF THE INDIVIDUALS VARIOUS CLAIMS AND THEIR RESPECTIVE DISSEMINATION INTO THE UFO MAINSTREAM, THIS AND MORE.

AT LEAST THE ABOVE NAMED INDIVIDUALS RECEIVED A COURTEOUS HEARING BY THE UFO COMMUNITY, BEFORE ANY 'JUDGMENT' WAS PASSED BY THE MAINSTREAM 'UFO ELITE', THOSE SELF PROCLAIMED 'TOP-BODS' WHOM SEEM TO 'MANAGE' UFOLOGY FOR THE REST OF US.

THESE 'TOP-BODS' HAVE ONLY TO IGNORE, TO NOT GIVE MAGAZINE OR BOOK SPACE TO A CLAIM MADE BY AN INDIVIDUAL, TO DELIBERATELY IGNORE, AND THE REST OF UFOLOGY FOLLOWS SUIT, THE GOATS MAKE POLICY AND THE SHEEP FOLLOW, IT HAS ALWAYS WORKED AND ALWAYS WILL.

THUS, IF THESE 'TOP-BODS' DO NOT LIKE ANY PARTICULAR CLAIM, FOR WHATEVER REASON, BEING WHOM THEY ARE THEY CAN EFFECTIVELY SUPPRESS THOSE CLAIMS, TO IGNORE THEM, TO WILLINGLY MANIPULATE THEIR CENSORSHIP WITHIN MAINSTREAM UFOLOGY.

STRANGELY ENOUGH THESE 'TOP-BODS' ARE ABLE TO 'JUSTIFY' THEIR CENSORSHIP, THEIR SUPPRESSION, OF SUCH CLAIMS, WITH WHATEVER LOGIC FITS THE CIRCUMSTANCES AT THE TIME, BRILLIANT CHESS PLAYING TACTICS.

YOU WILL NOT FIND THE CLAIMS MADE SINCE 1994 BY THE VOICE IN ANY OF THE FOLLOWING ..... AND NOW YOU KNOW WHY!

'NEXUS'      'SIGHTINGS'      'ALIEN ENCOUNTERS'      'UFO MAGAZINE'      'UFO REALITY'  
'FORTEAN TIMES'      'THE UNOPENED FILES'      ETC...ETC...ETC.....

THANKYOU UFOLOGY, BE IT HERE IN THE UK OR THE USA, WHEREVER, THANKYOU FOR BEING THERE WHEN YOU WERE NEEDED.....NOT!!!

*Artist's impression of aliens examining John Aris during his abduction - with his wife Elaine, their two children, and their car - from a country road in Essex, England, in 1974. Distinct types - some say races - of aliens have been reported aboard UFOs by abductees since, but no others have recalled these particular entities. The Arises' experience also included the appearance of a prophetic, Christ-like figure, which does not feature in other reports.*

NEWS RELEASE FROM NICK REDFERN. 17 SEPTEMBER 1998.

Over the course of the last few months several people have contacted me to inquire if there existed at the Public Record Office at Kew, any reports pertaining to sightings of so-called Foo Fighters - the mystery balls of light seen by both Allied and Axis powers during the course of the Second World War. The short answer is: Yes. One such report is published in a formerly 'Secret' publication titled 'Bang On' - the official news sheet of 115 Squadron of the Royal Air Force.

In the very first issue of Bang On (dated 31 December 1943), the following can be read on pages 1 and 2:

PHENOMENA. Under this heading there occur from time to time reports of weird and wonderful apparitions seen during our (and the American) attacks on Germany. We have asked our local Inner Circle bloke to comment on the latest species of wizardry. Here is his story...believe it or not...

On the 11th December the Yanks paid one of their daylight visits to Emden. Visibility was GOOD and the weather clear. "An unidentified object was seen in the target area. It was about the size of a Thunderbolt and passed 50 /75 yards beneath the formation. It flew STRAIGHT AND LEVEL (No chaps it was was not a Lanc. gone mad...) at a terrific speed, leaving a streak like a vapour trail which was all white and which remained visible for a long time.

The object passed so quickly that the observer could not determine it more accurately..."

Suggestions will be welcome...serious ones...as to what this Loch Ness Monster of Emden might have been. (Prize... one year's free issue of this News Sheet...if the publication survives that long.)

Another of the attacking aircraft was hit by a length of wire which bit deeply into the nose. 20 feet were coiled around the nose and something caused the bomb door to open. The wire may have been towed behind a fighter which had just made an attack upon the bomber; some form of explosive charge or weight may have been attached to the wire cable. Another possibility is that the wire may have been attached to a parachute fixed from a rocket projectile, though no parachute was seen. An examination of the wire is taking place and it is hoped that this will shed some light on the occurrence.

In another attack...this time on Bremen...there were many reports of "silver and red discs above the formations". These have been seen before but up to now no one has been able to decide their purpose. Suggestions please.

In essence, that is the relevant section of the document. There are, of course, several points worth noting. First, this is clear evidence that the British Air Ministry, during the Second World War, did indeed have on file Foo Fighter-type reports; and second, the reference to 'silver and red discs' conjures up

images not strictly of Foo Fighters, but rather of classic Flying Saucers! Moreover, the reference to the 'discs' having been seen 'before' and the fact that 'no one has been able to decide their purpose', leads me to believe that the rumours surrounding Air Ministry investigations of Foo Fighter and unidentified aerial phenomena activity during the period 1939-1945 are indeed valid.

Those who wish to research this matter further for themselves should pay a visit to the Public Record Office and consult file reference: AIR 14/2800. In addition, those wishing to know more about what the Air Ministry learned in the period 1949-1950 about both Nazi and Russian aircraft designs and their possible relationship with the UFO mystery would do well to consult file reference: DEFE 41/117.

Those wishing to contact me re the above may do so on the following number: 01426 296319.

P.S. feel free to circulate and  
reproduce the above.

\*\*\*\*\* BOOK REVIEWS \*\*\*\*\*

(UNFORTUNATELY REVIEWS ARE A BIT THIN ON THE GROUND THIS ISSUE!!!)

Who are the sinister men in Black? Known as MIB, these mysterious strangers threaten witnesses to paranormal events, warning them to remain silent at all costs. Are they really part of some secret government agency that monitors alien activity on earth, as the movie *Men in Black*, or the hit TV series *The X-Files*, would have us believe? Or is the truth even more disturbing?

For the first time, leading researcher Jenny Randles charts in fascinating detail the history of this bizarre phenomenon. UFOlogists have been collecting reports of MIB from around the world for 50 years and they still happen today. Numerous witnesses have alleged harassment in the wake of their close encounter. The intimidators have extraordinary knowledge about their lives and even demonstrate unearthly powers.

Is the MIB enigma a modern myth, as sceptics will inevitably claim? Are all the witnesses merely deluded? In her carefully balanced investigation, based on 25 years of research, Jenny Randles provides ample evidence that this is a mystery to be reckoned with. The truth could well be stranger than fiction...

# “FACES OF THE VISITORS”

In the corner of the evening, over the past century, people have been reporting encounters with a huge array of alien beings—some tall and Human-looking, some hairy and monstrous, some reptilian-looking, and even some that defy conventional description. In *Faces of the Visitors*, UFO expert Kevin Randle and documentary producer and artist Russ Estes have teamed up to produce an essential reference guide to the most important close encounters, alien contactee cases, abductions, and reported photos of aliens. Each of the over fifty entries is based on actual eyewitness accounts and includes:

- A detailed drawing of each visitor based on drawings made by (or according to descriptions given by) the people who saw it with their own eyes.
- A stunning description of each alien, and the name of its home world, if known.
- A unique reliability rating, on a scale from 0 to 10.
- A gripping, you-were-there narration of the encounter, along with meticulous documentation of source material.

*Faces of the Visitors* also offers a comprehensive database on the often overlooked but extremely important Euro-North American visitation wave of 1954 and the North American wave of 1973 as well as a comprehensive bibliography of important books, magazine articles, and journals. It is a fascinating reference for anyone curious about alien visitation and an invaluable source for those who want to learn more about their own experiences.

KEVIN R. RANDLE is a sought-after expert on UFOs, is the author of several books on alien phenomena, including *The UFO Cookbook* and *UFO Crash at Roswell*. He lives in Cedar Rapids, Iowa. Russ Estes has worked in many aspects of the entertainment industry. He most recently produced the documentaries *Roswell Remembered* and *The Magic and Mystery of Glendale*; he lives in Southern California.

# FLYING SAUCERS OVER LOS ANGELES

## THE SEARCH FOR THE SAUCERS BEGINS!

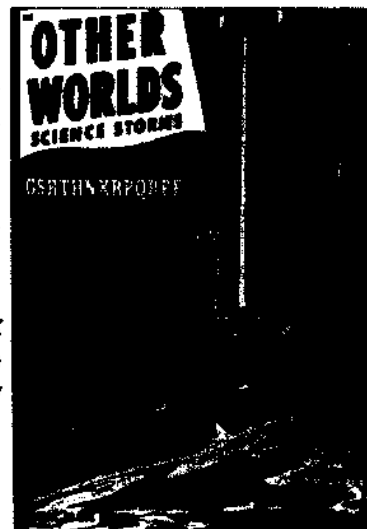

Beginning with a previously unpublished manuscript by DeWayne B. Johnson entitled *Flying Saucers Over Los Angeles*, this book chronicles who saw what, where and when during the earliest years of the flying saucer flap beginning June 24, 1947. Starting with such cases as the Roswell crash and the Maury Island incident, it continues to little-known sightings, presenting a contemporaneous view of the earliest UFO excitement in 1950s America unvarnished by the accumulated speculation of the last 46 years. A more detailed account of the many early sightings has never before been published! The book also presents one of the first analyses of the sociological and psychological dimensions of the UFO experience, written from a vantage point of certainty that flying saucers are real—borne out by the actual news and witness accounts.

With a 16-page color insert of rare UFO photos and early flying saucer artwork, *Flying Saucers Over Los Angeles* recreates the original excitement of the hysteria that swept across America. Copies of the original news articles are provided in an appendix, with additional newsclippings from *The New York Times* and other papers. Relive the time when people watched the sky for the mysterious saucers!

RE BOOK "COSMIC TOP SECRET"

Hi JON,

I HOPE YOU DO NOT MIND ME WRITING OUT OF THE BLUE LIKE THIS, I'M WRITING REGARDING YOUR BOOK RECENTLY PUBLISHED BY HODDER & STOUGHTON. A FRIEND ALERTED ME TO THE BOOK A FEW WEEKS AGO, HE SAID THAT YOU HAD MENTIONED MY CLAIMS VERY BRIEFLY BUT WAS ANXIOUS THAT I HAD BEEN SOMEWHAT MISQUOTED, AS YOU CAN IMAGINE I WAS CURIOUS, SO I CONTACTED YOUR PUBLISHERS FOR A REVIEW COPY WHICH ARRIVED A FEW DAYS AGO.

AND, ER, YES SORRY JON YOU HAVE UNFORTUNATELY MISQUOTED ME, I'VE ONLY HAD TIME SO FAR TO SKIM THRU THE BOOK BUT WHAT LITTLE YOU HAVE CHOSE TO USE IS NOT QUITE CORRECT, ESPECIALLY CONSIDERING THE PHONE 'INTERVIEW', DETAILS IN LETTERS PLUS OF COURSE YOU AND JIM MILLS, SINCE THE SUMMER OF '96, HAVE HAD VIRTUALLY EVERY SINGLE DOCUMENT ISSUED SENT TO YOU AT 'UFO REALITY', RIGHT UP TILL JUNE '98 WHEN I SENT YOU THE LATEST ISSUE, NUMBER 36.

( MAYBE I INCORRECTLY ASSUMED THAT THE GLASTONBURY ADDRESS WAS STILL VALID? ).

I ALWAYS WONDERED WHATEVER HAPPENED TO THE OFFER FROM JIM MILLS IN THE SUMMER OF '96 TO COVER THE WHOLE THING IN ONE GO IN THE MAG, NEVER DID HAPPEN, ALTHOUGH A NUMBER OF OTHERS WITH THE SAME SORT OF CLAIMS WERE GIVEN SPACE.

YOU SEE JON I'M CONFUSED AND NOT A LITTLE ANXIOUS OVER YOUR BOOK, WELL, THE TINY PIECE ON MY CLAIMS IN FACT, AND IN MY OWN WAY I'D LIKE TO TRY AND SORT OUT WHAT MAY SIMPLY BE A MISTAKE MADE BY SOMEONE.

FROM THE SKIMMING THRU THE BOOK, ALL I'VE HAD TIME TO DO SO FAR, IS THAT I SEE OTHERS STATING SIMILAR, SOMETIMES EXACTLY THE SAME, DATA THAT I HAVE BEEN RELEASING SINCE '94, BUT THEY HAVE BEEN GIVEN MORE DETAILED TREATMENT IN A MORE OBJECTIVE WAY. FROM ALL OF THE THINGS I HAVE BEEN ALERTING THE PUBLIC TO VIA MY DOCUMENTS, MILITARY ABDUCTIONS, GENETIC EXPERIMENTATION, USE OF IMPLANTS, CREATED LIFE FORMS, GENETIC ENGINEERING, PSYCHOTRONICS, SUPER-STEALTH TECHNOLOGY, ETC, ETC, ETC, FROM ALL OF THESE AND MORE, YOU ONLY CHOSE TO MENTION ONE FACET OF MY DISCLOSURES, AND LEFT EVERYTHING ELSE TO OTHER PEOPLE.... 'STEALTH', NIMROD, Q, MARK, AND OTHERS NOT ACTUALLY NAMED.....SEE WHAT I'M TRYING TO SAY?.

PAGE 2

SINCE FEBRUARY OF 1994 I HAVE PUT MY LIFE ON THE LINE, PUT MYSELF AT CONSIDERABLE RISK, AND THAT OF MY FAMILY, TO BRING TO THE NOTICE OF THE PUBLIC, THE UFO RESEARCH COMMUNITY, THE FACTS, THE NASTY GOINGS ON, TAKING PLACE RIGHT HERE IN THE UK.

I'VE ENDURED ENDLESS THREATS, INTIMIDATION OF ALL KINDS, AND A COUPLE OF BEATINGS DURING THAT TIME, BUT THE BUGGERS KNOW THAT THERE IS ONLY ONE WAY TO COMPLETELY SHUT ME UP, THEY WOULD HAVE TO SILENCE ME PHYSICALLY, THAT DAY COULD COME TODAY, TOMORROW, NEXT WEEK OR NEXT YEAR, BUT TILL THAT DAY COMES I'M GOING TO CONTINUE WITH MY DISCLOSURES, EVERYONE HAS A RIGHT TO KNOW WHAT IS HAPPENING.

I'VE RISKED EVERYTHING AND I CONTINUE TO RISK EVERYTHING, BUT PEOPLE MUST SIT UP AND LISTEN, THE THREATS TO MY LIFE AND THOSE OF MY FAMILY ARE VERY REAL, THE NSA AND OTHER AGENCIES HAVE MADE THAT PERFECTLY CLEAR, BUT BY NO-ONE PAYING ANY REAL ATTENTION, IT SEEMS I'M WHISTLEBLOWING MY HARDEST IN VAIN!!.

I'VE TRIED TO DO WHAT OTHERS IN MY POSITION HAVE DONE, GO PUBLIC, BECOME HIGH-PROFILE, AND USE THIS AS A KIND OF INSURANCE, BUT IN MY CASE I'VE FACED PROBLEMS, PROBLEMS OF THE KIND OTHERS DO NOT USUALLY FACE.....BY THIS I MEAN UFO COMMUNITY IN-HOUSE CENSORSHIP.

OVER TIME I HAVE CONTACTED NUMEROUS GROUPS, ORGANISATIONS, MAGAZINES, ALL UFO RELATED, MOST HAVE SWEEPED MY DISCLOSURES UNDER THE MAT, IGNORED MY CLAIMS COMPLETELY, THIS HAS BEEN THE CASE WITH MAJOR GROUPS SUCH AS BUFORA, CONTACT, AND OF COURSE THE MAINSTREAM 'GLOSSIES', SUCH AS 'SIGHTINGS', 'ALIEN ENCOUNTERS', 'NEXUS', 'FORTEAN TIMES', ETC.

YOU MAY RECALL EARLIER THIS YEAR A SERIES ON C4, FORTEAN TV, EVEN THERE I CAME AGAINST PROBLEMS, THEIR TV CREW FROM RAPIDO TV CAME ALONG AND FILMED ME IN JANUARY, IN DETAIL, I WAS FILMED IN SHADOW AND MY VOICE WAS TO BE DIGITALLY CHANGED, BUT AT THE LAST MINUTE, JUST 24 HOURS BEFORE MY SEGMENT WAS DUE TO BE SCREENED ON THE 'MIB' PROG, IT WAS PULLED FROM SCHEDULE.

EXTRA PROBLEMS I'VE FACED, HASSLE FROM THE NSA AND OTHERS, AND HASSLE FROM MY OWN SIDE, GREAT SITUATION EH?.

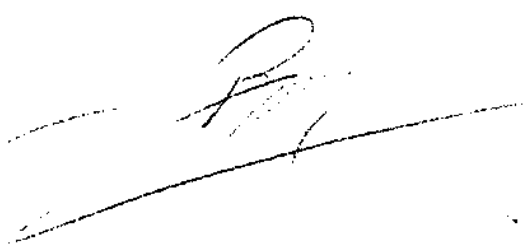

VERY FEW HAVE HAD THE GUTS TO DO ANYTHING ABOUT MY DISCLOSURES, NOT MANY BRAVE SOULS OUT THERE, YET GOING BY YOUR BOOK ALONE THERE ARE NUMEROUS INDIVIDUALS WHOM FACE HASSLE AND COME FORWARD WITH THE SAME CLAIMS, AND I'M STILL PUSHED TO THE BACK AND ASKED TO PLEASE BE QUIET!.

I WILL READ YOUR BOOK THOROUGHLY AND REVIEW IT WITHIN THE PAGES OF THE VOICE ASAP, ITS JUST A PITY YOU COULD NOT HAVE DETAILED MY DISCLOSURES MORE FULLY, EVEN TO TIE IN WITH OTHER CLAIMS MADE ON VARIOUS ASPECTS, NEVER MIND.

ONE THING, I'D APPRECIATE IT IF YOU COULD LET ME KNOW THAT MY DOCUMENTS HAVE STILL BEEN REACHING YOU AT THE GLASTONBURY ADDRESS EVEN THOUGH 'UFO REALITY' NO LONGER IS PUBLISHED, THE AUGUST ISSUE, NUMBER 37, WILL BE OUT IN A COUPLE OF WEEKS.

THANKS FOR YOUR TIME JON, MAYBE I WILL HEAR FROM YOU, ALL THE BEST, REGARDS.

A FEW PERHAPS IRRELEVANT ( TO OTHERS ) FACTS.....

( WHICH MAY BE SUBSTANTIATED BY OTHERS AT SOME STAGE, THOSE INVOLVED DIRECTLY )

TO THIS DAY I CARRY PHYSICAL MARKS LEFT BY THE EXPERIMENTATION DONE ON ME ( AND COUNTLESS OTHERS ), PHYSICAL MARKS LEFT BY THE 'TRIP SEAT', THE SPECIAL INTERFACE SEAT USED IN THE LABS FOR EXPERIMENTATION AND PROGRAMMING ON HUMAN GUINEA-PIGS.

AT SOME STAGE OTHERS, PARTICULARLY AMERICAN AND CANADIAN, ALTHOUGH OF COURSE THERE SHOULD BE BRITISH INDIVIDUALS TOO, BUT I DO REMEMBER A NUMBER OF OTHER SECURITY PERSONNEL BIDDING THEIR TIME FOR WHEN THEY WERE NO LONGER RESTRAINED AND COULD GO PUBLIC WITH WHAT THEY HAD WITNESSED, AND ENDURED WHILST WORKING AT THE BASE.

( ALL THOSE EXPERIMENTED ON BY WAY OF THE 'TRIP SEAT' WILL CARRY EXACTLY THE SAME MARKS ON THEIR ARMS AS I DO ).

I WITNESSED ON SEVERAL OCCASIONS THE TESTING OF 'SUPER STEALTH' AIRCRAFT, OF VARYING SHAPES, ALL VIRTUALLY SILENT, UNDER VARYING CONDITIONS, DAY AND NIGHT AT THE WESTERN END OF SALISBURY PLAIN.....IN FACT I DID MENTION THIS IN MY VERY FIRST DOCUMENT, FEB. '94...THE 'WARMINSTER 1' AND 'WARMINSTER 2' BUNKERS DO NEED CLOSE SCRUTINY.....TRY FOR AN ENTRANCE IN IMBER VILLAGE.

CHECK MY VARIOUS DOCUMENTS FOR AGENCIES, BOTH UK AND USA, AS HAVING DIRECT INVOLVEMENT, YOU POINT OUT THE CIA BUT THE NSA ARE RATHER MORE INVOLVED, CHECK FOR MY COMMENTS ON THE USE OF ELF, REMOTE VIEWING TECHNIQUES, THE NATO 'FIREFLY' TRIANGLE, ETC.

THE MAIN ENTRANCES, ACCESS POINTS, TO THE BERKSHIRE BASE ARE:  
HARWELL.....WATCHFIELD.....WELFORD (USED TO BE ONLY AS EMERGENCY)  
AND NOW GREENHAM COMMON HAS ALL BUT GONE I CAN ONLY ASSUME THAT THE ACCESS TUNNEL HAS BEEN SEALED TO THIS LOCATION.

ALL THE BEST
